Ron Galatolo
Welcome from Chancellor, Ron Galatolo
 I'm very pleased to welcome you to the San Mateo County Community College District, home of Canada College in Redwood City, College of San Mateo, and Skyline College in San Bruno. Our college district is an extension of who we are in the many diversified neighborhoods of our County and our employees take great pride being a part of this institution. As a San Carlos native and lifelong resident of the San Francisco Bay Area, I am honored to work in my own community and to help our students achieve their goals.

Our employees are a critical element to the success of the San Mateo County Community College District. To help you get started in your new role, the Human Resources Department has provided you with this informational website. Please review this information to help you get acclimated in your new position.

Congratulations on your new employment and being part of the San Mateo County Community College District team!
