Section 1: Curriculum Review and Approval

1A. Curriculum Committee Organization and Procedures

Purpose and Role

Membership

Roles and Responsibilities of Committee Members

 Voting Members

 Resource Members (non-voting members)

Curriculum Committee Procedures

1B. The Curriculum Review and Approval Process

Curriculum Review and Approval Process Diagram

Three Strands of Curriculum Approval: Course, Program, and C-ID

Curriculum Review Resources

Program and Course Approval Handbook (PCAH)

The Course Outline of Record: A Curriculum Reference Guide

The Technical Review Process

SMCCCD Board of Trustees

Technical Review Responsibilities

Technical Review Notes

1C. Statutory, Regulatory and Accreditation Standards

California Education Code

Title 5

California Community Colleges Chancellor's Office (CCCCO)

Accrediting Commission for Junior and Community Colleges (ACCJC)

1D. Articulation and Transfer

Course Identification Numbering System (CI-D)

 CI-D Numbers

 CI-D Descriptors

Articulation System Stimulating Interinstitutional Student Transfer (ASSIST)

1E. General Education

Skyline College General Education Requirements

Skyline College General Education Area Definitions

CSU General Education Requirements

Intersegmental General Education Transfer Curriculum (IGETC) Requirements

Section 2: Courses

2A. Types of Courses

Articulated Courses
Baccalaureate Level Courses
Banked Courses
Cooperative Education and Internship Courses (670)
Corequisite Courses
Cross-listed Courses
Degree Applicable Credit Courses
Deleted Courses
Distance Education Courses
Elective Courses
Experimental Courses (680 and 880)
General Education Courses
Honors Courses
Independent Study Courses (695)
Leveled Courses
Lower Division Courses
Major Preparation Courses
Non-credit Courses
Non-degree Applicable Credit Courses
Open-entry/Open-exit Courses
Prerequisite Courses
Program Applicable Courses
Repeatable and Non-repeatable Courses
Selected Topics Courses (665 and 667)
Sequential Courses
Stand Alone Credit Courses
Transferable Courses
Transferable Non-Articulated Courses
Upper Division Courses
Variable Unit Courses

2B. Creating New Courses

Preliminary Questions and Guidelines
Creating a New Course
The Course Outline of Record (COR)
 Purpose of the Course Outline
 Standards for the Course Outline, College Level Academic Rigor, and Critical Thinking

- Course Outline vs. Syllabus
 - Writing an Integrated Course Outline
- Inter-campus Communication and Consultation Process
- Proposing New Programs/Curriculum When No Disciplinary/Content Expert is on the Faculty
- Course Numbering
- Student Learning Outcomes
 - What are Student Learning Outcomes?
 - Writing SLOs
 - Assessing SLOs
 - SLOs vs. Objectives
 - Model SLOs and Objectives
 - SLO Checklist
 - SLOs for leveled and sequential courses
- Hours and Units Calculations
 - Credit Hour Calculations
 - Instructional Categories
 - Unit Increments Issued
 - Cooperative Work Experience
- Prerequisites, Co-requisites and Recommended Preparation
 - Definitions
 - Justifying and Validating Prerequisites, Co-requisites and/or Recommended Preparation
 - Proposing Prerequisites, Co-requisites and/or Recommended Preparation
- Course Transferability
 - CSU Transferable Courses
 - UC Transferable Courses
 - CSU GE Breadth
 - IGETC
- To Be Arranged (TBA) Hours
 - TBA Content
 - TBA Assignments
 - Sample List of TBA Assignments
- Instructional Materials Fees
 - Fee Amount
 - Fee Justification
- General Rules for Course Repeatability
- CB Codes and Taxonomy of Programs (TOP) Codes
- Upper Division Courses

2C. Modifying, Banking, Deleting, and Reactivating Courses

Modifying Courses

Banking Courses

To Bank A Course

Deleting Courses

To Delete A Course

Impact of Course Banking and Deletion

Reactivating Courses

Section 3: Certificates, Degrees, and Programs

3A. Types of Certificates and Degrees

Certificates

Associate Degrees

Associate Degree for Transfer (ADT)

Transfer Model Curriculum (TMC)

3B. Creating New Certificates, Degrees, and Programs

Program Definition

Preliminary Questions and Guidelines

Creating a New Program

Presentation of a New Program Proposal at a Curriculum Committee Meeting

3C. Modifying, Redesigning, Banking, and Deleting Certificates, Degrees, and Programs

Modifying Programs

Redesigning Programs

Banking Programs

Deleting Programs

To Delete a Program

3D. Program Viability

Suggested Program Viability Process

Section 4: CurricUNET

CurricUNET Directions
CurricUNET Help Screens
