Promise Scholars Program

The Promise Scholars Program provides incoming full-time students a full scholarship for 1 year, all required text books, help with transportation, and academic and professional support. The program is open to first-time college students who can commit to attending Skyline College full-time (12 units minimum per semester).

The intention of the Promise Scholars Program is to accelerate your path toward achieving your educational goals, whether you hope to earn a certificate, an associate degree, or complete general education requirements to successfully transfer to a four-year institution. This is more than a scholarship. The program aims to provide all Scholars a supportive, engaged, and inclusive community – a home on campus. We expect all students in the program to regularly participate in counseling, career development, and utilize the
