Re-Test Policy (pg. 27)

CURRENT Retest Policy
1. Math Placement results are valid for two years from the date the test was taken.
2. English/ESOL placement results, for the purpose of course placement and prerequisite skill level assessment, do not expire and remain valid indefinitely. If however, a significant amount of time has passed since the English or ESOL test was completed, a student may elect to repeat the placement test to secure an accurate assessment of current skill level.
3. If a student does not accept the recommended placement, he/she may retake the same placement test one additional time within a two-year period. In order to retake the same test, the student must wait a minimum of 14 calendar days from the initial test date.
4. A student who has completed a course in the English, ESOL or math sequence may take the placement test to determine his/her current competency level in English, ESOL and math courses, provided that two years have elapsed since the course was completed.
5. For any other special circumstance, or with an instructor or counselor recommendation, a student may petition to retest through the Dean of Counseling.
