BUDGET:	AR 2018	AR 2017	AR 2016
Supplies & Equipment:	$6,000	$6,000	$6,000
Capital Expenditures:	$0	$0	$10,000
Professional Dev:	$3,000	$3,000	$3,000

BUDGET ANALYSIS: The program assesses the budget annually to determine the academic, facility, and faculty needs of the program. This annual report is included in the data used by the Division Dean to determine a fair and equitable distribution of available funds considering the programs's goals an mission. Funds from additional sources such as grants, awards, and state bond issues often supplement this budget. It is adequate for our needs.

Changes to the Methods and/or Tools Used for Student Evaluations: We will utilize video-taped simulations to film the students' Clinical Skills Evaluation prior to entering the hospital training. This will allow the students to view and address their strengths and weaknesses. This will also be viewed by two observers to improve inter-rater reliability.
