

Transfer degrees are designed to provide students a clear pathway to a CSU major and baccalaureate degree. Students may choose to complete an Associate in Arts for Transfer Degree (AA-T) or Associate in Science for Transfer Degree (AS-T).

### This degree is intended for students who:

- Are interested in completing an Associate Degree prior to transferring to a California State University (CSU) campus
- Plan to complete a bachelor's degree in a similar major at a CSU campus. For the Associate in Arts Degree in Music, the similar major at *most* CSUs is Music.

### What are the benefits for students earning an AA-T Degree?

- Guaranteed admissions with junior standing to the CSU system, but not a particular campus or major
- Priority admissions consideration to a student's local CSU campus or to a program that is deemed similar to a student's community college major (*This priority does not guarantee admission to specific majors or campuses*)
- Required to complete no more than 60 units after transfer to earn a bachelor's degree.

### Who may *not* benefit from earning this degree?

This degree *may* not be the best option for students intending to transfer to a particular college or university that is *not* part of the CSU system. Students should consult with a Skyline College counselor for further information on university admissions and transfer requirements.

### To earn the AA-T Degree in Music, you must:

- Complete the CSU General Education Requirements (**Note: IGETC is not an option for this major**)
- Complete the required major requirements (24 units) – see below
- Complete 60 CSU transfer units (this includes general education requirements, major requirements, and elective units)
- Obtain an minimum grade point average of 2.0

### Please Note:

- A grade of "C" or better is required for each course applied to the major
- MUS 105 will be double counted to apply to meet general education requirement CSU GE Area C1 (Arts). For further information, please consult with your Skyline College counselor
- This degree does **not** require the Skyline Associate Degree Requirements.

# AA-T in Music Major Worksheet

## Associate in Arts in Music for Transfer Degree

Legend C = Completed IP = In Progress

		Units	C	IP
<b>Required Core Courses:</b>				
MUS. 105*	Music Theory I	3
