The screenshot shows a web browser window with the URL www.skylinecollege.edu/eops/programlearningoutcomes.php. The page features a navigation menu with links for ADMISSIONS, ACADEMICS, CAREER, STUDENTS, CAMPUS, and ABOUT. The main content area is titled "Program Learning Outcomes" and includes a sidebar with a menu of links: Welcome, Application Process, EOPS Orientation, Meet the Staff, Contact Us, and Program Learning Outcomes (highlighted). Below the sidebar is a "Related Links" section with links to CalWORKS, SparkPoint, and TRiO. The main text describes the Program Student Learning Outcomes (PSLOs) and lists four specific outcomes: PSLO 1: Persistence (80% of students), PSLO 2: Academic Standing (80% of students), PSLO 3: Educational Goal Achievement (20% of students), and PSLO 4: Transfer Eligibility Acceptance (20% of students). A "Mission Statement" section states the college's goal to empower and transform a global community of learners. Finally, a section titled "Student Learning Outcomes (SLOs) will be assessed using:" lists methods such as surveys, questionnaires, and data review.

Program Learning Outcomes

EOPS/CARE faculty and staff have identified the following Program Student Learning Outcomes (PSLOs) that measure student success persistence, academic standing, and degree/transfer completion:

- PSLO 1: Persistence. 80% of EOPS/CARE students will show the initiative and determination to persist from one academic year to the beginning of the next academic year.
- PSLO 2: Academic Standing. 80% of EOPS/CARE students will maintain satisfactory academic standing (2.00 GPA) each semester and will maintain greater than 67% course completion rate.
- PSLO 3: Educational Goal Achievement. 20% of EOPS/CARE students will complete the requirements/graduate with a Certificate or Associate Degree within three years.
- PSLO 4: Transfer Eligibility Acceptance. 20% of EOPS/CARE students who specify the goal to transfer to a four-year institution will transfer within three years.

Mission Statement

To empower and transform a global community of learners.

Student Learning Outcomes (SLOs) will be assessed using:

- Surveys
- Questionnaires
- Review of collected data, and
- Other methods
