Learning Communities

Learning Communities (LC) allow students to enroll in a preset group of classes with other students who share the same passions, interests, or specific field of study. Students take classes together (between 1-3 semesters) and work closely with specific faculty and counselors assigned to their learning community and invested in student success.

Download the **Learning Community brochure** for additional information, and make sure you explore your Learning Community options with your counselor using the Spring 2019 Learning Community Courses and Schedules handout and link to the courses on WebSchedule below:

Learning Community Course Sequences - Fall 2016 through Fall 2019

By linking basic skills courses, G.E. requirements, and relevant, student-focused curriculum, learning communities help to support pathways to earning a degree or certificate. There are three LC categories - Science & Technology, Culture & Language, and Society & Education:

| Science & Technology | Culture & Language | Society & Education |
