Dear Senate Presidents,

As we launch into the spring term, local colleges continue to embrace new opportunities and challenges, while balancing continuous efforts to maintain educational excellence and meet the needs of our students. The ASCCC Guided Pathways Task Force is requesting support in obtaining information to support faculty and local academic senates as they participate in the design and implementation of a guided pathways framework and identify shared governance processes, faculty involvement, and other aspects involving academic and professional matters (10+1).

As such, we are asking for your participation in a brief survey which should take about 10-15 minutes. Please complete the survey by February 28. Email us at info@asccc.org if you have any questions.
