

Honors Transfer Program

The Honors Transfer Program offers honors-level courses to any student seeking an academically challenging educational experience in all IGETC areas of the curriculum. To graduate from the program, students must achieve a 3.25 g.p.a. in at least 15 units of Honors courses and fulfill 16 hours of community service. Program graduates receive recognition at graduation and on their transcripts and degrees, and are also eligible for special consideration for admission and scholarships at colleges and universities that have agreements with the program. The Honors Transfer Program is a member of the Transfer Alliance Program of UCLA.

For more information and an application, go to <http://www.skylinecollege.edu/honorstransfer/index.php>; or contact John Ulloa, Program Coordinator, at ulloaj@smccd.edu or (650) 738-7127; or visit the Honors Program Office, Room 4-242, in the Multicultural Center in Building 4.

Split Honors Sections

These Honors sections are held simultaneously with a non-Honors section of the same course. All students enrolling in these sections will be required to do Honors-level work. Students are advised that registration in an Honors section does not give the student the right to change registration into the non-Honors section associated with it. Changes in the student's schedule will follow regular procedures: (1) you may drop a class at any time until the last date to withdraw, and (2) classes may be added only during the late registration period provided that there is room in the class. Students wishing to switch sections will go to the bottom of the waitlist for full sections.
