Hi Jude,

Thanks for indicating your time preferences in Doodle. I hope this time still works for you to discuss the course sequencing for your degrees. I know you did extensive work with Suzanne, so she had very little feedback... but we can still use the time to review what GE will look like when added to your degrees (AA, ADT)?

If that sounds ok, is it ok to meet in your office?

Thanks,
Lorraine

Hi Danielle and Jessica,

Thanks for providing your availability via the doodle poll. Looking forward to connecting with you both regarding your course sequencing.

Jessica, is it ok to meet in your office?

Thanks,
Lorraine
