The screenshot shows the Skyline College website's 'Guided Pathways' page. At the top, there is a navigation menu with links for Admissions, Academics, Career, Students, Campus, and About. Below the menu is a large banner image of a diverse group of smiling students. The main content area features a 'Guided Pathways' section with a sub-header 'Guided Pathways' and a list of links: Meta Majors, Meta Majors Connectors, Catalog, WebSMART / Registration, All Degrees / Certificates, and a red location pin icon for 'Arts, Languages & Communication'. The text explains that guided pathways provide a roadmap to help students plan their educational journey over the next 2-3 years.
