Dual Enrollment

What is Dual Enrollment?

Dual enrollment classes allow high school students to earn college credit while you take your high school courses. Students receive both high school and college credit fo specific courses taken at their high school. Dual enrollment courses are currently available to students at Jefferson Union High School District, South San Francisco Unified High School District and San Mateo High School District. Talk to your high school counselor about enrolling in one of the courses below.

Jefferson Union High School District

Jefferson High School
