Surveys for Faculty Input/ December 2018

1. *Participatory Governance & Committee work*

We need your help to evaluate our Participatory Governance experience.

Please fill out the survey at the link below as the first step to the evaluation. Next semester we will have focus groups and a forum to discuss our committee structure further.

SURVEY: https://www.surveymonkey.com/r/R9CRW3R

Thank you in advance for your participation.

2. *Self-Study : Accreditation standards*

As we are less than a year out from our accreditation site visit next October, we would like to ask you to take the time and read the work that over 80 writers on campus have created in support of our reaccreditation efforts. The draft and accompanying survey, where you may leave comments, can be found on the Accreditation website.

Please be a part of this process and contribute to making the self-study a true reflection of the work we do at Skyline College.
