*Mary can get you there*—whether you’re pursuing a dream, attaining a goal or taking important steps toward your future. As Dean of Language Arts & Learning Resources here at Skyline College, Mary oversees a large division and various programs. She taught English for many years and developed an educational philosophy in the classroom that serves her well in her current role—she sees students as individuals, cares about each person’s development, and understands that education is about the whole person. Her hands-on approach and warm personality make it easy for students to share their experiences with her. Mary believes learning first-hand about students is an important part of her work on campus, and she supports the student-centered focus for which Skyline College is known.

Registration Information

**REGISTRATION**

- **Registration** through WebSMART will enable students to enroll in courses at all three San Mateo County Community College District campuses, including Skyline College, College of San Mateo and Cañada College.

- **Fees** are due at the time of registration. You may pay fees online by credit card, or in person by credit card, cash, personal check or money order. You also have the option to apply for a payment plan and/or apply for Financial Aid.

- **Changes to registration status:** It is the responsibility of the student to drop classes within deadlines to avoid penalty grades and fee obligations.

- **Waitlists** are available for many classes. Please read the information in WebSMART to determine eligibility.

**REGISTRATION APPOINTMENT NOTICE**

Notification of your registration access date will be sent to you via your District email account (my.smccd.edu). The notice contains your appointment date and information regarding your Personal Identification Number, or PIN. You may personalize your PIN at any time. You will be required to enter your PIN to register for classes through WebSMART. Your Registration Appointment Date will entitle you to register for both Summer and Fall 2013 classes. It is important to retain your PIN, as it will be required for future transactions in WebSMART, such as accessing final grades.

**BEFORE REGISTRATION**

- Clear any fee balances or holds on your record.
- Check for prerequisites, corequisites and recommendations for the courses in which you intend to enroll.
- Meet with a counselor/advisor for assistance in selecting your courses, if needed.
- Obtain permission from your counselor and the Admissions Office if you plan to enroll in more than 19 units.

**HOW TO REGISTER**

- Check for your appointment date in your college email account or on WebSMART. Appointments for Summer/Fall 2013 will be posted on April 19, 2013.
- Register online through WebSMART at: https://websmart.smccd.edu.
- Log in with your District ID Number (G#) and PIN.
- Go to: Student Services, Registration – Add/Drop Classes.

  **Note:** It is important to read all notices in WebSMART, as they contain the most current information regarding your account.

**SHORT COURSE REGISTRATION**

You may register for any short course prior to the first day of class, or until the class fills, whichever occurs first. Short course registration can be completed through WebSMART. To register on the first day of the course, you must obtain an Authorization Code from the instructor and use it immediately through WebSMART. Pay close attention to the registration instructions when using an Authorization Code.

  **Note:** Refund deadlines for short courses differ from term-length courses and are often the first day of class. For details, check your Class Schedule Summary in WebSMART, review the “Refund Policy” on page 15 and/or contact the Cashier’s Office or Admissions and Records.

**LATE REGISTRATION**

If you are unable to register before the first day of class, you may register during the Late Registration period, with the use of a four-digit Authorization Code. (See Late Registration dates on page 5.) An Authorization Code allows a student to add a class after it has started. To activate the code, follow the registration steps detailed in WebSMART. Please read the instructions very carefully, as there are extra steps involved when using an Authorization Code.

**VARIABLE UNITS**

Some courses are offered for variable units, which are earned according to the amount of subject matter the student completes during the length of the course. Students can select the number of units they intend to complete at the time of registration, through WebSMART. There are no refunds for units not earned. Students earning additional units will be charged accordingly.

**GRADE “TYPE” OPTIONS**

Some courses are limited to a single type of grading method and some may have grading options, such as “Letter Grade” or “Pass/No Pass.” Students are required to make their grade-type selection at the time of registration through WebSMART and may change their option during the first 30% of the class period. Exact deadline dates can be obtained from your instructor or through WebSMART.

  **Note:** A grade of “P” is equivalent to earning a passing grade, such as “A, B or C”; a grade of “NP” is equivalent to a substandard grade of “D or F”. Please be aware of degree, certificate and transfer requirements when selecting the Pass/No Pass option.
OPEN ENROLLMENT

Every course offered at Skyline College (unless specifically exempted by legal status) is open for enrollment by any person who has been admitted to the college and meets the prerequisites of the course or program, provided space is available. Enrollment in any course or program will be subject to all applicable deadlines.

DEFINITIONS OF STUDENT CLASSIFICATIONS

CONTINUING STUDENT

For registration purposes, a Continuing Student is defined as a student who did not have a break between this term and their previous term in qualifying registration activity. Qualifying activity includes having been Registered, Dropped, Withdrawn, Graded, or having received an Incomplete. If a student was “Waitlisted Only” in the previous term, they do not qualify as “Continuing.” Continuing Students may be eligible for Early Registration. Registration appointments are assigned to Continuing Students based on cumulative units earned.

Continuing Students must have a current SEP (Student Education Plan) on file in order to be eligible for Early Registration. Students are strongly encouraged to meet with a counselor for assistance in selecting appropriate courses to meet their individual goals.

NEW STUDENT

You are considered a New Student if you have never registered at Skyline College, the College of San Mateo or Cañada College.

• If you were a High School Concurrent Enrollment student, and have, or will, graduate high school before the Summer 2013 term, you are considered a “New” college student. You must reapply for Admission.

FORMER STUDENT

If you were in attendance at Skyline College, College of San Mateo or Cañada College prior to Spring 2013 and have not been in attendance since, you are considered a former student and must reapply for admission. If you previously applied for admission online, update your prior application online and resubmit.

TRANSFER STUDENT

If you attended a college or university other than Skyline College, College of San Mateo or Cañada College, you are a transfer student at Skyline College and must apply for admission. You may be eligible for exemptions from some of the matriculation requirements listed on page 6. Present your unofficial transcript(s) to a counselor for review.

HIGH SCHOOL STUDENT

High School students may be eligible to enroll in college through the College Connections/Concurrent Enrollment Program. This program allows you to get an “early start” on your college experience while still enrolled in high school. California residents do not pay enrollment fees for courses. Please visit www.SkylineCollege.edu/ce/ for registration information and contact your high school counselor. Enrollment is subject to the availability of courses. Please see page 9 for more information.

IMPORTANT: CLASS ATTENDANCE

If you do not attend the first class meeting, the professor MAY replace you with students waiting to add the class. Although the professor has the option to withdraw you from the class, YOU are responsible for officially withdrawing within deadlines to avoid penalty grades and fee obligations.

ATTENTION ALL STUDENTS – IMPORTANT CHANGES in PREREQUISITES/COREQUISITES

The San Mateo County Community College District (SMCCCD) is using a computerized prerequisite checking system. A student who has NOT met the stated prerequisite for the course will not be allowed to enroll. In addition, all stated Corequisite courses must be taken concurrently. Students are strongly encouraged to accept the recommendations stated for courses but will not be prevented from enrolling in the classes where the advisory is stated as “recommended” in the class schedule.

Students should meet with a counselor if they have questions about whether they have met the stated prerequisite.

What are Prerequisites, Corequisites and Recommendations?

- **Prerequisite**: A course or body of knowledge that must be successfully completed (grade of C or Credit or better) before a student can enroll in a specific course.
- **Corequisite**: A course that must be taken concurrently (at the same time) with another course.
- **Recommendation**: A course that faculty recommend be completed in advance to enhance or improve a student’s ability to succeed in a specific course.

Why Prerequisites and Corequisites?

Title 5 (state regulations that govern community colleges) requires that, if a course has a prerequisite, it must be necessary for the student to succeed in the target course. Furthermore, the college must ensure that the prerequisite is equitably and fairly enforced and that it has been approved in a separate action by the curriculum committee at each college.

What if I am currently enrolled in the prerequisite course(s) within the SMCCCD?

If you are currently enrolled in the prerequisite course(s), the computer will not prevent your enrollment in the desired course. However, should you receive a final grade other than “A,” “B,” “C” or “P” in the prerequisite course(s), you will be notified by Admissions and Records through your student email (my.smccd.edu) that you have been administratively dropped from the course. You are advised to meet with a counselor for further assistance with enrollment.

What if I completed the prerequisite at another college outside the San Mateo County Community College District?

If you believe you have met the stated prerequisite at another college/university outside the San Mateo County Community College District, you must file a Prerequisite Equivalency/Reciprocity of Course Placement form with the Counseling Department. The form is available at the One Stop Center in Building 2. Submit the completed form with a copy of your unofficial transcript or grade report from the other college to the Counseling Appointment Desk in Building 2. If your prerequisite request is approved, the enrollment block will be lifted, allowing you to enroll in the course. If your request is denied, you will be contacted by Counseling as to the reason(s) why.

How can I challenge a prerequisite?

You can challenge a prerequisite on one or more of four grounds, listed below:

- If you believe you have the knowledge or ability to succeed in the course without completing the prerequisite.
- If you believe that the prerequisite has been established in violation of Title 5 regulations or the SMCCCD District Model Policy.
- If you believe that the prerequisite is discriminatory or is being applied in a discriminatory manner.
- If you believe that the prerequisite course has not been made reasonably available.

How do I file a prerequisite challenge?

If you wish to file a prerequisite challenge, follow these steps:

- The Prerequisite Challenge Form is available at the Student Services Information Center in Building 2 or from a counselor. A counselor can help you determine whether you would benefit from the challenge process.
- Next you should contact the appropriate division dean to obtain specific information about filing and documenting your challenge request.
- If you elect to challenge, submit the completed challenge form with documentation to the appropriate Division Office for review.
- You will be notified in 5 business days if your challenge is subsequently approved, and you will be allowed to enroll in the course. If your challenge is not approved, you will be administratively withdrawn from the course.

What message will I receive on WebSMART if I do not meet the prerequisite for the course in which I am attempting to enroll?

If you have not met the prerequisite or presented documentation to challenge the prerequisite you will receive the following message on WebSMART when you attempt to enroll: You do not meet the prerequisites for this course. You will not be able to register for the class until you clear the prerequisite(s). To obtain prerequisite information, equivalency/challenge processes, and forms go to: http://www.skylinecollege.edu/highschool/gettingstarted/chooseprogram/registration_rules/prerequisite_information.html.

**Subject to change**
FALL FEE PAYMENT POLICY

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the San Mateo County Community College District Board of Trustees. While it is the intention of the local governing board that any proposed fee increases be moderate and predictable, due to the ongoing State budget shortfall, fee increases could be adopted at any time. In the event of a fee increase, students will be notified of the increase and any subsequent amount owed will be posted on their WebSMART account, and through emails to their my.smccd.edu email address.

Registration for fall term begins on April 29, 2013. You will not be able to register for classes if you have any outstanding balances on your account.

All records are automatically held until all outstanding debts to the District Colleges have been cleared. Review your account on WebSMART regularly for current balances.

FEE PAYMENT PROCESS FOR FALL 2013

For updated information regarding the fee payment process for Fall 2013, please check WebSMART.

If you need assistance in paying your fees you may:

• Enroll in an inexpensive payment plan via WebSMART
• Apply for financial aid (www.fafsa.gov) at least five days prior to registering for your classes
• Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.

VARIABLE UNIT CLASSES

No Enrollment Fee or Nonresident/International Student Tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

FALL CREDIT AND REFUND POLICY

THE REFUND DEADLINE FOR SEMESTER-LENGTH CLASSES IS AUGUST 30, 2013.

• To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline as displayed on WebSMART. Check your Class Schedule Summary for exact refund dates. If registration occurs after the refund date for a class, no refund will be available.

• For summer or short courses, withdrawal must occur within the first 10% of the course (often this is the first day).

• If you decide not to attend classes, it is your responsibility to officially withdraw within published deadlines to avoid penalty grades and fee obligations. A withdrawal initiated by a professor may not result in a refund.

• A student may either maintain a credit balance on their account or request a refund.

• Refunds are not issued automatically. You must contact the Cashier’s Office to request a refund.

• Credit balances remain on student accounts for a maximum of five (5) years.

• Fees paid by personal check(s) require 10 business days for bank clearance before refunds can be processed.

• A $10 non-refundable processing fee (plus an additional $50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. A refund processing fee may be charged only once per semester or summer session.

• Students who receive financial aid and withdraw from classes are advised to call the Financial Aid Office at (650) 738-4236 regarding possible repayment of federal funds if received prior to withdrawal.

• Fees will be credited or refunded if an action of the College (e.g., class cancellation) prevents a student from attending.

Board of Governors Fee Waiver (BOGFW) Information

An Education Lasts a Lifetime…

Don’t turn away from education or job training because you think you can’t afford the enrollment fee. The Board of Governors Fee Waiver (BOGFW) may pay all enrollment fees for credit courses for eligible applicants who want to attend California Community Colleges.

The BOGFW is just one of the financial aid opportunities available. You should also apply for a Pell Grant, Federal Work Study, and other grants and/or loans to meet educational costs such as books, transportation, and living expenses by completing a FAFSA at www.fafsa.gov.

BOGFW is Simple and Fast! Apply Today!

➢ BOGFW applicants should complete the application on WebSMART (https://websmart.smccd.edu) and submit any required documents to the Financial Aid Office.

➢ BOGFW does not require repayment.

➢ BOGFW is not tied to federal financial aid programs; it can be processed quickly and you will know your eligibility for funding immediately.

➢ BOGFW pays enrollment fees for any number of credit units in the fall, spring and summer sessions. Only one application per academic year is required.

➢ If Fall 2013 is your first term and you have NOT completed a FAFSA, please complete the 2013-2014 FAFSA at www.fafsa.gov.

➢ This application will only waive your enrollment fees. You may still owe additional fees that you must pay to avoid being dropped from your classes.

You Will Be Eligible if you are a California resident and…

ANY ONE of the following statements applies to your current status:

➢ You have already qualified for financial aid, such as a Pell Grant or a Cal Grant, by filing the FAFSA.

➢ You or your family are receiving TANF (Temporary Assistance for Needy Families), SSI (Federal Supplemental Security Income), or General Assistance/General Relief.

➢ You meet the following income standards:

ART (ART)

(See also: FILM.)

Art activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Art activity courses are offered in levels by progression. Courses are listed by title; for example, Black and White Photography, Ceramics, etc, and then by level. Level I is beginning; Level II is intermediate; and Level III is intermediate/advanced.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

KINESIOLOGY

As a result of changes to Title 5 regulations, Kinesiology and Dance activity courses are no longer repeatable. Kinesiology and Dance activity courses are now offered in levels by progression. Courses are listed by title; for example, Basketball, Tennis, Ballet, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Tennis course would be listed as INDV 251.1, Tennis I, while an advanced Tennis class would be listed as INDV 251.4, Tennis IV.

Course levels may be scheduled simultaneously. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level.

Students are now limited to a maximum of four courses that are related in content which are considered a family. A family may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the changes) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

For information about these changes, what courses constitute a family, or if you are not able to enroll in a class, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, at (650)738-4271 or morelloj@smccd.edu. You can also refer to the Skyline College website at http://www.SkylineCollege.edu/physedkinesiology for information.

MUSIC (MUS.)

(Music activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Music activity courses are offered in levels by progression. Courses are listed by title; for example, Piano, Guitar, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Piano class would be listed as MUS. 301.1, Piano I while an advanced Piano class would be listed as MUS. 301.4, Piano IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family must progress to the next level.

*This class will be held in Skyline’s Pacific Heights building, located across the perimeter road from Building 5.

Learning Communities

What is a Learning Community?

Learning Communities are two or more classes, often in different departments, designed to be taken together by the same group of students in each class of the Learning Community. Learning Communities are designed to connect students to each other, to their teachers, to the college, and to student learning. The classes have a common theme and coordinate their assignments. This allows students to work on themes from a multi-disciplinary perspective.

In Learning Communities, faculty members assist learning and innovation as everyone works together to create community in a positive learning environment. Students participate in groups to share ideas and help each other learn. There is a greater sense of involvement with students and professors.

ASTEP: AFRICAN-AMERICAN SUCCESS THROUGH EXCELLENCE AND PERSISTENCE

The African-American Success Through Excellence and Persistence (ASTEP) learning community allows you to examine the complex issues of African descended peoples, including African-American culture, tradition, identity, history and contemporary life through classes, lectures, discussions, films, guest speakers and presentations. The ASTEP program helps students of all ethnicities and abilities identify their strengths and talents. The theme for the ASTEP learning community for 2013-2014 is UMOJA,(Unity): To strive for and to maintain unity and talents. The ASTEP program helps contemporary life through classes, lectures, discussions, films, guest speakers and presentations. The ASTEP program helps students to each other, to their teachers, to the college, and to student learning. The classes have a common theme and coordinate their assignments. This allows students to work on themes from a multi-disciplinary perspective.

Distance Learning

(www.skylinecollege.edu/distance education/index.php)

What should I know about Distance Education (DE) courses at Skyline College?
The San Mateo County Community College District is committed to providing students and the community access to transfer education and workforce training through career/technical programs. Skyline College provides such access through our Distance Education program. Through Distance Education courses, all students will have access to earning associate degrees, credit for courses that satisfy transfer course requirements, and career/technical education. These courses are designed to give students greater freedom of scheduling, but they can require more self-discipline and as much time and effort as on-campus classes. For new or first-time DE students, please keep in mind the following:

• Online courses are recommended for students who can work well independently and have solid study skills and self-discipline.
• Online courses parallel the courses taught in the classroom and are transferable to most four-year colleges and universities.
• Students enrolled in online courses have the same status as students enrolled in on-campus courses.
• Online courses require as much time and effort as on-campus courses; however, students have the ability to work according to their own schedule.

All communication between student and instructor occurs through the student email system known as “My.SMCCD”. Information to set up and use the account can be found here: http://my.smccd.edu/

Skyline offers two different types of distance learning, Online or Hybrid courses.

Online Courses
Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of computer technology. The course is conducted through the Skyline’s Learning Management System called WEBACCESS. The course may include text and sound and video links, in addition to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication, and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or by other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

Hybrid Courses
Hybrid courses are those that substitute 51% to 99% of face-to-face instructional hours with online work, and have some regularly scheduled on-campus meetings without alternative distance education means of student participation.

We Respect Your Privacy
Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.

Policies

COURSE REPETITION

Course Repetition occurs when a student who has previously attempted a course wishes to attempt the course again. The SMCCCD Course Repetition Policy defines the acceptable guidelines for this process.

As of the Summer 2012 term, the California State Chancellor’s Office applied changes to the repeat policy that limited the number of times a student may attempt to repeat a course. Further updates to the repeat policy are expected, and will be implemented, for the Fall 2013 term (subsequent to this publication). Please refer to the college website for the most recent information.

A student may attempt a course designated as non-repeatable a maximum of three times. A “course attempt” occurs when a student receives an evaluative or non-evaluative symbol for the course. All symbols (A, B, C, D, F, W, P, NC, NC, I) are identified as a “course attempt.” Beginning with Summer 2012, enrollment limitations (maximum of three attempts) apply to student enrollment. Furthermore, all prior course attempts in a student’s academic record count toward the limit. As a result of limitations on course attempts, students’ decisions to repeat or withdraw from courses may have serious implications and affect their educational planning.

Please meet with a counselor if you need additional information or further clarification on this change in policy and how it may impact your enrollment and Academic Standing.

One additional attempt (a fourth attempt) may be considered for approval under the following circumstances:

1. Recency: A student may enroll one additional time if he/she successfully completed the course and the following conditions have been met:
   a. A significant lapse of time of at least three years has occurred since the course was taken.
   b. The enrollment is for the purpose of establishing recency in the course content, but not for the purpose of improving an established grade.

2. Extenuating Circumstances: A student may only enroll for one additional attempt if documentable extenuating circumstances exist. Examples of extenuating circumstances are fire, flood, accident, or other extraordinary documentable conditions beyond the student’s control.

Repetition for the Purpose of Grade Improvement (Grade Alleviation) for a Course NOT Designated as Repeatable

A student who has received a grade of D, F, NP or NC in a non-repeatable course taken in the San Mateo County Community College District may attempt the course up to two additional times for the purpose of Grade Alleviation and improvement. The enrollment limitation of not more than three attempts as noted above is applicable.

WITHDRAWAL/DROP

1. Withdrawal from a class MUST be initiated by the student through WebSMART. Students who are blocked from withdrawal due to Academic Standing may withdraw in-person at the Office of Admissions and Records.

2. IMPORTANT WITHDRAWAL/DROP TIMELINES:

   Drop with a refund
   Semester-length Courses First 2 weeks of instruction
   Short Courses First 10% of instruction

   Drop without notation of the enrollment shown on record
   Semester-length Courses One day prior to Census Day
   Short Courses Prior to completion of the first 30% of instruction

   Withdrawal with the notation of “W” shown on record
   Semester-length Courses From Census Day to before the last day of the 14th week of instruction
   Short Courses Prior to completion of the first 75% of instruction

3. The academic record of a student who remains in class beyond the last day to withdraw will reflect a grade. A student who does not attend class and follow the established Withdrawal procedures may be assigned a failing grade of “F” by the professor.

STATEMENT ON PRIVACY

Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, reviews his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.
STUDENT RIGHT TO KNOW AND
CAMPUS SECURITY ACT

Colleges are required to publish and make available certain crime statistics and completion rates. For crime statistics, contact the Public Safety Office, Building 6, or call 738-4199, or check online at www.skylinecollege.edu/facstaff/HealthSafety/publicsafetysecurity/statistic.html. For completion or graduation rates, contact the Public Information Office, Building 4, Room 329, or call 738-4324.

STUDENT RECORDS
Privacy Rights of Students

The Family Education Rights and Privacy Act (Section 438, Public Law 93-380), as amended, requires educational institutions to provide access to official educational records directly related to the student and an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. These rights extend to present and former students of the college. The college must obtain the written consent of the student before releasing personally identifiable information, except to those persons or agencies specified in the Act. For more detailed information, consult the College Catalog or contact the Admissions and Records Office.

POLICY ON SEXUAL ASSAULT EDUCATION AND PREVENTION

In accordance with California Education Code, Section 67382, and District Rules and Regulations 2.29, the San Mateo County Community College District is committed to providing information, services and resources to all students, faculty and staff on the prevention of sexual assault. In partnership with various community agencies, individuals who are victims of sexual assault or have concerns related to sexual assault shall receive support and assistance. Students, faculty and staff who need information or assistance related to sexual assault prevention, sexual assault services, and procedures related to the reporting and processing of sexual assault incidents on campus may contact the Student Health Center, the Public Safety Office, or call the Public Safety Dispatch at (650) 738-4199. Information may also be obtained on the Skyline College Public Safety website at www.skylinecollege.edu.

POLICY AND PROCEDURES FOR SEXUAL HARASSMENT COMPLAINTS

The policy of San Mateo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of employment contract.

Pursuant to Title V of the California Education Code, the designated Officer for handling and investigating employee and student complaints of sexual harassment is the Vice-Chancellor of Human Resources and Employee Relations. Copies of the complaint procedures, including procedures for both informal and formal resolution, can be obtained by contacting the Office of Human Resources at the District Office, (650) 358-6767, or Vice-President for Student Services at Skyline, (650) 738-4333.

POLICY ON A DRUG-FREE CAMPUS

Skyline College, in compliance with the Federal Drug-Free Schools and Communities Act Amendments of 1989, prohibits the use, possession, sale or distribution of alcohol, narcotics, dangerous or illegal drugs or other controlled substances on College property or at any function sponsored by the District or Colleges.

Students found to be in violation of the drug-free campus policy will be subject to disciplinary actions up to and including suspension and expulsion.

MEDICAL MARIJUANA

The above policy includes the use of medical marijuana/cannabis.

The College Health Center provides information pertaining to the health risks and effects associated with alcohol and narcotics or other dangerous or illegal drugs. Students may be referred to various outside agencies for enrollment in a drug recovery program.
Skyline College is committed to providing its students, employees, guests, and children in the Child Development Center with a safe and healthy environment. Based on this commitment, the College implemented a new smoking policy beginning Fall Semester 2009. Smoking is now only permitted in designated areas in or near parking lots around campus. Designated areas are clearly marked and ashtrays are located nearby.

The active participation and cooperation of all students, faculty, staff and guests in promoting a healthy and safe environment at Skyline College is greatly appreciated. All college constituencies and guests are expected to observe the smoking policy. Tobacco-free resources are available in the Student Health Center, located in Building 2, Room 2209, (650) 738-4270, and on the Skyline College website.

For additional information regarding the new smoking policy and designated areas, please contact the Vice President of Student Services at (650) 738-4333, or the Chief of Public Safety at (650) 738-4455.

POLICY AND PROCEDURES FOR UNLAWFUL DISCRIMINATION COMPLAINTS

The policy of San Mateo County Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the District is also to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

The Officer designated by the District to receive and investigate staff and student complaints of unlawful discrimination is the Vice Chancellor, Human Resources and Employee Relations, at (650) 358-6767.

1 If the federal statutes cited above would result in broader protection of the civil rights of individuals then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of Title 5, section 59300, as cited in the Model Policy.

POLÍTICA DE NO DISCRIMINACIÓN

Skyline College no discrimina por razones de raza, color, nacionalidad, sexo, orientación sexual, edad, incapacidad física, religión, u otros factores en sus leyes, procedimientos o prácticas conforme a los reglamentos establecidos por el Título VI del Acta de Derechos Civiles de 1964, el Título IX de las Enmiendas Educativas de 1972 (45 CRF 86), el Acta de Rehabilitación de 1973, Sección 504.104.7 y 104.8 y B (PL93-112), el Acta de Americanos Incapacitados de 1992, y el Acta de Discriminación por Edad (42 U.S.C.-6101). La Política de No Discriminación, así como el procedimiento para presentar quejas se encuentra en el documento titulado “Política sobre Discriminación y Acoso Sexual y Procedimiento para la Presentación de Quejas”. Toda pregunta relacionada con estas normas deberá dirigirse a Harry Joel, Vice-Can- ciller de Recursos Humanos, quien es el oficial nombrado por el Distrito para recibir e investigar las quejas presentadas por parte de los alumnos de Skyline College. Su número de teléfono es: (650) 358-6767.

LEARNING COMMUNITIES

What is a Learning Community?

Learning Communities are two or more classes, often in different departments, designed to be taken together by the same group of students in each class of the Learning Community. Learning Communities are designed to connect students to each other, to their teachers, to the college, and to student learning. The classes have a common theme and coordinate their assignments. This allows students to work on themes from a multi-disciplinary perspective.

In Learning Communities, faculty members assist learning and innovation as everyone works together to create community in a positive learning environment. Students participate in groups to share ideas and help each other learn. There is a greater sense of involvement with students and professors.

Please see page 94 for information on the Learning Community opportunities to be offered this semester.

CSU General Education Requirements

Candidates for a Bachelor’s degree from the CSU System who begin college in the Fall of 2013 shall complete the following pattern of general education courses encompassing a minimum of 48 semester units. A maximum of 39 of the total of 48 may be completed at Skyline College. The remaining nine units must be in the upper division of the degree granting institution. Of the 39 units that may be taken at Skyline College, no more than 30 units will be certified in Areas B, C and D combined. Courses used to satisfy the American Institutions requirement may also apply in Area D. Courses taken at other accredited institutions can be certified at Skyline College.

ATTENTION: This checklist is a guide to help you in selecting courses and keeping track of your progress. You are strongly encouraged to meet with your counselor to determine which general education pattern is best for you to follow, review your course selections, and complete a Student Education Plan. The general education pattern you select is based on a variety of factors, including your major and the institution to which you plan to transfer.

Intersegmental General Education Transfer Curriculum (IGETC)

Effective Fall 1991, the IGETC will permit a student to transfer from Skyline College to any campus of the California State University (CSU) or the University of California (UC) systems without having to take additional lower-division general education after transfer.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education requirements. Students may find it advantageous to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

**Note:**
1. The IGETC does not guarantee admission to any CSU or UC campus.
2. The IGETC does not meet the American History and Institutions requirement at CSU and UC campuses.
3. All courses for IGETC must be completed with C or better grades (a C- is not acceptable).

**ATTENTION:** This checklist is a guide to help you in selecting courses and keeping track of your progress. You are strongly encouraged to meet with your counselor to determine which general education pattern is best for you to follow, review your course selections, and complete a Student Education Plan. The general education pattern you select is based on a variety of factors, including your major and the institution to which you plan to transfer.

AUDIT POLICY

Skyline College allows auditing of courses, with the exception of courses in programs that require special preparation and/or program admission on a limited basis. A student may audit a course only under the following circumstances:

1. The student must have previously enrolled for credit for the maximum number of times allowed for the particular course.
2. The instructor of record for the course must approve the student's enrollment as an auditor.
3. The student must be in good academic standing.
4. If the course is offered for variable units, the student must enroll for the maximum number of units available.
5. The student must enroll as an auditor immediately following the published late registration period and pay the auditing fee.

Students who enroll in a course for credit have first priority for all classroom space. Students who wish to audit a course may enroll the week after the late registration period is concluded. Students who wish to audit a course must obtain a COURSE AUDIT FORM from the Office of Admissions and Records. No student auditing a course shall be permitted to change his or her enrollment to receive credit for the course. An auditing fee, as established by California Education Code, is payable at the time of enrollment as an auditor, with the exception of students enrolled in ten (10) or more semester credit units.

CAMPUS PARKING REGULATIONS

All persons parking on the Skyline College campus are responsible for knowing and following the college’s parking regulations. Complete parking regulations are also available online at http://www.SkylineCollege.edu/online/findpeopleplaces/placescampus/parkingpublictrans.html.

All persons driving an automobile, truck or van who utilize campus parking facilities during scheduled class hours and final examination periods are required to pay a parking permit fee and display a campus parking permit in their vehicle at all times while parked on the Skyline College campus. (Motorcycles are excluded if parked in designated motorcycle parking.) Students enrolled exclusively in weekend or off-campus classes are exempt. The parking fee is $50.00 for fall and spring semesters and $25.00 for the end or off-campus classes are exempt. The parking fee is refundable except by action of the college. Parking permits may be transferred from one vehicle to another.

One day parking permits are available for $2.00 per day from coin/bill operated parking permit dispensers located in student parking lots A, C, F, G, L, N and P. There are visitor lots that have pay-by-space, timed parking in Lots D and M.

Students may pay for their parking permits at the time of WebSMART registration, online or in person at the Cashier’s Office.

Students may park in designated student parking lots only. Staff lots are marked with yellow parking lines and are reserved for Staff and Faculty only. Please refer to the campus map for parking lot locations. While parking in Skyline College campus parking lots, all students, staff, faculty and the general public must obey all campus, local and state regulations.

A parking permit is required inside the vehicle in order to park in any lot on campus other than a visitor lot. All Staff parking areas on the Skyline College campus are restricted to San Mateo County Community College District employees (excluding student aids, assistants or student workers while enrolled in the current semester). Vendors and contractors at the college may also park in staff parking lots with proper authorization and permit.

Parking spaces are available on a first-come, first-served basis. Therefore, a parking permit is not a guarantee of a parking space. Skyline College and the San Mateo County Community College District do not accept liability for vandalism, theft or accidents. Use of campus parking facilities is at the user’s risk. However, any such incidents should be reported to the Campus Public Safety Office, Building 6, Room 106, (650) 738-4199.

PARKING GRACE PERIODS

There is a two-week grace period in student parking lots only at the beginning of the fall and spring semesters. There is a one-week grace period in student parking lots only at the beginning of the summer session. The grace period does not apply to staff lots, handicap parking and other restricted parking areas.

VISITOR PARKING

Visitors to the Skyline campus may park in Visitor Lot D or Visitor Lot M. These visitor lots are pay-by-space meter parking. After parking the vehicle, the visitor notes the number of the parking space, enters the number into the meter, and deposits coin or currency. The receipt from a visitor parking permit machine does not have to be displayed in the vehicle. Visitor parking permits are valid ONLY in the respective visitor parking lot in which they are purchased. Daily permits, Staff/Faculty permits, and Student permits are not valid in visitor parking lots.

Visitors may also park in student lots if they have purchased a daily parking permit. For the location of daily parking permit machines, please refer to the campus map.

DISABLED STUDENT PARKING

Physically disabled students who drive vehicles to campus must have a valid state-issued DMV disabled person parking placard. This placard allows parking in designated disabled parking spaces on campus. Students must ALSO purchase a student parking permit issued through Skyline College. Disabled parking is available in student and staff lots.

CAR/VAN POOL PARKING APPLICATION PROCESS

Students who wish to participate in the Car Pool parking program can pick up an application at the Skyline College Public Safety Office. To qualify for the program, each student on the application must have paid for a semester or dual semester student parking permit(s). Each student must be enrolled in at least one class at Skyline College and there must be a minimum total of THREE students on the application.

The Public Safety Department is currently limited to 12 Car/Van Pool parking permits per semester. Each permit is valid only for the semester for which it is issued. The Public Safety Department will begin taking applications on the first day of every new semester. Permits are issued on a first come, first served basis upon submission of a fully completed permit application to the Public Safety Department.
CAR/VAN POOL PARKING REGULATIONS

Any vehicle parking in any Car/Van Pool parking stall without a visible Car/Van Pool parking permit issued by the Public Safety Department may receive a citation. Car/Van Pool parking permits are valid ONLY in designated Car/Van Pool parking spaces.

In order for a vehicle to park in a Car/Van Pool designated space, the vehicle MUST display a valid Car/Van Pool parking permit and a valid, student parking permit or valid daily parking permit, as well as have a minimum of two (2) occupants in the vehicle when it is parked. Car/Van Pool parking permits are valid only for the driver(s) and vehicle(s) listed on the application.

It is a violation of law to copy, duplicate, manufacture or otherwise reproduce Car/Van Pool parking permits as well as a violation of the Student Code of Conduct. Violators may be arrested and prosecuted for forgery and theft pursuant to California Penal Code sections 470 and 484, as well as face immediate student disciplinary action.

Car/Van Pool parking permits may not be transferred or loaned to another person or another vehicle that is not on the application. If a person displays a valid Car/Van Pool parking permit issued to another person or vehicle, that vehicle is subject to a citation. The Car/Van Pool parking permit will be seized and a report will be forwarded to the Vice President of Student Services for a violation of the Student Code of Conduct. The seized Car/Van Pool parking permit will not be returned to the person(s) who applied for the permit.
