**V. Announcement and Hearing from the Public [3 minutes each, 9 minutes maximum per topic]**

**VI. Special Presentations**

-AFT :

- Katherine and Eric are here because they found out about the AFT resolution and that it has been passed. Their contract is in a legal process called fact finding. The timing of the resolution doesn’t make sense. They are all for student evaluations but she wants us to know that students don’t get to see the evaluations. Not fair to vote on it without a teacher’s perspective exposed. They feel like the

district went around the back of the process because they were never informed that these resolutions were being presented to students. Student evaluations have more impact than we realize. Not the proper way to do the process.

-Respiratory Care Club Funding Request:

- Not here
