The screenshot shows the website for the Skyline College Curriculum Committee. At the top, there is a navigation bar with links for ADMISSIONS, ACADEMICS, CAREER, STUDENTS, CAMPUS, and ABOUT. The Skyline College logo is on the left. The main content area is titled "Curriculum Committee" and includes a welcome message, a description of the committee's role, and a list of responsibilities. A sidebar on the left lists various committee documents and resources. A "Committee Meetings" box provides details on meeting days, time, location, and contact information. The footer contains contact details and quick links.

**Curriculum Committee**

Curriculum is the backbone of Skyline College. It reflects the diversity of the disciplines that make up our college community, the different pedagogical philosophies we bring to the classroom, and the strengths of our education and training. Faculty are charged with the primary responsibility for the development of new courses and programs and the revision of existing courses and programs.

**Curriculum Committee Purpose**

The primary role of the Curriculum Committee is to approve new and revised curriculum and academic policies to ensure compliance with Title 5 and the California Education Code prior to submission to the Board of Trustees for final approval. In addition, the Skyline College Curriculum Committee provides guidance and oversight to ensure that all curriculum is sound, comprehensive and responsive to the evolving needs of our students as well as the academic, business, and local communities.

**Curriculum Committee Responsibilities**

- Curriculum, including course and program approval
- Degree and certificate requirements
- Grading policies as they pertain to course outlines
- Educational programs
- Program review
