2014 is right around the corner! Are you signed up for these ASCCC professional development opportunities?

**Accreditation Institute**  
**February 7-8, 2014**  
**San Diego**  
Changes both big and small are coming to the world of accreditation. The ACCJC is close to completing its periodic review of the Standards and will soon publish a revised set. Come join us for a comprehensive peek at the revised Standards. Find out what’s new and different and what will remain the same. At this year’s Institute, we plan to have a little something for everybody, those new to accreditation as well as those addressing recommendations. We are pleased to announce that this year’s Institute is in partnership with the California Community College League and ACCJC. **Space is filling fast!**

**Academic Academy Institute**  
**February 21-22, 2014**  
**Napa**  
While current initiatives are focused on compressing timelines for student completion, it is now more important than ever to reassert our belief in a broad general education (GE) to provide our students with the tools they will need to succeed in an ever-changing global society. Join fellow community college, CSU, and UC faculty members for discussions on the value and relevance of GE at this year’s Academic Academy! **This is a must attend!**

**Faculty Leadership Institute**  
**June 12-14, 2014**  
**San Diego**  
Local senates around the state will send faculty that are new to the senate leadership position to the institute. The participants meet for three days of workshops dedicated to issues involved in running effective senates, faculty hiring, budget planning, technical assistance, and other hot issues facing the California community colleges faculty. **Plan to attend as a group to gain the full benefit!**

**Curriculum Institute**  
**July 10-12, 2014**  
**San Jose**  
Building off of two successful Curriculum Regional meetings held in fall, the Curriculum Institute offers a more intensive forum for deeper discussion about curriculum issues. However, this event sells out every year and we anticipate the same response this year. **Don’t wait to secure your spot!**
