Q (<http://search.skylinecollege.edu/search.html?collection=skyline-search&query>)

How long will it take to complete the program?

How much will it cost to enter the program?

The cost of the program varies depending how far into the program one is and which 15 unit course block is being taken. Each course has its own requirements for tools, books, and supplies.

First semester

- Tuition, Books, Supplies, Health and Parking Fees: Approximately \$400
- Required Tools (Basic and Course Set): Approximately \$1,200

For each semester thereafter

- Tuition, Books, Supplies, Health and Parking Fees: Approximately \$400
- Required Tools (Course Set): Approximately \$300

Is financial assistance available?

How do I get an application and when should I apply?

What if I miss the application deadline?

When will I be notified about the status of my application?

Can I take Auto 710 during the summer to qualify for the program?

Can I talk to a counselor prior to enrollment in the Automotive Program?

Can I visit and tour the Automotive Department?

Where is the Skyline College Automotive Program located and how do I get there?

What if my question is not listed?
