

## Health, Safety and Emergency Preparedness Committee

The Health, Safety and Emergency Preparedness Committee promotes a healthful, safe environment for the Skyline College campus community through education, training personnel in safe work practices, as well as developing strategies and adopting best practices regarding disaster preparedness, protection of life, property, and operational continuity for the Skyline College campus.

The committee is responsible for:

1. Conducting safety inspections,
2. Recommending corrective action to the College when appropriate,
3. Maintaining the campus Emergency Response and Evacuation Plans,
4. Updating emergency contact information,
5. Facilitating training for the campus on emergency procedures.

The Health, Safety, and Emergency Preparedness Committee is charged under CSEA contract (article 13.13.6) to meet at least quarterly. A district Safety Management Committee will meet at least twice each fiscal year.

The committee is to include two representatives appointed by CSEA.
