Jump Start Program

Jump Start is a six-week summer program designed to help high school students with college potential upgrade their skills in English, math, critical thinking, and college success skills. Students will receive concurrent enrollment at Skyline College, receiving college credit for the courses they take when they complete the program. The program is held during the Summer; beginning June 12, 2017 and ending July 20, 2017.

Students can expect to:

- Build foundational skills that enables them to succeed in college level courses.
- Receive instruction that is presented in a non-intimidating manner and engages a variety of learning intelligences.
- Receive opportunities to explore future career paths and related college majors in a realistic context.
- Be a part of a supportive environment that fosters self-awareness and self-responsibility, sets clear expectations and motivates students to meet challenges.

Eligibility Criteria:

- Student **must** be a California Resident.
- Student **must** be enrolled at a North County high school as a Junior or Senior next Fall.
- Student should have a grade point average of 2.00 or below.
- Student **must** be nominated by a teacher, counselor, or school administrator

Included Classes:

The Jump Start Program curriculum includes the following concurrent enrollment courses:

- English 819 – 3.00 units of college credit
- Math 819 – 3.00 units of college credit
- Career 100 & Career 410 – 1.5 units of college credit
- Learning Skills 800 – 0.5 unit of college credit

Each course is graded separately. In order to receive
