Administrative Leadership and Unit Review

The Skyline College Administrative Leadership Unit Review (ALUR) is an integral piece of the planning and resource allocation processes. The ALUR is based on the submission of Annual Program Plan (APP) and Comprehensive Program Review (CPR) from the department/program, and is a means to prioritize resource allocation requests. Along with APP and CPR, ALUR supports the realization of the Strategic Goals and Initiatives by providing a system to ensure that our current work is effectively connected to the college Mission-Vision-Values (MVV) and goals.
