TRiO Student Support Services

TRiO Student Support Services (SSS) is a federally funded program that offers free comprehensive services designed to promote academic success. Our goal is to provide first-generation students, low-income students and/or students with physical or learning disabilities with resources and services to earn a certificate or graduate with an associate degree, AND transfer to a four-year university.

TRiO Services

The program offers eligible students a rich variety of services intended to support their academic, personal, and social needs as they work to achieve their dreams. Such services include:
