Success, Equity, and Social Justice

Success, equity, and social justice for our students are longstanding goals of the San Mateo County Community College District and are the overarching themes of the District's Strategic Plan. With this Plan, the District recognizes that there is nothing more important to the District's future and to the future of San Mateo County than increasing student success rates. In addition to student access, student success is crucial to closing longstanding gaps in student attainment. Continuous usage of the District's data and evidenced based practices will be required to identify and close these gaps. While
