

STRATEGIC PARTNERSHIPS & WORKFORCE DEVELOPMENT

GET WORK WEDNESDAY

The Career Readiness and Job Placement team at Skyline College understands that the pandemic has caused different challenges within our community specifically job loss, lay-offs, completing your certificate or degree and searching for a job under these difficult dynamics. We are here to help! We have created a series of career readiness experiences that will assist you in landing your DREAM JOB. Please join us virtually for our upcoming online events designed to prepare you for potential job opportunities.

Check out our “Just In Time” sessions that will provide important tools and resources to prepare you for your job search and our Get Work Wednesday Webinars.

Sessions will engage participants on how to begin searching for a job that aligns with you and your career goals, create valuable connections and build your network in person and online, basic elements of a resume and strategies to create a resume that stands out in a competitive market. Additionally, we will offer you support on how best to prepare for an interview and provide essential skills for increasing your confidence so your best self can shine through!
