

Learning Communities (LCs) link together two or more related courses, giving students the opportunity to explore rewarding academic connections and earn units towards a certificate, degree or General Education requirements with a cultural, career or interest theme. LC students participate for one to three semesters and are supported by dedicated staff and faculty throughout their Skyline College experience. The total number of units in linked courses are noted below in the units column by a larger and bold font.

In consultation with your Counselor, please review the information below to determine which LC is best for you. Some LCs have more than one cohort to choose from based on your English placement and a variety of General Education and elective options. New students (to the Learning Community or to Skyline College) are welcome to enroll in the Learning Community courses below on the assigned registration date posted in WebSmart. Please contact 650-738-4427 to learn more about joining a Learning Community for the Fall 2017 semester!

For more information about each Learning Community, please visit: skylinecollege.edu/learningcommunities

The screenshot shows the Skyline College Learning Communities website. It includes a navigation bar with links for Skyline College, Student Life, Learning Communities, and Learning Communities. Below the navigation is a sidebar with links for Overview, Meet the Team, and Contact Us. The main content area features a heading 'LEARNING COMMUNITIES' followed by a paragraph explaining the concept. There are three buttons: 'DOWNLOAD the COMPLETE Fall 2017 Learning Community Courses and Schedules handout', 'REVIEW and REGISTER for Fall 2017 Learning Community Courses on WebSchedule', and 'Learning Community Course Sequences - Fall 2016 through Spring 2019'. At the bottom, there are three featured categories: Science and Health (with a photo of a group of people), Arts and Culture (with a photo of a student), and Public Service (with a photo of a group of people).
