CURRICULUM COMMITTEE
GOALS AND PROJECTS
2008-2009

1) **Update Curriculum Processes**

   a) Continue to incorporate the Student Learning Outcomes Assessment cycle in the curriculum and program review processes
   b) Continue to update Curriculum Committee forms to modernize their look and increase user-friendliness
   c) Continue to pilot "paperless" Curriculum process with SharePoint site
   d) Explore available curriculum course management options

2) **Update Major and Degree Requirements**

   a) Continue to review and recommend changes to the Associate Degree general education requirements
   b) Continue to develop the AA/AS General Education Certification process

3) **Promote Curriculum Integrity**

   a) Prerequisite validation. Continue to work with the Dean of Planning, Research and Institutional Effectiveness to identify the best and most consistent methodology for completing the highest level of scrutiny in the establishment of prerequisites for courses with prerequisites outside of their discipline
   b) Post course outlines online and continue to encourage the update of at least one-third of the course outlines annually/determine the appropriate location(s) of these postings
   c) Host a forum on computerized prerequisite checking for all departments across the District curriculum

4) **Accreditation**

   a) Implement a task force to complete the Substantive Change Proposal process as recommended by the Accrediting Commission

   b) Work with the SLOAC Steering Committee to facilitate completion of an increased number of program and course assessment cycles as recommended by the Accrediting Commission
