## Academic Senate

### Responsibilities of the Academic Senate

The Academic Senate addresses all academic and professional matters outlined in the the 11 areas of responsibilities created by legislation AB 1725 which amended Title 5, Section 53200. These areas are known as the "10+1" and are as follows:

1. Curriculum, including establishing prerequisites and placing courses within disciplines
2. Degree and certificate requirements
3. Grading policies
4. Educational program development
5. Standards or policies regarding student preparation and success
6. District and college governance structures, as related to faculty roles
7. Faculty roles and involvement in accreditation processes, including self-study and annual reports
8. Policies for faculty professional development activities
9. Processes for program review
10. Processes for institutional planning and budget development
11. Other academic and professional matters as are mutually agreed upon between the governing board and the academic senate

The SMCCCD Board of Trustees has agreed to rely primarily upon the expertise of the senate in academic and professional matters (Board Policy 2.09).
