Hello Senate Presidents,

Since the beginning of the Fall 2014 term, the Academic Senate Executive Committee has been engaged in a process to develop a three-year strategic plan for our organization. More information on the process and the importance of the plan can be found in an October *Rostrum* article found on our website here. At the 2014 Fall Plenary Session, a set of draft goals and objectives was presented for feedback at a breakout. The Executive Committee has now incorporated the feedback from that breakout and expanded the draft plan to include strategies that will help the ASCCC achieve the goals and outcomes.

At this stage, the strategic plan is still a draft, and the Executive Committee is seeking your input to help to further refine the plan and ensure that it reflects the directions desired by our member senates. The survey offers you the opportunity to comment on the draft plan and to help shape the final version that will be brought to the 2015 Spring Plenary Session for approval. You can access the survey via this link: [https://www.surveymonkey.com/s/ASCCCStrategicPlan](https://www.surveymonkey.com/s/ASCCCStrategicPlan). The survey should take you about 5 – 10 minutes.

We urge all senate local presidents to consult with their senates on the plan's content to provide us with feedback. Vetting of the draft plan will remain open until January 26, 2015. We hope that all local senates will review the plan, send us their comments, and help us design the most effective plan that we can in the interests of faculty statewide.

Thank you,

**David Morse, Ph.D.**
