**SPOL Naming Convention:** SC-Website-DegreeWorks-20190528

**Date Accessed:** May 28, 2019

**URL:** <https://skylinecollege.edu/academics/degreeworks.php>

The screenshot shows a web browser window with the URL <https://skylinecollege.edu/academics/degreeworks.php>. The Skyline College logo is in the top left, and a navigation menu includes 'ADMISSIONS', 'ACADEMICS', 'CAREER', 'STUDENTS', 'CAMPUS', and 'ABOUT'. The 'ACADEMICS' section is expanded, showing a list of links: 'Overview', 'Academic Programs', 'Degrees & Certificates', 'Graduation Requirements', 'Apply for Degree', 'Academic Calendar', 'Final Exam Schedule', 'DegreeWorks' (highlighted in red), and 'Contact Us'. Below this is a 'Related Links' section with 'Associate Degrees for Transfer'. The main content area has the heading 'DegreeWorks' and a paragraph: 'DegreeWorks is a web-based tool to help students and counselors monitor progress toward degree and certificate completion. All students may use DegreeWorks. Counselors and other authorized staff have access to DegreeWorks for the purpose of supporting students' progress through their academic career.' This is followed by the heading 'Some services provided by DegreeWorks:' and a bulleted list: 'DegreeWorks looks at the program requirements found in the Canada, College of San Mateo and Skyline College Catalogs and the coursework completed to produce an easy-to-read audit.', 'Audit is divided into block requirements of how courses taken or proposed count toward program requirements.', 'Checkboxes exist within each block to easily outline completed courses and requirements.', and 'Information in DegreeWorks is refreshed daily to ensure accuracy of information.' Below this is the heading 'You access DegreeWorks through WebSMART:' and a dark box containing the text: 'To begin, go to the WebSMART homepage.' followed by a numbered list: '1. Enter User ID and PIN to log into WebSMART.', '2. Under Student Services heading, click on DegreeWorks link.', and '3. Click on DegreeWorks button to begin session.'
