Notes
- When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture.
- If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination.
- If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class.
- Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

EVENING/WEEKEND CLASSES

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for short courses and as follows for full-term courses:

Note: Evening courses that meet two nights per week meet both nights during Finals. The first night is a regular class meeting and the Final Exam is held on the second night.

5 Steps to Enrollment

You must complete the following Student Success Support Program (SSSP) steps before you register for classes if you selected one of the following educational goals on your application:

- Obtain an Associate Degree or Certificate
- Transfer to a university to complete a Bachelor’s degree
- Improve your English, reading or math skills
- Discover career interests or prepare for a new career
- Undecided about your major

**Step 1  APPLY FOR ADMISSION/FINANCIAL AID**
Admissions & Records, Building 2, (650) 738-4251
- Complete the Application for Admission online at www.skylinecollege.edu; select “Apply”.
- Once your application has been processed, you will receive email confirmations containing next steps.

Financial Aid, Building 2, (650) 736-4236
- Students who are US Citizens or Eligible Non-Citizens can apply for all types of Financial Aid at www.fafsa.gov.
- Students who meet the AB540 exemption requirements under AB131 can apply for the California Dream Act at www.caldreamact.org.

**Step 2  ORIENTATION**
Counseling Center, Building 2, (650) 738-4318
Orientation will provide you with information about registration procedures, college policies, student services, academic expectations, and information on how to accomplish your educational goals. Refer to page 9 for further information on orientation. (Online orientation is available on a limited basis.)

**Step 3  ASSESSMENT**
Assessment Center, Building 2, (650) 738-4150
Assessments determine your skill level in reading, writing, and mathematics. Students are offered multiple assessment options to determine an appropriate English/ESOL and Math placement.

**Step 4  COUNSELING**
Counseling Center, Building 2, (650) 738-4318
During your counseling appointment a counselor will discuss your placement results and help you select appropriate courses for the upcoming semester and help develop your Student Education Plan (SEP) based on your educational and career goals.

**Step 5  REGISTER FOR CLASSES/PAY FEES**
- Upon completion of this process, you will receive an appointment to register through WebSMART.
- Access your WebSMART student account for the following services:
  - register for classes and pay fees
  - access your student email – my.smccd.edu – all official electronic communication will be sent to your my.smccd.edu account
  - purchase parking permit
5 Steps to Enrollment

1. COLLEGE ONLINE APPLICATION
   ALL new or former students applying to Skyline College must complete an online application to enroll in classes. Applications may be submitted online through Open CCC at www.cccapply.org. Upon completion of the online application a User ID and a Personal Identification Number (PIN) are issued which allow access to WebSMART.

2. NEW STUDENT ORIENTATION
   Skyline College offers both in-person and online orientation to new students. New students are provided information about Orientation after completing their application. Both types of orientations cover important college policies and procedures, specific information about certificate, degree and transfer goals, and useful resources that help students be successful in achieving their goals.

   To register for Orientation please visit:
   - Website – http://www.skylinecollege.edu/orientation/
   - In person – Counseling Center in Building 2
   - By phone – (650) 738-4318

   NOTE: Skyline College offers ESOL New Student Orientations, for details, please contact the Counseling Center.

3. ASSESSMENT AND PLACEMENT TESTS
   All new students who plan to earn a certificate or degree, transfer to a four-year college or university, or plan to take an English and Math course at Skyline College, may need to assess for skill level in English/ESOL or Math before registering for classes.

   Students will work with a Skyline College counselor to determine course placements using the following multiple measures:

   Student Self-Assessment (for English and Math only)
   Available to students who have attended and completed an English and Math course in high school in the United States school system. Students will self-report specific high school data to determine eligibility for course placement at Skyline College:
   - High School English courses and grades completed
   - High School Math courses and grades completed
   - High school cumulative GPA

   Alternative Placement Exams
   (for English and Math only)
   Students who have completed an Alternative Placement Exams (APE), and who achieve the required minimum test score result, may use APE to place into college level English and/or Math courses. Students may refer to the Assessment Center website for a complete list of exams and minimum test score results needed for each exam.

   Placement through Prerequisite Equivalency
   Students who have (a) completed college level courses in English and Math (grade of “C” or higher) at a regionally accredited four-year college or university in the United States; or (b) have taken a placement exam at a California Community College may use their courses and/or exam results to determine an English and Math course placement.

   Placement Tests
   This option is available to new first time college students, ESOL students, and concurrent high school who would like to take English, ESOL, and/or Math placement tests at Skyline College.
   - The placement test is computerized and is administered through the Assessment Center.
   - Testing appointments are scheduled for one placement subject per 2-hour testing session.
   - Students can make an appointment online to guarantee a seat through WebSMART.
   - Students are to check-in at least 10 minutes early for their appointment and should bring a valid photo identification.
   - Placement test preparation and tutorials in English, ESOL, and Math can be found on the Assessment Center website.
   - All tests are untimed, but estimations are as follows:
     - Math: UNTIMED, approximately one (1) hour
     - English: UNTIMED, approximately one hour and thirty minutes (1.5 hours)
     - ESOL: UNTIMED, approximately two (2) hours

   Placement Test Retesting Policy
   1. Math Placement results are valid for two years from the date the test was taken.
   2. English/ESOL placement results, for the purpose of course placement and prerequisite skill level assessment, do not expire and remain valid indefinitely. If however, a significant amount of time has passed since the English or ESOL test was completed, a student may elect to repeat the placement test to secure an accurate assessment of current skill level.
   3. If a student does not accept the recommended placement, he/she may retake the same placement test one additional time within a two-year period.
   4. A student who has completed a course in the English, ESOL or Math sequence may take the placement test to determine his/her current competency level in English, ESOL and Math courses, if two years have elapsed since the course was completed.
5. For any other special circumstance, or with an instructor or counselor recommendation, a student may petition to retest through the Dean of Counseling.

Retrieving Placement Test Results
Placement test results will be available to students via WebSMART one hour after tests have been completed. Please go to http://websmart.smccd.edu. Click on the following (1) Student Services (2) Student Records (3) Placement Test Results.

4. COUNSELING & STUDENT EDUCATION PLAN DEVELOPMENT
New students will meet with a counselor as an important step in the enrollment process. Skyline College’s counseling service assist students in establishing their educational goals and identifying support services to achieve those goals. It is important to meet with a counselor each semester to:

- Develop/update your Student Education Plan (SEP)
  - New Students must meet with a counselor to receive a registration date for WebSMART
  - Continuing students must have a current SEP on file to be eligible for priority registration
- Discuss your academic progress
- Continue to learn about and use important student services that enhance student success
- Discuss any personal issues that may be impacting academic success

The Counseling Center provides comprehensive services for students who seek assistance in dealing with a variety of concerns. For more information, please visit: http://www.skylinecollege.edu/counseling/index.php

5. REGISTRATION & FOLLOW-UP SERVICES
Students register for classes through WebSMART at all three San Mateo County Community College District campuses: Skyline College, College of San Mateo, and Canada College. Fees are due at the time of registration. You may pay fees online by credit card or in person by credit card, cash, personal check or money order.

Modified SSSP services are available for students with disabilities. For more information contact the Disability Resource Center (DRC) at 650-738-4280.

STUDENT SUCCESS AND SUPPORT PROGRAM
Skyline College’s Student Success and Support Program (SSSP) is designed to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives.

As part of the SSSP, students agree to express a broad educational intent at the time of admission; declare a specific educational objective within a reasonable period of enrollment; complete the placement test or other assessments; confer with counselors for registration approval and discussion of educational and vocational choices; attend classes and complete assigned course work; seek out support services as needed; and complete courses and maintain progress toward an educational goal.

The State of California mandated SSSP services require that all new, non-exempt, matriculated students to Skyline College shall complete the “5 Steps to Enrollment” as provided by the College. The intent of these core services is to increase your opportunity for success in your academic pursuits. You are required to become a matriculated student unless you meet the exemption criteria.

You are a matriculated or non-exempt student if you have completed the core services of orientation, assessment process, and have met with a counselor to complete an abbreviated or comprehensive student education plan. All new, non-exempt students are required to complete all of the core services.

You are an exempt student if one or more of the following reasons apply and you can provide the necessary documentation:
1. You have completed an AA/AS or higher degree
2. You are enrolling at the college for a reason other than career development or advancement, transfer, attainment of a degree or certificate of achievement, or completion of a basic skills or English as Second Language course sequence
3. You have completed these services at another community college within a time period identified by the district
4. You are enrolling at the college solely to take a course that is legally mandated for employment or necessary in response to a significant change in industry or license standards
5. You are enrolling at the college as a special admit student pursuant to Education Code section 76001.
SSSP EXEMPTIONS

You may be considered exempt from the core service requirements if you identify with at least one of the conditions listed above on your online admission application. Any student exempt from orientation, assessment, counseling, advising, or student educational plan development may still participate in the core services (title 5, section 5532c).

District policies shall not exempt a student solely because a student has not selected an education and career goal or course of study (title 5, section 5532d).

To qualify for exemption, students may complete the Student Success & Support Program Exemption Petition. You will be asked to provide a completed petition and supporting documentation for consideration. To request a SSSP Exemption Petition, contact the Counseling Center in Building 2, (650) 738-4318.

STUDENT ONLINE SERVICES

Students have access to online student services for student account information, registration, class schedule, plus more, available at http://my.smccd.edu/.

WebSMART

Your student WebSMART account offers a variety of online services:

• Register for classes
• Apply for Financial Aid
• View Assessment/Placement results
• View academic records and grades
• Make payments
• Access student-parking permits
• Download transcripts
• Plus more!

To access WebSMART, students must first apply to Skyline College. You will be issued a Student ID number (G-number) and the Personal Identification Number (PIN) is your six-digit birthdate.

DegreeWorks & Student Education Plan (SEP)

DegreeWorks allows students to monitor progress of course completion toward certificate, associate degree, and transfer requirements. Students work with a Skyline College counselor to develop a Student Education Plan (SEP) which is available for viewing in DegreeWorks. DegreeWorks is accessed through WebSMART.

VETERANS AND VETERANS’ DEPENDENTS

Welcome Veterans!

Skyline College offers instruction to veterans, service members, dependents and survivors of veterans, and to other eligible persons. The college assists students who are working toward an AA/AS degree, or certain transfer programs, with certification of benefits under the Montgomery GI Bill, Chapters 30, 32 (Veterans), Chapter 31 (Vocational Rehabilitation), Chapter 35 (Veterans’ Spouses or Dependents), Chapter 1606 (Selected Reserve), 1607, REAP, VRAP, and the Post-9/11 GI Bill, Chapter 33. All Veterans, except those under Chapters 31 and 33, pay for their own college fees, books and supplies. Veterans who have previously attended college must file official copies of all college transcripts with the Office of Admissions and Records. Veterans may check the status of benefits at www.va.gov.

The State of California provides a program for the children of Veterans who are deceased or disabled from service connected causes. Applications are available at www.gibill.va.gov or from the San Mateo County Veterans Service Office, 400 Harbor Blvd., Bidg B, Belmont, CA 94002, (650) 802-6598.

Visit skylinecollege.edu/veterans and click on Educational Benefits or stop by the Veterans Resource Center (2-350) to learn about applying for VA Educational Benefits and the certification process.

Some reminders:

- Apply for federal financial aid for additional resources to meet expenses, www.fafsa.gov.
- Maintain a 2.0 (C) overall grade point average.
- Register and maintain enrollment in at least seven (7) units to be eligible for benefits.
- Take advantage of Financial Aid, Counseling, Health Center, tutoring and other Student Services that are available to assist you.

The Skyline College Veterans Resource Center (VRC) is located in Building 2, 3rd Floor, Room 2-350 and provides a respite from the college atmosphere. The VRC Staff is available to connect veterans and dependents to information on appropriate campus and community services, assist with access to educational benefits and help support a successful transition to college life. The center is dedicated to ensuring that a strong veteran community flourishes on campus and promoting superb support services for personal growth, development, and educational success.
College Connection Concurrent Enrollment Program

High School Students: Experience College Now!

The High School Concurrent Enrollment Program offers 9th-12th graders the opportunity to earn both college and high school credit at the same time.

Enrollment fees are free for students enrolling in less than 11.5 units.

As a student-oriented community college, we will provide you the pathway to transfer programs to UC, CSU and private colleges and universities.

### Associate Degree Requirements – 2017-2018

Graduation from Skyline College with the Associate in Arts Degree or Associate in Science Degree is based upon the completion of 60 units, including the requirements one through nine listed below. An application for the degree must be filed in the Office of Admissions and Records during the last semester of attendance.

**ATTENTION:** This checklist is a guide to help you in selecting courses and keeping track of your progress. You are strongly encouraged to meet with your counselor to review your selections and to complete a Student Education Plan, which will assist you in keeping track of your progress and in reaching your educational goals.

#### Legend
- **C** = Completed
- **IP** = In-Progress
- **P** = Planned

### 1. RESIDENCE

A minimum of 12 completed units must be Skyline College courses.

### 2. GRADE POINT AVERAGE (GPA) REQUIREMENT

- a. A minimum grade point average of 2.0 is required in all degree-applicable coursework.
- b. All coursework transferred into SMCCCD, except non-degree applicable and upper division courses, will be evaluated to meet graduation requirements and will become part of the overall GPA.
- c. The GPA from courses taken in SMCCCD and those courses from outside SMCCCD will be used in the calculation for graduation. Honors and Phi Theta Kappa are calculated and recorded at each college.

### 3. BASIC COMPETENCY REQUIREMENTS

**Note:** Satisfactory completion is defined as a grade of C or better.

*Equivalent courses taken outside of the SMCCCD must be completed at a regionally accredited college or university within the United States. Students must seek course approval and provide verification of course equivalency using the Skyline College Prerequisite Equivalency Petition or the official Transcript Evaluation Service.

**WRITING/READING**

- a. Satisfactory completion of English 100 or English 105, or equivalent, or higher *; or
- b. Score of 3, 4, or 5 on one of the following College Board Advanced Placement (AP) Tests: English Language and Composition or English Literature and Composition.

Transfer Curricula

The majority of Skyline College courses have been reviewed and approved for transfer by four-year colleges and universities through formal articulation agreements. These courses apply to one or more General Education, lower division major and/or elective requirement. These transferable courses have University of California (UC) and/or California State University (CSU) designations in this schedule. Most majors at four-year colleges and universities require completion of one or more lower-division courses as preparation for the upper division. Nearly all of these lower division requirements can be met through transferable Skyline College courses. Students can complete four-year institution General Education requirements prior to transfer.

Articulation agreements, available at www.assist.org, identify which courses apply to General Education and lower division requirements at four-year universities. Students can complete many of the lower division requirements for majors offered by UC, CSU or independent institutions, even if Skyline College does not offer the major.

Students can qualify for transfer to many four-year majors not specifically offered at Skyline College. Students should check the catalog of the college of intended transfer and meet with a counselor for additional information about major programs and requirements.

ARTICULATION WITH FOUR-YEAR INSTITUTIONS

To assist the student with transfer to four-year institutions, articulation agreements have been established with most California State Universities, University of California campuses and some independent California colleges and out-of-state institutions. These agreements define the courses at Skyline College that satisfy many lower division major requirements and General Education requirements at four year institutions. For more information on articulation agreements with the CSU and UC campuses, visit www.assist.org. For articulation agreements that Skyline College has with private colleges and out-of-state colleges, visit www.skylinecollege.edu/transfercenter.

ASSIST TRANSFER ARTICULATION INFORMATION

ASSIST is a computerized student transfer articulation information system that can be accessed online. It displays reports of how California community college courses can be applied when transferred to California State Universities and University of California campuses.

ASSIST is the official repository of articulation for California’s public colleges and universities, and therefore provides the most accurate and up-to-date information available about student transfer in California. ASSIST may be accessed at www.assist.org.

ASSOCIATE IN ARTS AND ASSOCIATE IN SCIENCE FOR TRANSFER DEGREES

Skyline College offers associate degrees (AA-T and AS-T) designed to support transfer to the California State University system. Students who complete the requirements for an Associate Degree for Transfer are eligible to apply for an associate degree AND meet minimum admissions requirements for transfer with junior standing to a California State University. Although earning an Associate Degree for Transfer does not guarantee a student admissions to all California State University campuses or majors, it does secure priority admissions consideration to his/her local CSU campus. To enhance a student’s competitiveness and success as a CSU applicant, in addition to completing the requirements for the associate degree for transfer, it is strongly recommended that students meet with their Skyline College counselor and utilize www.assist.org to see if there are additional courses suggested or required for a particular major at a specific campus.

REQUIREMENTS

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis as noted in the college catalog
2. Obtainment of a minimum grade point average of 2.0.

A grade of “C” or better, or “Pass” if the course is taken on a Pass/No Pass basis, is required for each course applied to the major.
If You Don’t Find It at Skyline College

Skyline College is part of the San Mateo County Community College District, which also operates Cañada College in Redwood City and College of San Mateo. In addition to offering comprehensive general education, vocational, transfer and remedial programs, Cañada College and College of San Mateo offer a number of special programs not available at Skyline College.

CSU General Education Requirements 2016-2017

Upon completion of the full pattern of courses listed below, Skyline College will certify that a student’s lower division general education requirements are completed for any of the 23 campuses within the CSU system (partial certification also available). Certification is not automatic. You may request certification with your final transcript online via WebSMART. For further information, please consult with a Skyline College counselor or the Skyline College Admissions & Records Office.

Attention: This checklist is a guide to help you in selecting courses and keeping track of your progress. You are strongly encouraged to meet with your counselor to determine which general education pattern is best for you to follow, review your course selections, and complete a Student Education Plan. The general education pattern you select is based on a variety of factors, including your major and the institution to which you plan to transfer.

TO BE ELIGIBLE FOR TRANSFER AS A JUNIOR TO A CSU CAMPUS, YOU MUST:

1. Complete at least 60 CSU transferable units with a “C” average (2.0).
2. Complete at least 30 of the 39 units from the GE courses listed below, including one course from each of the following areas: ■ A1, ■ A2, ■ A3, and ■ B4 with grades of “C” or higher. Please be aware that for some campuses and majors, you may not complete Areas A1, A2, A3 and B4 during your last term prior to enrolling at a CSU campus. Please consult with a counselor for specifics.
3. While a course may be listed in more than one area, it may be used to satisfy only ONE subject requirement.
4. While an AP test may be listed in more than one area, it may be used to satisfy only ONE subject requirement.

# Intersegmental General Education Transfer Curriculum (IGETC) 2016-2017

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills all lower-division general education requirements at all California State University (CSU) and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. IGETC is usually recommended for students who intend to transfer to a CSU or UC campus, or who are not yet sure of their intended transfer university. Completion of the IGETC is not a requirement for transfer to the CSU or UC, nor is it the only way to fulfill the lower division general education requirements. Students transferring to CSU campuses may find it advantageous to follow CSU-GE requirements. IGETC is usually recommended for students who intend to transfer to a CSU or UC campus, or who are not yet sure of their major and the institution to which you plan to transfer.

IGETC does not guarantee admissions to any CSU or UC campus. Please consult with a counselor regarding limitations or restrictions on the use of IGETC.

All courses for IGETC must be completed with “C” or better grades. A “C–” is not acceptable.

Courses listed in multiple AREAS shall not be certified in more than one area except for courses in Languages Other Than English (AREA 6 LOTE), which can be certified in both AREAS 3B and 6.

**Attention:** This checklist is a guide to help you in selecting courses and keeping track of your progress. You are strongly encouraged to meet with your counselor to determine which general education pattern is best for you to follow, review your course selections, and complete a Student Education Plan. The general education pattern you select is based on a variety of factors, including your major and the institution to which you plan to transfer.

AREA 6: LANGUAGE OTHER THAN ENGLISH (LOTE)
(UC Requirement Only)
To demonstrate proficiency, one of the following must be completed:
– Two years of high school study in one language with a grade of “C”
or better (verified by official high school transcript);
– Satisfactory completion of a course at a college or university, with
a “C” grade or better, that is considered equivalent to 2 years of
high school language;
– Satisfactory completion of a course listed below;
– Satisfactory score on the College Board Subject Test (formerly
SAT II) in language other than English (Check with your counselor
for required scores);
– Score of 3 or better on the College Board Advanced Placement
(AP) Exams in a language other than English;
– Score of 5 or higher on the International Baccalaureate Higher
Level Examination in a language other than English;
– Satisfactory completion of a proficiency test administered by a
community college, university, or other college in a language
other than English;
– Completion, with “C” grades or better, of two years of formal
schooling at the sixth grade level or higher in an institution where
the language of instruction is NOT English (confirmed by
appropriate documentation).

U.S. HISTORY, CONSTITUTION and
AMERICAN IDEALS
(CSU Requirement Only)
Choose one course from Group A and one course from either
Group B1 or Group B2. Although not part of IGETC, may be completed
prior to transfer. Some courses may count in AREAS 3B or 4.

Registration Information

REGISTRATION

• **Registration** through WebSMART will enable students to enroll in courses at all three San Mateo County Community College District campuses: Skyline College, College of San Mateo and Cañada College.

• **Fees** are due at the time of registration. You may pay fees online by credit card, or in person by credit card, cash, personal check or money order. You also have the option to apply for a payment plan and/or apply for Financial Aid.

• **Changes to registration status:** It is the responsibility of the student to drop classes within deadlines to avoid penalty grades and fee obligations.

• **Waitlists** are available for many classes. Please read the information in WebSMART to determine eligibility.

REGISTRATION APPOINTMENT NOTICE

Notification of your registration access date will be sent to you via your District email account ([my.smccd.edu](http://my.smccd.edu)). The notice contains your appointment date and information regarding your Personal Identification Number, or PIN. You may personalize your PIN at any time. You will be required to enter your PIN to register for classes through WebSMART. **It is important to keep your PIN,** as it will be required for future transactions in WebSMART, such as accessing final grades.

BEFORE REGISTRATION

• Clear any fee balances or holds on your record.

• Check for prerequisites, corequisites and recommendations for the courses in which you intend to enroll.

• Meet with a counselor/advisor for assistance in selecting your courses, if needed.

• Obtain permission from your counselor and the Admissions Office if you plan to enroll in more than 19 units.

HOW TO REGISTER

• Check for your appointment date in your college email account or on WebSMART.

• Register online through WebSMART at: [https://websmart.smccd.edu](https://websmart.smccd.edu).

• Log in with your District ID Number (G#) and PIN.

• Go to: Student Services, Registration – Add/Drop Classes.

  **Note:** It is important to read all notices in WebSMART, as they contain the most current information regarding your account.

SHORT COURSE REGISTRATION

You may register for any short course prior to the first day of class, or until the class fills, whichever occurs first. Short course registration can be completed through WebSMART. To register on the first day of the course, you must obtain an Authorization Code from the instructor and use it immediately through WebSMART. Pay close attention to the registration instructions when using an Authorization Code.

  **Note:** Refund deadlines for short courses differ from term-length courses and are often the first day of class. For details, check your Class Schedule Summary in WebSMART, review the “Refund Policy” on page 30 and/or contact the Cashier’s Office or Admissions and Records.

LATE REGISTRATION

If you are unable to register before the first day of class, you may register during the Late Registration period, with the use of a four-digit **Authorization Code**. (See Late Registration dates on page 7.) An Authorization Code allows a student to add a class after it has started. To activate the code, follow the registration steps detailed in WebSMART. Please read the instructions very carefully, as there are extra steps involved when using an Authorization Code.

VARIABLE UNITS

Some courses are offered for variable units, which are earned according to the amount of subject matter the student completes during the length of the course. Students can select the number of units they intend to complete at the time of registration, through WebSMART. There are no refunds for units not earned. Students earning additional units will be charged accordingly.

GRADE “TYPE” OPTIONS

Some courses are limited to a single type of grading method and some may have grading options, such as “Letter Grade” or “Pass/No Pass.” Students are required to make their grade-type selection at the time of registration through WebSMART and may change their option during the first 20% of the class period. Exact deadline dates can be obtained from your instructor or through WebSMART.

  **Note:** A grade of “P” is equivalent to earning a passing grade, such as “A, B or C”; a grade of “NP” is equivalent to a substandard grade of “D or F”. Please be aware of degree, certificate and transfer requirements when selecting the Pass/No Pass option.
OPEN ENROLLMENT

Every course offered at Skyline College (unless specifically exempted by legal status) is open for enrollment by any person who has been admitted to the college and meets the prerequisites of the course or program, provided space is available. Enrollment in any course or program will be subject to all applicable deadlines.

DEFINITIONS OF STUDENT CLASSIFICATIONS

CONTINUING STUDENT

For registration purposes, a Continuing Student is defined as a student who did not have a break between this term and their previous term in qualifying registration activity. Qualifying activity includes having been Registered, Dropped, Withdrawn, Graded, or having received an Incomplete. If a student was “Waitlisted Only” in the previous term, they do not qualify as “Continuing.”

Continuing Students may be eligible for Priority Registration. Registration appointments are assigned to Continuing Students based on cumulative units earned.

Continuing Students must have a current SEP (Student Education Plan) on file in order to be eligible for Priority Registration. Students are strongly encouraged to meet with a counselor for assistance in selecting appropriate courses to meet their individual goals.

NEW STUDENT

You are considered a New Student if you have never registered at Skyline College, the College of San Mateo or Cañada College.

- If you were a High School Concurrent Enrollment student, and have graduated, or will graduate high school before the start of the term, you are considered a “New” college student. You must reapply for Admission.

RETURNING STUDENT

If you were in attendance at Skyline College, College of San Mateo or Cañada College one year prior to the start of the term and have not been in attendance since, you are considered a former student and must reapply for admission. If you previously applied for admission online, update your prior application online and resubmit.

TRANSFER STUDENT

If you attended a college or university other than Skyline College, College of San Mateo or Cañada College, you are a transfer student at Skyline College and must apply for admission. You may be eligible for exemptions from some of the Student Success and Support Program requirements listed on page 8. Make an appointment with a counselor to review your unofficial transcripts.

HIGH SCHOOL STUDENT

High School students may be eligible to enroll in college through the College Connections/Concurrent Enrollment Program. This program allows you to get an “early start” on your college experience while still enrolled in high school. Please visit www.skylinecollege.edu/outreach/concurrentenrollment.php for registration information and contact your high school counselor. Enrollment is subject to the availability of courses. Please see page 13 for more information.

PREREQUISITES/COREQUISITES

The San Mateo County Community College District (SMCCCD) is using a computerized prerequisite checking system. A student who has NOT met the stated prerequisite for the course will not be allowed to enroll. In addition, all stated Corequisite courses must be taken concurrently. Students are strongly encouraged to accept the recommendations stated for courses but will not be prevented from enrolling in the classes where the advisory is stated as “recommended” in the class schedule.

Students should meet with a counselor if they have questions about whether they have met the stated prerequisite.

What are Prerequisites, Corequisites and Recommendations?

Prerequisite: A course or body of knowledge that must be successfully completed (grade of C or Credit or better) before a student can enroll in a specific course.

Corequisite: A course that must be taken concurrently (at the same time) with another course.

Recommendation: A course that faculty recommend be completed in advance to enhance or improve a student's ability to succeed in a specific course.

Why Prerequisites and Corequisites?

Title 5 (state regulations that govern community colleges) requires that, if a course has a prerequisite, it must be necessary for the student to succeed in the target course. Furthermore, the college must ensure that the prerequisite is equitably and fairly enforced and that it has been approved in a separate action by the curriculum committee at each college.

What if I am currently enrolled in the prerequisite course(s) within the SMCCCD?

If you are currently enrolled in the prerequisite course(s), the computer will not prevent your enrollment in the desired course. However, should you receive a final grade other than “A,” “B,” “C” or “P” in the prerequisite course(s), you will be notified by Admissions and Records through your student email (my.smc.edu) that you have been administratively dropped from the course. You are advised to meet with a counselor for further assistance with enrollment.

What if I completed the prerequisite at another college outside the San Mateo County Community College District?

If you believe you have met the stated prerequisite at another college/university outside the San Mateo County Community College District, you must file a Prerequisite Equivalency/Reciprocity of Course Placement form with the Counseling Department. The form is available at the One Stop Center in Building 2, and online at https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php. Submit the completed form with a copy of your unofficial transcript or grade report from the other college to the Counseling Appointment Desk in Building 2, or by fax (650) 738-4195 or email skycounseling@smccd.edu. If your prerequisite request is approved, the enrollment block will be lifted, allowing you to enroll in the course. If your request is denied, you will be contacted by the Counseling Center as to the reason(s) why.

How can I challenge a prerequisite?

You can challenge a prerequisite on one or more of four grounds, listed below:

• If you believe you have the knowledge or ability to succeed in the course without completing the prerequisite.
• If you believe that the prerequisite has been established in violation of Title 5 regulations or the SMCCCD District Model Policy.
• If you believe that the prerequisite is discriminatory or is being applied in a discriminatory manner.
• If you believe that the prerequisite course has not been made reasonably available.

How do I file a prerequisite challenge?

If you wish to file a prerequisite challenge, follow these steps:

• The Prerequisite Challenge Form is available at the Student Services Information Center in Building 2 or online at https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php. A counselor can help you determine whether you would benefit from the challenge process.
• Next you should contact the appropriate division dean to obtain specific information about filing and documenting your challenge request.
• If you elect to challenge, submit the completed challenge form with documentation to the appropriate Division Office for review.
• You will be notified in 5 business days if your challenge is subsequently approved, and you will be allowed to enroll in the course. If your challenge is not approved, you will be administratively withdrawn from the course.

What message will I receive on WebSMART if I do not meet the prerequisite for the course in which I am attempting to enroll?

If you have not met the prerequisite or presented documentation to challenge the prerequisite you will receive the following message on WebSMART when you attempt to enroll: You do not meet the prerequisites for this course. You will not be able to register for the class until you clear the prerequisite(s). To obtain prerequisite information, equivalency/challenge processes, and forms go to: http://www.skylinecollege.edu/prerequisites.

FALL FEE PAYMENT POLICY

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the San Mateo County Community College District Board of Trustees. While it is the intention of the local governing board that any proposed fee increases be moderate and predictable, due to the ongoing State budget shortfall, fee increases could be adopted at any time. In the event of a fee increase, students will be notified of the increase and any subsequent amount owed will be posted on their WebSMART account, and through emails to their my.smccd.edu email address.

Registration for fall term begins on May 3, 2017. You will not be able to register for classes if you have any outstanding balances on your account.

All records are automatically held until all outstanding debts to the District Colleges have been cleared.

Review your account on WebSMART regularly for current balances.

FEE PAYMENT PROCESS FOR FALL 2017

For updated information regarding the fee payment process for Fall 2017, please check WebSMART.

If you need assistance in paying your fees you may:
- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.

VARIABLE UNIT CLASSES

No Enrollment Fee or Nonresident/International Student Tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

FALL CREDIT AND REFUND POLICY

THE REFUND DEADLINE FOR SEMESTER-LENGTH CLASSES IS AUGUST 29, 2017.

- To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline as displayed on WebSMART. Check your Class Schedule Summary for exact refund dates. If registration occurs after the refund date for a class, no refund will be available.
- For summer or short courses, withdrawal must occur within the first 10% of the course (often this is the first day).
- If you decide not to attend classes, it is your responsibility to officially withdraw within published deadlines to avoid penalty grades and fee obligations. A withdrawal initiated by a professor may not result in a refund.
- A student may either maintain a credit balance on their account or request a refund.
- Refunds are not issued automatically. You must contact the Cashier’s Office to request a refund.
- Credit balances remain on student accounts for a maximum of five (5) years.
- Fees paid by personal check(s) require 10 business days for bank clearance before refunds can be processed.
- A $10 non-refundable processing fee (plus an additional $50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. A refund processing fee may be charged only once per semester or summer session.
- Students who receive financial aid and withdraw from classes are advised to call the Financial Aid Office at (650) 738-4236 regarding possible repayment of federal funds if received prior to withdrawal.
- Fees will be credited or refunded if an action of the College (e.g., class cancellation) prevents a student from attending.

Contact the Cashier’s Office regarding fee or refund questions: (650) 738-4101
Building 2, Student Services Center

PAY FEES BY:
- WebSMART: MasterCard, Visa, Discover or American Express
- In Person at Cashier’s Office (Student Services Center, Bldg. 2, 2nd Floor):
  - Cash, Check, Money Order or Credit Card
EXPLANATION OF FEES

Student Body Fee: Offers a photo ID card and discounts as well as support for many activities and programs. This fee is automatically assessed as part of your total fees. If you choose to reverse this fee, please visit the Center for Student Life & Leadership Development in Building 6, Room 6212, (650) 738-4275, by August 29, 2017. Student ID cards are not available during the Summer Session.

Student Representation Fee: Established by a student election to support student advocacy to local, state and federal offices and agencies. A student has the right to reverse the $1 Student Representation Fee for religious, political, moral or financial reasons by completing a form available at the Center for Student Life & Leadership Development.

Student Union Fee: (Fall and Spring Semesters only). Assessed at $1.00 per unit up to a maximum of $5.00 per semester and no more than $10.00 per student per academic year. Funds will be used to support the financing, construction and operation of the Student Union. This fee may not be reversed.

Health Service Fee: Provides basic campus health services and medical coverage for injuries incurred while the student is on campus or attending an off-campus, College-sponsored event. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization may be exempted from paying the health service fee. Contact Admissions & Records for an Exempting Circumstances Form.

Online Instructional Materials Access Fee: License fee to access course digital material. This digital content also includes Interactive Learning Platforms. This discounted digital course material access will be billed to the student during the first week of the semester (listed as Inclusive Digital Access and is refundable). The discounted printed book is available for most books at the bookstore. Students have the option to pay a lower price for a shorter access period, or to obtain their own access. Get more information about Inclusive Access on page 139.

Additional Fees: Students are required to purchase textbooks, tools, technical and miscellaneous supplies for certain programs. In some courses, students will also be required to pay an institutional materials charge. Please refer to the course description for specific course fee information.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

AUDIT POLICY

Skyline College allows auditing of courses with some exceptions.

District Policy states:

• The Colleges of the District will allow auditing of courses with the exception of classes in programs that require special preparation and/or program admission on a limited basis.

• Students wishing to audit a course must obtain the approval of the instructor of record for that course.

• Students in good standing may audit a course only if they are ineligible to take the course for credit.

• Students taking courses for credit will have first priority on all classroom space. Additional space may be available to interested auditors.

• No student auditing a course shall be permitted to change his or her enrollment to receive credit for the course.

• An auditing fee as established by California Education Code will be payable at that time of enrollment as an auditor, with the exception of students enrolled in ten (10) or more semester credit units.

• Students requesting to Audit a course and receive the Board of Governors Fee Waiver (BOGFW) are responsible to pay for fees and the BOGFW will not be applied to the student account.

Audit forms can be found online at skylinecollege.edu/counseling/forms.php. They must be approved and signed by the instructor(s) for the course to be audited. Forms must then be returned to the Admissions and Records for processing. Students will be required to pay for courses at the time of registration.

- Need help? Attend a FAFSA Workshop. For dates and times go to: www.skylinecollege.edu/financialaid/events.php

**Step 2**  **PROCESSING OF FAFSA/DREAM ACT APPLICATION**
- Allow 1-2 weeks for your FAFSA application to be processed.
- You will then receive two emails:
  - First from the Dept. of Education with your Student Aid Report (SAR)
    - Review SAR for accuracy and read “Comment Codes”
    - If corrections are made, allow additional 1-2 weeks to process
  - Allow 1-2 weeks for your Dream Act Application to be processed
- Follow up with the Skyline College Financial Aid Department
- Second from the Financial Aid Office confirming receipt of your FAFSA/Dream Act Application – Instructions are given to check WebSMART

**Step 3**  **SUBMIT DOCUMENTS**
- Check WebSMART to see what documents are required
- If no requirements are listed, contact the Financial Aid Office
- Submit all documents to the Financial Aid Office
- Incomplete documents will not be accepted

**Step 4**  **FILE REVIEW**
- Files are reviewed in order of date received
- During the file review process, additional documents may be requested
- Check your “my.smccd.edu” email regularly for notifications
- Files will not be reviewed until all required documents are submitted
- The entire process may take 4-6 weeks

**Step 5**  **NOTIFICATION OF RESULTS**
- Eligible students will be notified by “my.smccd.edu” email
- Check WebSMART for the results of your financial aid award
- Go to “My Award Information” to view types and amount of award
  - Note: If no awards are listed, contact the Financial Aid Office

**Step 6**  **FUNDS ARE PAID**
- You have 3 options: Direct deposit, disbursement prepaid card or paper check
- For details go to: www.skylinecollege.edu/myfunds

**REMINDER:** Renew your FAFSA every year. Fall 2017 – Summer 2018 Semesters: Submit the 2017-2018 FAFSA.

What Kinds of Financial Aid Can I Receive?

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs!

**BOARD OF GOVERNOR’S FEE WAIVER (BOGFW)**

New Eligibility Regulations Effective Fall 2016:
California Community College students receiving the BOGFW must meet minimum academic and progress standards to remain eligible for the BOGFW due to changes made by SB 1456 Student Success Act of 2012 to Title 5 of the California Education Code.

Students must:
- Maintain a cumulative GPA of 2.0 (Academic Standard)
- Successfully complete at least 50% of all units attempted (Progress Standard)

If a student is placed on academic and/or progress probation for two consecutive primary terms (fall or spring semester), they will lose eligibility for the BOG Fee Waiver as well as enrollment priority. For more information on this regulation and the conditions by which students can appeal, please see [http://smccd.edu/faprobation/](http://smccd.edu/faprobation/). Students are encouraged to utilize the numerous support services on campus to help them regain good academic standing.

**CALIFORNIA CHAFEE GRANT (CHAFEE)**

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and must not have reached the age of 23 by July 1 of the award year.

*Annual Award: up to $5,000.*

**CAL GRANT B and C**

**DEADLINE TO APPLY IS SEPTEMBER 2**

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only.

*Maximum awards are*

- Cal Grant B: $1,670
- Cal Grant C: $547

**EXPERIMENTAL SITE INITIATIVE – LOAN COUNSELING**

Beginning in the 2017-18 academic year, the San Mateo County Community College District is part of an undergraduate Direct Loan counseling experiment with the Department of Education. Students who have previously completed entrance counseling and are selected for the experiment will be notified via their school email address.

As part of this experiment, student’s Direct Loan disbursements are conditional upon completion of additional in-person loan counseling. A schedule of workshops for all three campuses will be posted on the District Website.

**EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)**

EOPS is a State-funded program that provides support services to economically and educationally disadvantaged students who are California residents. Services include counseling, a book service, vocational grants, and fee waivers for transferring students. Students must complete a FAFSA, Dream Act or BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS is determined and coordinated through the EOPS Office.

**FEDERAL PELL GRANT**

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 5328 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Awards for students are prorated based on enrollment status, etc.:
- Full-time: 12 or more units
- Three-qtr time: 9-11.5 units
- Half-time: 6-8.5 units
- Less than half: .5-5.5 units

*Awards range from: $596 to $5,920.*

**FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)**

FSEOG is a grant awarded to students with exceptional need (EFC of 0). Funds are awarded on a first come, first served basis according to when their financial aid file is complete.

*Awards range from: $100 to $800.*

*Priority application date:* May 1, 2017

**FULL-TIME INCENTIVE GRANT**

In order to encourage Cal Grant B and Cal Grant C recipients to attend full time, the California Community College Chancellor’s Office is providing a Full-Time Incentive Grant of $600 per year ($300 per semester) on top of the $1670 awarded annually by the California Student Aid Commission. The additional aid is intended to assist these students in completing their degree objective and be able to transfer to a four year college in a timely manner.
GROVE SCHOLARS

Each semester SparkPoint selects 25 students to receive a $2,000 scholarship as part of the Grove Scholars Program. This need-based scholarship is open to students pursuing certificates in Career and Technical Education (CTE). In addition, each Grove Scholar receives career counseling, academic counseling, and financial coaching. The goal of the program is to support student efforts to pursue educational, career, and financial goals. For eligibility information visit: www.skylinecollege.edu/sparkpoint or contact SparkPoint at: (650) 738-7035, or grovescholar@smccd.edu, Building 1, Room 1-214.

SPARKPOINT AT SKYLINE COLLEGE

SparkPoint works with students and other community members to access a broad range of services and resources beyond what is typically available through college financial aid programs. Programs includes: financial coaching, a match savings program, secured credit card, assistance with applying to public benefits and a scholarship. Eligibility requirements vary depending on the program but SparkPoint has services available regardless of your financial situation. Interested students should contact SparkPoint for an appointment to explore options for their personal circumstances. For more information visit: www.skylinecollege.edu/sparkpoint or SparkPoint reception office at: (650) 738-7035, Building 1, Room 1-214.

LOANS

Loans are financial aid funds that the student borrows now and repays after s/he completes a program of study or stops going to school. Loan amounts vary from $500-$6,000.

You must submit a Direct Loan Application to the Financial Aid Office. To print the form go to: www.smccd.edu/loanworkshop.

RESPIRATORY CARE – BACCALAUREATE DEGREE PROGRAM – FINANCIAL AID

Financial Aid in forms of Federal State aid is available for students eligible and accepted into the Bachelor of Science in Respiratory Care Program at Skyline College by completing a FAFSA (www.fafsa.gov) or California Dream Act Application (www.caldreamact.org). Apply early and follow the “Steps to apply for Financial Aid” section located on our homepage at: www.skylinecollege.edu/financialaid. Workshops are also available for students needing assistance completing their financial aid application, see our events calendar on our homepage. Also, online instructional videos can be viewed 24/7 on our homepage by clicking on FATV.

Eligibility for various scholarship programs would be determined by the individual scholarship or program students apply for. Additional information on scholarships, internal and external, can be located on our homepage at: www.skylinecollege.edu/financialaid.

The Board of Governors Fee Waiver (BOGFW) is available (for California State residents or AB 540 exempt students) to cover $46 per unit of lower division coursework and can be determined by submitting a FAFSA or Dream Act application, in lieu of the Board of Governors Fee Waiver application. If eligible for a BOGFW, the total cost of enrollment for students will be $84 per unit for upper division coursework.

SCHOLARSHIPS

The annual Skyline College Scholarship application process runs from November-March each year. The application link will be posted at http://www.skylinecollege.edu/financialaid/scholarship.php in late fall. Scholarships are available to graduating high school seniors, returning, continuing and transferring students. External scholarship information is posted as available on the Website.

SIGN UP FOR eDISBURSEMENT

All students’ state and federal financial aid funds and scholarships are disbursed to them by the College through Blackboard-Pay Money Network®. Students have the option to have their disbursement “refund” deposited directly into their existing bank account through direct deposit (preferred method for all students with bank accounts) or onto the SMCCCD Disbursement Prepaid Card that can be used much in the same way as a debit card or credit card. We encourage all students to avoid paper checks which can be lost or stolen and are generally the least secure method of delivering money to students. Complete information can be found on the My Funds Disbursement Options page of our Financial Aid website at www.skylinecollege.edu/myfunds.

STUDENT EMPLOYMENT

FEDERAL WORK STUDY (FWS)

Students who apply for financial aid and put their name on the work study waiting list are given priority. Maximum Annual Award: $6,000
Board of Governors Fee Waiver (BOGFW) Information

An Education Lasts a Lifetime...

Don’t turn away from education or job training because you think you can’t afford the enrollment fee. The Board of Governors Fee Waiver (BOGFW) may pay all enrollment fees for credit courses for eligible applicants who want to attend California Community Colleges.

The BOGFW is just one of the financial aid opportunities available. You should also apply for a Pell Grant, Federal Work Study, and other grants and/or loans to meet educational costs such as books, transportation, and living expenses by completing a FAFSA at www.fafsa.gov.

BOGFW is Simple and Fast! Apply Today!

- BOGFW applicants should complete the application on WebSMART (https://websmart.smcccd.edu) and submit any required documents to the Financial Aid Office.
- BOGFW does not require repayment.
- BOGFW is not tied to federal financial aid programs; it can be processed quickly and you will know your eligibility for funding immediately.
- BOGFW pays enrollment fees for any number of credit units in the fall, spring and summer sessions. Only one application per academic year is required.
- If Fall 2017 is your first term and you have NOT completed a FAFSA, please complete the 2017-2018 FAFSA at www.fafsa.gov.
- This application will only waive your enrollment fees. You may still owe additional fees that you must pay to avoid being dropped from your classes.
- Students eligible and accepted into the Bachelor of Science Respiratory Care program at Skyline College will pay $130 per unit for upper division coursework and if eligible for the BOGFW, only $46 per unit will be waived and total cost to student is $84 per unit. Eligibility for BA students for the BOGFW can only be determined by submitting a FAFSA or Dream Act application.

You Will Be Eligible if you are a California resident and...

ANY ONE of the following statements applies to your current status:

- You have already qualified for financial aid, such as a Pell Grant or a Cal Grant, by filing the FAFSA.
- You have qualified by filling out a Dream Act Application.
- You or your family are receiving TANF (Temporary Assistance for Needy Families), SSI (Federal Supplemental Security Income), or General Assistance/General Relief.
- You meet the following income standards:

Honors Transfer Program

The Honors Transfer Program offers honors-level courses to any student seeking an academically challenging educational experience in all IGETC areas of the curriculum. To graduate from the program, students must achieve a 3.25 GPA in at least 15 units of Honors courses and fulfill 16 hours of community service. Program graduates receive recognition at graduation and on their transcripts and degrees, and are also eligible for special consideration for admission and scholarships at colleges and universities that have agreements with the program. The Honors Transfer Program is a member of the Transfer Alliance Program of UCLA.

For more information and an application, go to http://www.skylinecollege.edu/honorstransfer/index.php; or contact John Ulloa, Program Coordinator, at ulloaj@smccd.edu or (650) 738-7127; or visit the Honors Program Office, Room 5111 in the Learning Center.

Dedicated Honors Sections

These sections are designed for students in the Honors Transfer Program. All students enrolling in these sections will be required to do Honors-level work.

**Biol 675 Honors Colloquium in Biology – Marine Mammal Biology and Conservation**

Prerequisite: Completion of or concurrent enrollment in any non-Honors Biology level 100 or 200 course. Advanced topics in Marine Mammal Biology. Extensive library research and field observations used to complete a project determined by the student. NOTE: Honors credit will also be awarded for any 100- or 200-level Biology course taken concurrently. Transfer: CSU.

**Econ 100 Principles of Macroeconomics – Honors**

Prerequisite: MATH 110, or MATH 111 and MATH 112, or equivalent. Recommended: Eligibility for ENGL 100 or ENGL 105 or equivalent. Transfer: UC; CSU (D).

**Engl 100 Composition – Honors**

Prerequisite: ENGL 846 or ESOL 400; or eligibility for ENGL 100 on approved college placement tests and other measures as necessary. Transfer: UC; CSU (A2, A3).

Recommended: Eligibility for ENGL 846 or ESOL 400, or equivalent. Transfer: UC; CSU (D).

*This class will be held in Skyline’s Pacific Heights building, located across the perimeter road from Building 5.*
Split Honors Sections

These Honors sections are held simultaneously with a non-Honors section of the same course. All students enrolling in these sections will be required to do Honors-level work. Students are advised that registration in an Honors section does not give the student the right to change registration into the non-Honors section associated with it. Changes in the student's schedule will follow regular procedures: (1) you may drop a class at any time until the last date to withdraw, and (2) classes may be added only during the late registration period provided that there is room in the class. Students wishing to switch sections will go to the bottom of the waitlist for full sections.

Learning Communities

What is a Learning Community?
Learning Communities are two or more classes, often in different departments, designed to be taken together by the same group of students in the Learning Community. Learning Communities are designed to connect students to each other, to their teachers, to the college, and to student learning. The classes have a common theme and coordinate their assignments. This allows students to work on themes from a multi-disciplinary perspective.

In Learning Communities, faculty members assist learning and innovation as everyone works together to create community in a positive learning environment. Students participate in groups to share ideas and help each other learn. There is a greater sense of involvement with students and professors.

For more information on Learning Communities, visit http://www.skylinecollege.edu/learningcommunities/index.php.

ASTEP: AFRICAN-AMERICAN SUCCESS THROUGH EXCELLENCE AND PERSISTENCE

The African American Success through Excellence and Persistence (ASTEP) Program is a transfer and support program focusing on the goal of increasing student success in the core college level courses. CAREER ADVANCEMENT ACADEMY – BIOTECHNOLOGY BRIDGE
The BioBridge Program provides a broad foundation of scientific education and hands-on instruction, along with contextualized math and English courses in a highly supportive learning environment. After completion of this two-semester program, students receive a Certificate of Achievement in Biotechnology Manufacturing Assistant and are prepared for entry-level employment in bio-manufacturing. Skyline College also offers an Associate Degree in Biotechnology for students who are looking for a clear transfer pathway to a four-year institution. Please email skycaa@smccd.edu or call (650) 738-7042 for more information. This two-semester program begins in the fall of each year.

**CIPHER**

The CIPHER Learning Community, open to all students, helps students increase their skills in English and Math and prepares them for success in college and in their career. CIPHER focuses on the culture and history of Hip Hop and how it promotes critical literacy, personal development, and social change within our communities. CIPHER also provides resources for students interested in the careers in business, music, and fashion and is designed to encourage students to obtain AA/AS degrees and/or transfer to a four-year university or other post-secondary institution to continue their studies. Contact Nate Nevado for additional information at nevadon@smccd.edu or at (650) 738-4388.

ENGINEERING AND TECHNOLOGY SCHOLARS
The Engineering and Technology Scholars (ETS) Learning Community is a contextualized and accelerated cohort program designed to engage and support students in Engineering and Computer Science, and Biotechnology pathways. Part of the Silicon Valley Engineering Tech Pathways project, the ETS program helps students move through core Math, Physics, Chemistry and English courses together as a group with support from Math and Engineering faculty and a Student Support Specialist. Through supportive group-based learning, engagement in academic success strategies, contextualized mathematics, hands-on and team-based design projects, and introduction to advanced manufacturing techniques in a brand new state-of-the-art Fabrication Laboratory, students progress from entry-level mathematics through intermediate advanced Science, Engineering and Technology courses. The ETS program prepares students for an Associate in Science Degree in the Engineering and Tech pathways and transfer to university, in addition to cultivating hands-on design and manufacturing experience to place students in entry-level internships in the Silicon Valley and San Francisco tech industries. For more information, contact Nick Langhoff at (650) 738-4249 or langhoffn@smccd.edu.

Teacher Track
The Teacher Track Learning Community, open to all students, provides a rewarding, supportive academic learning experience for those interested in a career in Education, either with young children, elementary school-age, or special education. The ECE/EDUC program offers courses connected with hands-on experience at the Skyline College Child Development Laboratory Center (CDLC) http://skylinecollege.edu/childdevelopmentcenter/. Students may select a schedule that includes M/W courses paired with T/Th morning internship hours at the CDLC, or T/Th courses paired with a M/W morning internship. Both schedules include a one-unit course, ECE. 331 – The Role of the Teacher. Courses in this program have a section designator of TE. Students can choose this cohort for one or two semesters. Students are assisted in applying for California’s Child Development Teaching Permit at the Assistant Teacher level after completion of one semester, or the Associate Teacher level permit after completing two semesters. Contact Kristina Brower, Program Services Coordinator at brower@smccd.edu or call (650) 738-4304, and visit the program’s website at http://www.skylinecollege.edu/earlychildhoodeducation.

**ART (ART)**

(See also: FILM.)  
Art activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

---

**Note:** A computerized checking system is in place to enforce any stated prerequisites. See page 27 for more information.
Art activity courses are offered in levels by progression. Courses are listed by title; for example, Black and White Photography, Ceramics, etc, and then by level. Level I is beginning; Level II is intermediate; and Level III is intermediate/advanced.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

Automotive Course Repeatability: Course repeatability for those who have taken and passed an automotive course in the past is possible if you fall within the guidelines. You may repeat a previously passed automotive course if it has been longer than 36 months, if it is required by your employer or for employment, or if it is needed to pass certifications tests such as ASE certification or state automotive licensing. For more details refer to the “Course Repetition” section under “Policies” in this schedule. To find out more on how to petition to repeat an automotive course under these guidelines please contact Tom Broxholm at: (650) 738-4131 or broxholm@smccd.edu.

**DRAMA (DRAM)**

Drama activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

## Classes

### Subject: Environmental Science and Technology (ENVS)

#### ENVS 100 Introduction to Environmental Science
Recommended: Eligibility for ENGL 846 or ESOL 400, or equivalent. Students enrolling in this section will be required to do Honors-level work. ENVS 100 BH (CRN 95070) is held simultaneously with a non-Honors section of the same course. Honors section does not give the student the right to change registration into the non-Honors section associated with it. Changes in the student’s schedule will follow regular procedures: (1) you may drop a class at any time until the last date to withdraw, or (2) classes may be added only during the late registration period provided that there is room in the class. Students wishing to switch sections will go to the bottom of the waitlist for full sections. Transfer: UC; CSU (B2).

KABABAYAN PROGRAM
(Refer to course listings under LEARNING COMMUNITIES, beginning on page 38.)

KINESIOLOGY

As a result of changes to Title 5 regulations, Kinesiology and Dance activity courses are no longer repeatable. Kinesiology and Dance activity courses are now offered in levels by progression. Courses are listed by title; for example, Basketball, Tennis, Ballet, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Tennis course would be listed as INDV 251.1, Tennis I, while an advanced Tennis class would be listed as INDV 251.4, Tennis IV.

Course levels may be scheduled simultaneously. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level.

Students are now limited to a maximum of four courses that are related in content and considered a family. A family may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the changes) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

For information about these changes, what courses constitute a family, or if you are not able to enroll in a class, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, at (650)738-4271 or morelloj@smccd.edu. You can also refer to the Skyline College website at http://skylinecollege.edu/physedkinesiology for information.

New Course Curriculum Regulations

Kinesiology and Dance courses are no longer repeatable due to recent changes in regulations. Courses are now offered in levels by progression, and are listed by title and then by level:

- Level I is beginning
- Level II is intermediate
- Level III is intermediate/advanced
- Level IV is advanced

New students are advised to enroll at Level I and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level. Course levels may be scheduled simultaneously.

Students are now limited to a maximum of four courses that are related in content and considered a family.

For information or assistance about enrolling and the new regulations, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, or visit:

**Interactive Cardiovascular Fitness**

Utilize technology to make yourself fit!

Interactive Cardiovascular Fitness is an online fitness course utilizing technology to verify performance via self-reported cardiovascular activities, including online assignments, testing and discussion. Students will learn to improve fitness through the use of cardiovascular activities such as walking, jogging, running or hiking. Students at all levels of fitness can participate.

To participate in this course, the Nike + Run Club application on either a GPS enabled iPhone or Android based device is required. Please contact the instructor with any questions.

**Benefits:**
- Feel more alert and concentrate better when studying or at work
- Have more energy
- Enjoy a better quality of life
- Receive feedback via technology about performance
- Be able to engage in activity around your schedule

**Contact:** Kevin Corsiglia at corsigliak@smccd.edu

Supplemental Instruction (SI)

What is SI?

Supplemental Instruction is a free academic assistance program designed to help students succeed in historically difficult courses. SI Leaders, students who have already passed the class, lead weekly voluntary study sessions for these classes.

How does SI work?

SI Leaders attend class meetings, work with the instructors, and hold study sessions 1-3 times per week. Most SI sessions take place either before or after class, but meeting times are flexible.

Why you should attend:

- Develop a better understanding of course material
- Develop more effective ways of studying
- Prepare for tests, quizzes, presentations, papers and more
- Interact with other students in your class and build community
- Finish the course and get better grades

*Look for SI in the WebSchedule!

LEARNING SKILLS (LSKL)

Supplemental Instruction

Supplemental Instruction (SI) is a voluntary academic assistance program that utilizes peer-led group study to help students succeed in traditionally difficult courses. SI sessions are led by Skyline College students who have previously completed the course successfully and have received SI training.

Supplemental Learning Assistance

Supplemental Learning Assistance is a required academic assistance program for certain courses and learning communities. LSKL courses are linked with specific ENGL and MATH courses.

Supervised Peer Tutoring

Free peer tutoring is available to students in a variety of subjects at the Learning Center. Students must be enrolled in LSKL 803 to receive tutoring.

Interested in Becoming a Tutor?

The first step to becoming a peer tutor in the Learning Center is to register for LSKL 110, the tutor training course. Students completing LSKL 110 will receive course credit and earn the first step toward a CRLA Level 1 tutor certificate. With your CRLA certificate you will be eligible to work in The Learning Center as a tutor, as the budget permits.

LSKL 110 EFFECTIVE TUTORING AND PRACTICUM

Recommended: Eligibility for ENGL 100 or ENGL 105, or equivalent; and completion of MATH 120, or MATH 122 and MATH 123, with a grade of C or better, or equivalent. Transfer: CSU.

**MATH 200 ELEMENTARY PROBABILITY & STATISTICS**

Prerequisite: Completion of MATH 120, MATH 123 or MATH 190, or appropriate placement test score and other measures as appropriate, or equivalent. **NOTE:** This course is designed primarily for students in the ASTEP Learning Community, but is open to all eligible students. **NOTE:** MATH 200 BH (CRN 89879) and MATH 200 CH (CRN 95795) are designed primarily for students in the Honors Transfer Program, but are open to all eligible students. All students enrolling in these sections will be required to do Honors-level work. These sections are held simultaneously with a non-Honors section of the same course. Students are advised that registration in an Honors section does not give the student the right to change registration into the non-Honors section associated with it. Changes in the student's schedule will follow regular procedures: (1) you may drop a class at any time until the last date to withdraw, and (2) classes may be added only during the late registration period provided that there is room in the class. Students wishing to switch sections will go to the bottom of the waitlist for full sections. Transfer: UC; CSU (B4).

MUSIC (MUS.)

(Dance courses are offered through the Physical Education Division.)

Music activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Music activity courses are offered in levels by progression. Courses are listed by title; for example, Piano, Guitar, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Piano class would be listed as MUS. 301, Piano I while an advanced Piano class would be MUS. 301.4, Piano IV. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

**Connect to careers in the Networking/Electronics Education and Training Center**

Learn in our new state-of-the-art Networking/Electronic laboratories with industry-standard equipment and design. Gain skills and training in the fast-paced world of computers and network infrastructure.

Earn $40-$50k per year or more:
- Wiring and Installation Technician
- Fiber Optic Installation Technician
- PC Support Technician
- Network Technician/Engineer
- Network Security Support Technician
- Network Systems Administration

This industry-backed, hands-on program is designed to keep students current with changing technology of cyber-security, mobile and wireless devices. Developed in direct response to the needs of the industry, the program focuses on the skills employers want.

**Degrees and certificates offered:**
- Network Engineering A.S. Degree
- Network Engineering Certificate
- Skill Endorsements
- CompTIA and vendor certification

**On the job:**
Internships are available for advanced students.

Prerequisite: Completion of PHYS 250 and completion of MATH 252 or equivalent. NOTE: PHYS 270 BH (CRN 95756) and PHYS 270 CH (CRN 95469) are designed primarily for students in the Honors Transfer Program, but are open to all eligible students. All students enrolling in these sections will be required to do Honors-level work. These sections are held simultaneously with non-Honors sections of the same course. Students are advised that registration in an Honors section does not give the student the right to change registration into the non-Honors section associated with it. Changes in the student’s schedule will follow regular procedures: (1) you may drop a class at any time until the last date to withdraw, and (2) classes may be added only during the late registration period provided that there is room in the class. Students wishing to switch sections will go to the bottom of the waitlist for full sections. Transfer: UC; CSU (B1, B3).

Online Classes

What should I know about Distance Education (DE) courses at Skyline College?
The San Mateo County Community College District is committed to providing students and the community access to transfer education and workforce training through career/technical programs. Skyline College provides such access through Distance Education. Through Distance Education courses, all students will have access to earning associate degrees, credit for courses that satisfy transfer course requirements, and career/technical education. These courses are designed to give students greater freedom of scheduling, but they can require more self-discipline and as much time and effort as on-campus classes. For new or first-time DE students, please keep in mind the following:

- Online courses are recommended for students who can work well independently and have solid study skills and self-discipline.
- Online courses have parity with courses taught in the classroom and are transferable to most four-year colleges and universities.
- Students enrolled in online courses have the same status as students enrolled in on-campus courses.
- Online courses require as much time and effort as on-campus courses, yet give students greater flexibility with their schedules.
- It is important to have reliable computer access and Internet in your home. If you do not, computers are available at Skyline College or through your local library.

All communication between student and instructor occurs through the student email system known as “My.SMCCD”. Information to set up and use the account can be found here: http://my.smccd.edu/

Skyline offers two different types of distance learning, Online or Hybrid courses.

Online Courses
Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of computer technology. The course is conducted through Skyline’s Learning Management System called Canvas. The course may include text and sound and video links, in addition to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication, and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or by other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

Hybrid Courses
Hybrid courses are those that substitute 51% to 99% of face-to-face instructional hours with online work, and have some regularly scheduled on-campus meetings without alternative distance education means of student participation.

We Respect Your Privacy
Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.

Online/Hybrid courses will be taught in Canvas. Detailed information on Canvas and which courses will be taught in Canvas during the fall is available on the Skyline College Distance Education homepage:

**BOOKSTORE**

Course materials, books and supplies may be purchased at the Skyline College Bookstore or online at [www.skylinecollege.edu/bookstore](http://www.skylinecollege.edu/bookstore).

Textbook Information: Students may find information about the textbooks for the courses in which they are enrolled by logging into WebSMART or going to [www.skylinecollege.edu/bookstore/coursematerials](http://www.skylinecollege.edu/bookstore/coursematerials).

Please visit the Bookstore’s website at [www.skylinecollege.edu/bookstore](http://www.skylinecollege.edu/bookstore) or call the Bookstore at (650) 738-4211 for store hours, book sell back hours, or more information.

**DIGITAL TEXTBOOKS – INCLUSIVE ACCESS**

The Inclusive Access – Digital Textbooks program is a new textbook model created in collaboration with top publishers and the bookstore that converts books into dynamic digital content that lowers the cost of course materials for all students in the course using this.

The digital content also includes Interactive Learning Platforms, interactive abilities with CANVAS, and other benefits:

- Automatically billed to your WebSMART account at the beginning of the semester for enrolled students
- Discounted access for digital content
- Discounted print book upgrade (if available) at the bookstore

To opt out and not participate in the program for courses that are part of the Inclusive Access program, please visit the Skyline College Bookstore website at [http://bookstore.SkylineCollege.edu](http://bookstore.SkylineCollege.edu), click on Inclusive Access, and follow the instructions on that page.

**CALWORKS PROGRAM**

Skyline College provides support services to students who are receiving CalWORKs/TANF (cash assistance) benefits. Support services to eligible students include individualized counseling, career and transfer planning, priority registration, job development assistance, work study, transportation assistance, and welfare-to-work advocacy. The CalWORKs office is located in Building 2, Room 2-2212. For more information, please email [Murilloj@smccd.edu](mailto:Murilloj@smccd.edu), or call (650) 738-4171.

**CARE – COOPERATIVE AGENCIES RESOURCES FOR EDUCATION**

Cooperative Agencies Resources for Education (CARE), a program within EOPS, is specifically designed for EOPS students who are single heads of household, who have a child under 14 years of age, and who are receiving CalWORKs/TANF for their children. CARE provides additional support services over those provided by EOPS, such as transportation assistance, vocational grants, school supplies, and special workshops designed to meet the needs of CARE students. The CARE office is located in Building 2, Room 2-2212. For more information, please email [Murilloj@smccd.edu](mailto:Murilloj@smccd.edu), or call (650) 738-4171.

**CAREER SERVICES CENTER**

The Career Services Center offers a wide variety of services and resources to assist students with their individual career goals. We encourage students to explore career options by taking advantage of our comprehensive career services:

- Career and academic counseling
- Career assessments and interpretations
- Workshops that address career research and job search skills
- Job and internship postings at [www.skylinejobs.com](http://www.skylinejobs.com)
- EUREKA, a computer-based California Career Information System
- Employment and internship services

The Center is located in Building 1, Room 1219B, (650) 738-4337. Visit [www.skylinecollege.edu/careercenter](http://www.skylinecollege.edu/careercenter) or email [skycareers@smccd.edu](mailto:skycareers@smccd.edu).

**CHILD DEVELOPMENT LAB CENTER – CHILD CARE SERVICES**

The Skyline College Child Development Lab Center (CDLC), located in Building 14, is a laboratory program that provides a comprehensive child care and early education program for students, staff, and faculty of Skyline College and community members. The program provides the following services for children from infancy until entry into kindergarten: child care and early education experiences from 7:30 am – 5:00 pm during the regular academic year, three nutritious daily meals, observation and assessment of children’s typical development, resources and referrals for a wide variety of supports for children and families, parent information and workshops on topics relevant to families with young children, and home visits/conferences to discuss children’s development and school readiness skills. The Skyline College Child Development Lab Center is partially funded by the California Department of Education and income-eligible families may receive child care subsidies. For more information, call (650) 738-7070.
COUNSELING SERVICES

The Counseling Division at Skyline College is designed to assist individuals in all aspects of their development as students and help them accomplish their goals. Career and educational counseling services are emphasized. A counselor can help students establish both short and long range goals and provide them with information about courses and programs that transfer to four-year colleges and universities. Counselors assist students in developing an individual Student Educational Plan (SEP), which maps out courses that will be taken over a number of semesters and serves as a guide to achieving goals. All students are required to have an SEP on file once they have completed 15 units at Skyline College. Assistance with students’ personal and social concerns is also available.

Counseling appointments are made in the One-Stop Student Services Center, Building 2, or by calling (650) 738-4318.

DISABILITY RESOURCE CENTER

Skyline College’s Disability Resource Center (DRC) is designed to equalize the educational opportunities of students with verified disabilities. Services include, but are not limited to, Learning Differences Assessment, ASL interpreting, registration assistance, extended time testing, lockers, adaptive physical education classes, adaptive computer classes and software, and alternate formats of textbooks.

Skyline College and the DRC program are committed to providing services that will enhance the educational experience of its disabled student population. For a more detailed description of the Disability Resource Center, stop by the DRC, Building 5, first floor, Room 5132, call (650) 738-4280, or email skydrc@smccd.edu.

ENROLLMENT OR DEGREE VERIFICATION

Verification may be accessed and printed as a free service to students. Access Enrollment/Degree Verifications from the Student Records Menu at https://websmart.smccd.edu.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)

Extended Opportunity Programs and Services (EOPS) is a program of support services designed to improve access, retention and completion of educational goals for students who are low income and educationally disadvantaged. EOPS students have the potential to succeed in college but have not been able to realize their potential because of economic and/or educational barriers.

EOPS offers a variety of services such as:

- Counseling in English and Spanish
- Transfer assistance to four-year colleges and universities
- Book Service Program
- Priority registration
- Calculator/Chromebook/SmarTpen Loan Programs
- UC and CSU application fee waivers for transferring students

The EOPS office is located in Building 2. For additional assistance call (650) 738-4139, visit the EOPS web page at http://www.skylinecollege.edu/eops, or send an email to skyeops@smccd.edu.

FOOD SERVICE

SKY CAFÉ

Located in the Fireside Dining Room of Building 6 and operated by the friendly and experienced staff of Pacific Dining, Sky Café offers burgers, fresh deli sandwiches, Mexican fare, salads, fresh baked goods and much more.

Sky Café also offers catering services for on-campus meetings and events. For more information, please visit www.skylinecollege.edu/foodservices or contact Rick McMahon at Rick@Pacific-Dining.com or (408) 406-8487 for your catering needs.

WORLD CUP COFFEE & TEA

Located in the Fireside Dining Room of Building 6 and operated by the friendly SMCCCD Bookstores staff, World Cup Coffee & Tea is a great place to warm up with a Starbucks coffee drink on a cold day, to cool down with a Tazo iced tea on a hot day, or to meet with friends and study.

World Cup Coffee & Tea is also available for small on-campus catering events. Visit our website at www.skylinecollege.edu/bookstore/worldcup for our catering form and operating hours.
FOSTER YOUTH PROGRAMS AND SERVICES

The Guardian Scholars Program’s purpose is to create a network of support that will meet the academic, social, emotional, and financial needs of college-bound students who are transitioning out of the foster care system. For more information regarding programs and services for Foster Youth, please contact the Guardian Scholars Program at (650) 738-4418 or via email at holidayt@smccd.edu. For inquiries pertaining to Financial Aid, please contact Regina Morrison at (650) 738-4350 or via email at morrison@smccd.edu.

GRAPHIC ARTS & PRODUCTION

Located in Building 5, Skyline College Bookstore’s Graphic Arts & Production (GAP) department offers high quality photocopying (black & white and color), production, and faxing at great prices to the Skyline College and SMCCCD community.

For operating hours or more information, please visit our website at www.skylinecollege.edu/bookstore/GAP. For pricing information or a quote, please contact GAP at (650) 738-7014 or email at skygap@smccd.edu.

HEALTH SERVICES

The Health Center provides health care services, referral services, and health educational information to students and staff. For a complete list of services offered, please visit www.skylinecollege.edu/healthcenter.

Emergency and accident insurance coverage is in effect when students are on campus or attending college-sponsored events. Students are encouraged to carry their own health and dental insurance. Low cost medical and dental insurance are available for purchase through the College Health Center.

The Skyline College Health Center is located in Building 2, Room 2205. College Health Center personnel are available to assist you with any health issues. Feel free to drop in, or call (650) 738-4270.

PSYCHOLOGICAL SERVICES

Psychological Services offers confidential short-term, individual personal counseling to all currently enrolled Skyline College students. Counseling can help students address and manage personal issues, alleviate distressing symptoms, make positive changes, and transition into college life. All sessions are confidential and provided by licensed mental health professionals. Community referrals, assessments, consultation, and crisis intervention services are also available through the Psychological Services department.

Appointments can be at the Health Center in Building 2, or by calling (650) 738-4270.

HERMANOS/HERMANAS PROGRAM

Hermanos, which means “brothers,” and Hermanas, which means “sisters,” in Spanish, is a transitional program for Latino high school students that addresses their academic, psychological and social needs (while still in high school) through connecting with family, academic support, mentoring, and resources. Its goal is to increase educational opportunities for Latino and Latina students and to enhance the successful transition from high school to college.

For more information contact Hermanos/has Program Counselor/Instructor Lucy Perez at perezl@smccd.edu, Program Coordinator Liliana Rivera at riveral@smccd.edu, Alberto Santellan at santellana@smccd.edu or call (650) 738-4318.

HONOR SOCIETIES

PHI THETA KAPPA (ACADEMIC HONOR SOCIETY)

Eligible students may join Skyline College’s chapter of the Phi Theta Kappa honor society. Members receive recognition on their transcript and are eligible for transfer scholarships. Members have opportunities to develop and use leadership skills. Go to www.skylinecollege.edu/bo for further information and an application.

KAPPA BETA DELTA (BUSINESS HONOR SOCIETY)

Kappa Beta Delta is the international Honor Society for Accreditation Council of Business Schools and Programs (ACBSP) accredited two-year Business Programs. The purpose of Kappa Beta Delta is to encourage and recognize scholarship and accomplishment among students pursuing business degrees. Students who have completed 15 units at Skyline College with a GPA of 3.4 and be in the upper 20 percent of their class and have taken a minimum of three appropriate business-degree courses are eligible for life-time membership.

Members may participate in a variety of leadership, scholarship, fellowship, and service activities. Members are also eligible for International and Local Kappa Beta Delta scholarships. For additional information see the Kappa Beta Delta webpage at www.skylinecollege.edu/kappabetadelta/ or email at whitten@smccd.edu.
INCLUSIVE ACCESS

The Inclusive Access – Digital Textbooks program is a new textbook model created in collaboration with top publishers and the bookstore that converts books into dynamic digital content that lowers the cost of course materials for all students in the course using this.

The digital content also includes Interactive Learning Platforms, interactive abilities with CANVAS, and other benefits:

INTERNATIONAL STUDENT PROGRAM

Skyline College is authorized under Federal Law to enroll non-immigrant international students. This program serves students possessing or seeking F-1 student visas. Skyline College participates in the Student Exchange and Visitor Information System (SEVIS). All information regarding international students is processed through SEVIS.

Foreign students interested in attending Skyline College must complete the Skyline College International Application at www.skylinecollege.edu/international/. Applicants are required to submit original documents in English or certified English translations that demonstrate satisfaction of the following requirements:

1. Provide proof of completion of the equivalent of a United States high school education.
2. Provide all official high school transcripts and college transcripts.
3. Submit an Original Financial Data Form and Bank Verification of Funds. All bank documents must be current, written in English, include the amount in U.S. Dollars, and must include a signature from a Bank Official. Estimated college expenses are $23,000.00 US Dollars. Fees are subject to change.
4. Submit an original copy of the Test of English as a Foreign Language (TOEFL) Score Report. A minimum score of 480 (paper-based) or 56 (internet-based) is required. Information about TOEFL can be obtained from www.ets.org/toefl. The Test Code Number for Skyline College is 4647.

Complete the International English Language Testing System (IELTS). A minimum qualifying level of Band 5.5 is required for admission. Information about IELTS can be obtained from www.ielts.org. Please have your IELTS test results sent directly to Skyline College.

5. Copy of your Passport Bio-Page.
6. Application fee of $50.

For applicants attending U.S. schools, please attach the following:

Students accepted into the International Student Program will be expected to enroll in and complete a minimum of 12 units each semester with a minimum of a “C” (2.0) grade point average to remain in good standing. All students must attend a mandatory orientation. Contact the International Student Program, (650) 738-4430/7021/7179, in Building 4, Rooms 4-256 or 4-258 for more information.

THE LEARNING COMMONS

The Skyline College Learning Commons brings together the functions of the Library and the Learning Center into a unified, technology enhanced academic support space for students in Building 5.

THE LEARNING CENTER

The Learning Center (TLC) is a flexible learning environment providing academic support for students in all Skyline College courses through workshops, instructional technology, tutoring, and lab-based courses. The goal of the TLC is to offer students opportunities to learn more quickly and effectively and with greater confidence. Accordingly, the TLC provides alternative means of instruction that address students’ diverse learning preferences and styles. The TLC also offers a comprehensive program of individual and small group support for all levels of English, ESL, reading and math, and provides tutoring in a variety of academic subject areas. The Learning Center includes the following: Writing/Reading Lab, Math Assistance Lab, ESOL Lab, Computer Lab, TRIO/Student Support Services, online tutoring, and supplemental instruction.

For more information about The Learning Center, please call (650) 738-4144 or stop by the Center in Building 5, Room 5100 (below the Library). For up to date hours of operation and detailed information about TLC programs and services, visit us at our website: www.skylinecollege.edu/learningcenter.
LIBRARY
Skyline College Library, which occupies the second floor of Building 5, features electronic resources as well as a book collection of 53,000 volumes and subscriptions to 125 magazines, journals and newspapers. Through a wide area network, students have access to the Internet, the Peninsula Library System (PLS) online catalog, and periodical and research databases, including eBook and streaming video collections, all of which may be accessed remotely. The Library’s web address is www.skylinecollege.edu/library.

The Library also has six group study rooms, numerous study carrels providing privacy for individual work, and a computer lab for class research workshops.

Borrowing privileges are extended to all students presenting a library card; the Library will issue cards to students with appropriate identification.

Contact information: (650) 738-4312 (reference), (650) 738-4311 (circulation).

Hours are Monday through Thursday, 8:00 am to 9:00 pm; Friday, 8:00 am to 4:00 pm; Saturday, 1:00 pm to 5:00 pm and closed on Sunday.

STUDENT LIFE
ASSOCIATED STUDENTS OF SKYLINE COLLEGE (ASSC) (STUDENT GOVERNMENT)
As a student enrolled at Skyline College, you are also a member of the Associated Students of Skyline College (ASSC). The ASSC Governing Council (Student Government) is the elected body that represents all Skyline College students and helps ensure that students have a voice in the College’s and District’s decision making processes. As your representative, the ASSC Governing Council encourages students to be actively involved in student government.
Students who participate in ASSC Governing Council represent a variety of ages, backgrounds, interests and academic majors. Some students have had previous experience in student government, but many are looking for the opportunity to gain valuable leadership, planning and communication skills.

The ASSC Governing Council coordinates and facilitates the following activities: lobbying at the state and federal level, planning activities, adopting and supervising the ASSC budget, participating in college committees, and sharing in the development of college policies. The ASSC also sponsors a wide variety of cultural, social and educational events throughout the year, for example, a Welcome Week at the beginning of the Fall semester.

For complete information regarding the ASSC Events Calendar, check out www.facebook.com/skylineASSC. Contact the ASSC at (650) 738-4327, or stop by the Center for Student Life & Leadership Development, Building 6, Room 6-212.

How can I become an officer of the ASSC Governing Council?

The ASSC Governing Council is always looking for students who wish to take on leadership responsibilities. If you are interested in political activism, increasing cultural awareness, and developing communication and leadership skills, please visit the Center for Student Life & Leadership Development, Building 6, Room 6212, for an application and additional information.

Students interested in Student Government appointments or elections can find additional information at www.skylinecollege.edu/studentgovern/.

STUDENT BODY CARD

The student body fee and other fund raising activities support the ASSC and help fund scholarships, educational and social programming, and many other worthy facets of campus life. Students who pay the student body fee are entitled to a student body card. The student body card provides discounts at campus events and at quality local businesses. The card is available throughout the fall and spring semesters. To obtain your student body card, present a valid picture identification card or passport at the Center for Student Life & Leadership Development, Building 6, Room 6212.

CAMPUS CLUBS AND ORGANIZATIONS

A wide variety of leadership and volunteer opportunities are available within campus clubs and organizations. Becoming part of a campus organization is a great way to enhance your experience at Skyline College. These groups focus on a wide variety of student interests such as career options, academics, social events, political service and religion. Students are also encouraged to start new clubs and organizations to suit their interests. For more information regarding student groups, contact the Center for Student Life & Leadership Development.

If you would like additional information regarding student groups, check out the Club and Organizations web page at www.skylinecollege.edu/centerforstudentlife/clubs.php.

CENTER FOR STUDENT LIFE & LEADERSHIP DEVELOPMENT

The Center for Student Life & Leadership Development, located in Building 6, Room 6212, is an excellent resource center for students interested in developing their leadership skills, participating in student government and campus activities. Student life includes clubs, speakers, theatrical events, forums, publications, food drives, community outreach, and many other worthwhile and exciting activities. The Center for Student Life & Leadership Development also serves as the facilitator for the annual Commencement Ceremony. For additional information, please call the Center for Student Life & Leadership Development at (650) 738-4275.

Housing

Skyline College does not provide campus housing. The College occasionally receives calls and rental listings from rental agencies, landlords or individuals who are looking for roommates. All of the rental information that we receive is posted on the second floor of Building 6. For posting rental information, please contact the Center for Student Life & Leadership Development, (650) 738-4275.

Event Planning

All student clubs and organizations that want to host a special event, hold a fundraising event, sell products, or distribute information must make a space reservation at the Center for Student Life & Leadership Development by calling (650) 738-4275 or www.skylinecollege.edu/centerforstudentlife/eventplanning.php. Please note that facilities reservations must be made at least four weeks in advance of the event.
Vending Complaints and Refunds

All complaints regarding vendor service or malfunctioning vending machines and refund requests should be reported to the Center for Student Life & Leadership Development during regular business hours.

THE SKYLINE VIEW (STUDENT NEWSPAPER)
The Skyline View is an award-winning, student-run print and online newspaper that covers the campus community and is produced by the journalism students of Skyline College. As a First-Amendment protected publication, the paper functions as an open forum, providing the campus community several opportunities for expression, including guest opinion columns, letters to the editor, and advertising.

Students who would like to gain practical experience in creating and producing a newspaper—both in its print and online versions—and who would like to be a part of the editorial staff may sign up for Journalism 320: Beginning Newspaper Staff. Students are encouraged to explore Skyline College’s journalism course offerings for additional opportunities. For more information, please contact The Skyline View advisor, Nancy Kaplan-Biegel, at (650) 738-4297, or at kaplann@smccd.edu. Visit The Skyline View online at www.theskylineview.com.

STUDY ABROAD PROGRAM
The San Mateo County Community College District Study Abroad Program is the district-wide study abroad program. Housed at Skyline College, the program serves students and the community by providing affordable semester and short-term study abroad opportunities for academic credit and a not-for-credit community travel program. Past study abroad destinations include Barcelona, China, Cuba, Florence, Guatemala, London, and Paris. Scholarships are available for students to apply. Students interested in studying abroad should explore current study abroad opportunities at www.smccd.edu/studyabroad. For more information or to schedule a study abroad advising appointment, please email studyabroad@smccd.edu or call (650) 738-7098.

TRANSCRIPTS

OFFICIAL TRANSCRIPTS
A transcript is an official record of a student’s academic work at Cañada College, the College of San Mateo and Skyline College. A single transcript will contain a student’s work from all three colleges in the San Mateo County Community College District (SMCCCD). You will need to only request one transcript if you attended multiple colleges in this District.

SMCCCD has enlisted the help of Credentials Solutions to manage student records. Credentials Solutions will now provide transcript order, printing, and delivery service. Their “TranscriptPlus” feature will allow you to request transcripts at any time, on any day of the week.

On behalf of SMCCCD, Credentials Solutions will have the authority to fulfill all electronic transcript requests and respond to related inquiries. All PDF transcripts produced through the electronic transcript process are identical to paper transcripts. These PDFs can be certified as unaltered by visiting the website provided during the delivery process.

• Students are initially entitled to two free transcripts, thereafter, transcripts are $5 each.
• Most transcript requests are processed within one business day. Transcript request will not be processed if there is a financial or other type of hold on your account.
• Transcripts are sent electronically or mailed using U.S. first-class mail.
• Orders are placed through the WEBSMART student portal at websmart.smccd.edu.
  – Log in to your account and select Student Records, then Request Official Transcripts
  – If you attended Cañada, College of San Mateo or Skyline prior to the summer of 1981, use the TranscriptPlus icon to complete your transcript request

UNOFFICIAL TRANSCRIPTS
Students with academic records after the Summer 1981 term can view and print unofficial transcripts online:

• Log in to your WEBSMART student account at websmart.smccd.edu
• Select Student Records, then Request Unofficial Transcript.
• Verify or enter your email address and select continue.

Additional information regarding Transcripts can be found at skylinecollege.edu.
**TRANSFER CENTER**

The Transfer Center provides comprehensive transfer services, resources, activities and events. Transfer assistance includes:

- Application and informational workshops
- University tours
- Transfer Fairs and events
- Visits from university representatives
- Transfer Admission Guarantee programs
- Transfer and articulation information
- Access to computers for college research

Sign up to be on the transfer mailing list to keep informed about on/off campus transfer-related events, activities and resources. Transfer information and a calendar of ongoing events are posted on the Center's webpage at [www.skylinecollege.edu/transfercenter](http://www.skylinecollege.edu/transfercenter). Please visit us in Building 2, Room 2227, or call (650) 738-4232 if we can be of assistance.

**TRIO STUDENT SUPPORT SERVICES (SSS)**

TRiO SSS provides academic support and comprehensive service to students whose goal is to earn a certificate and/or graduate with an associate degree, and transfer to a four-year college or university. TRiO services include:

- Academic, transfer, personal and career counseling
- Transfer and academic planning
- Priority registration
- Tutoring
- Study groups
- Financial literacy
- Scholarship support
- Assistance in completing financial aid and scholarship applications
- Visits to four-year colleges and universities
- Mentoring and Academic Coaching support
- TRiO Student Club
- And MORE

TRiO also sponsors a Professional Development and Leadership Program to enhance students’ skills, provide opportunities for students to assist one another and the program, apply the knowledge they learn, and build their resumes.

To qualify for TRiO, students must meet at least one of the following eligibility criteria: be first generation, low-income, or have a documented learning difference or physical disability. To apply, complete an application on our website or in person at the TRiO office located in Building 5 (inside the Learning Center). For general information about TRiO, call (650) 738-4144 or visit our website: [www.skylinecollege.edu/trio](http://www.skylinecollege.edu/trio).

COURSE REPETITION

A “course repetition” occurs when a student who has previously received an evaluative symbol (i.e. A, A-, B+, B, B-, C+, C, D+, D, D-, F, W, P/NP, CR/NC, RD, I) in a credit course, re-enrolls in that course and receives an evaluative symbol OR attempts a course and receives an evaluative or non-evaluative symbol for the course and wishes to enroll again in the same course. All course attempts in a student’s academic record count toward this enrollment limitation.

COURSE REPETITION TO ALLEVIATE SUBSTANDARD WORK

1. A student who has earned a substandard grade (i.e., D+, D, D-, F, NP, NC) in a course that is not designated as repeatable may repeat the course to improve the grade. To alleviate substandard work, a “course attempt” occurs when a student receives an evaluative or non-evaluative symbol for the course. All course attempts in a student's academic record count toward this enrollment limitation.

2. When a student repeats a course to alleviate substandard academic work (i.e., D+, D, D-, F, NP, NC), the previous (i.e., last) grade and credit will be disregarded in the computation of grade point averages. A student may attempt a course a maximum of three times. A “W” counts as a course attempt. A fourth attempt may be permitted if the student meets one of two criteria:

- **Significant Lapse of Time:** at least 36 months has elapsed since the student was awarded the grade in the course (at the end of term).

- **Extenuating Circumstances:** Extenuating circumstances are verified cases of accident, illness, natural disaster, or other circumstances beyond the control of the student. Grades awarded for courses repeated under these provisions may be included when calculating a student’s grade point average. Students must present a petition to the Admissions and Records Office and provide compelling documentation of the extenuating or extraordinary circumstances to justify such repetition.

COURSE REPETITION FOR SATISFACTORY WORK

When a student completes a course that is not designated as repeatable and receives a satisfactory grade (i.e., A, A-, B+, B, B-, C+, C, or Pass) in a credit course, the student may not repeat the course, unless there is another provision that allows the repetition. Examples of these provisions are described below:

Course Repetition for Significant Lapse of Time

1. A student may repeat a course in which s/he has received a standard grade (i.e., A, A-, B+, B, B-, C+, C, or Pass) after at least 36 months has elapsed since the student was awarded the grade in the course (at the end of term) and the District has established a recency prerequisite that applies to the course, or an institution of higher learning to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course.

2. The grade and units from the first course completion will be disregarded in the computation of grade point averages.

3. If a student needs to repeat an active participatory experience course in physical education or visual or performing arts, or an active participatory course that is related in content, due to significant lapse of time, that repetition shall be counted in applying the limit on repetitions set forth except that, if the student has already exhausted the number of repetitions permitted, and additional repetition due to significant lapse of time may be permitted. The student should submit a petition to the Admissions and Records Office.

Course Repetition for Students with Verified Disabilities Repeating a Special Class

1. A student with a verified disability may repeat a special class designated for students with disabilities any number of times when an individualized determination verifies that such repetition is required as a disability-related accommodation for that student. When a student with a disability repeats a class, the previous grade and credit shall be included in the computation of grade point averages.

2. Special classes are those instructional activities designed to address the educational limitations of students with disabilities who would be unable to substantially benefit from regular classes even with appropriate support services or accommodations.
Course Repetition for Variable Unit Courses

A student may enroll in a variable unit course as many times as necessary to complete one time the entire curriculum and unit value of the course. However, a student may not repeat any portion of a variable unit course that has already been completed and evaluated.

Course Repetition for Legally Mandated Courses

1. A student may repeat a course as many times as needed if it is required for a student to meet a legally mandated training requirement as a condition of paid or volunteer employment, regardless of whether the student received a substandard grade (i.e., D+, D, D-, F, No Pass). A student must present documentation to the Admissions and Records Office to certify that the course is legally mandated. Admissions staff will approve/disapprove the repetition.
2. A student may petition to repeat a course needed for employment or licensing because of a significant change in the industry or licensure standards. Student may take these courses any number of times. A student must present documentation to the Admissions and Records Office to certify that the course is needed because of a significant change in the industry or licensure standards. Admissions staff will approve/disapprove the repetition.

Course Repetition for Cooperative Work Experience Education

1. A student may repeat an occupational work experience course if the College only offers one course in occupational work experience in a given field and that course is not offered as a variable unit open-entry/open-exit course.
2. A student may repeat an occupational work experience course any number of times as long as the student does not exceed 16 units of cooperative work experience.

Course Repetition For Extenuating Circumstances

1. Under certain circumstances, students may repeat a course if extenuating circumstances justify a repetition. Students must provide documentation of the extenuating or extraordinary circumstances to justify such repetition. Extraordinary circumstances are similar to those that would justify the District in providing a student a refund.

Extenuating circumstances are verified cases of accident, illness, natural disaster, or other circumstances beyond the control of the student. Grades awarded for courses repeated under these provisions may be included when calculating a student's grade point average. Students must present a petition to the Admissions and Records Office. Students will be notified once a decision has been made.
2. A student may enroll for one additional attempt only if documentable extenuating circumstances exist that match the dates of the course for the previous enrollment. Examples of extenuating circumstances are fire, flood, accident/hospitalization, or other extraordinary documentable experience. Students must present a petition to the Office of Admissions. Students will be notified once a decision has been made.

COURSES RELATED IN CONTENT

1. The SMCCD has established related courses with similar educational activities (See #2 below.) Although a course cannot be repeated, a student may attempt up to four related courses. This limitation applies even if the student receives a substandard grade (i.e., D+, D, D-, F, NP, NC) or a “W.” Enrollment limitations are monitored District wide for related courses.
2. Students may attempt active participatory courses in physical education/kinesiology, and visual or performing arts where the course objectives are met by repeating a similar primary educational activity and an expanded educational experience occurs each time the course is attempted for the following reasons:
   a) The student’s skills or proficiencies will be enhanced by supervised repetition and practice within class periods and
   b) Active participatory experience in individualized study or group assignments is the method to learn the objectives.

GENERAL PROVISIONS REGARDING COURSE REPETITIONS

1. Courses that are repeated shall be recorded on the student’s permanent academic record using an appropriate symbol.
2. The permanent record shall be annotated in a manner that all work remains legible, insuring a true and complete academic history.
3. The District may claim the attendance of students for enrollments in credit courses for state apportionment.
4. Nothing in these procedures shall conflict with Education Code, Title 5 or District procedures relating to the retention and destruction of records.
REPEATABLE COURSES
Three types of courses are designated as repeatable:

1. **Intercollegiate Athletics**
   Courses in which student athletes enroll to participate in an organized competitive sport sponsored by the district or a conditioning course which supports the organized competitive sport.

2. **Intercollegiate Academic or Vocational Competition**
   a) Courses that are specifically for participation in non-athletic competitive events between students from different colleges may be designated as repeatable. The course must be tied to the student’s participation in the competition. The event must be sanctioned by a formal collegiate or industry governing body.
   b) Enrollment is limited to no more than four times. This enrollment limit applies even if the student receives a substandard grade or “W” during one or more of the enrollments in such a course or petitions for repetition due to special circumstances.
   c) When a course is repeated pursuant to this section, the grade received each time shall be included for the purposes of calculating the student’s grade point average.
   d) Apportionment shall be limited.

3. **Required by CSU or UC For Completion of a Bachelor’s Degree**
   Repetition of the course is required by CSU or UC for completion of the bachelor’s degree. Courses are limited to four attempts and this enrollment limitation applies even if the student receives a substandard grade or a “W.”

WITHDRAWAL/DROP
1. Withdrawal from a class MUST be initiated by the student through WebSMART. Students who are blocked from withdrawal due to Academic Standing may withdraw in-person at the Office of Admissions and Records.

2. **IMPORTANT WITHDRAWAL/DROP TIMELINES:**
   - **Drop with a refund**
     Semester-length
     Courses: First 2 weeks of instruction
     Short Courses: First 10% of instruction
   - **Drop without notation of the enrollment shown on record**
     Semester-length
     Courses: One day prior to Census Day
     Short Courses: Prior to completion of the first 30% of instruction
   - **Withdrawal with the notation of “W” shown on record**
     Semester-length
     Courses: From Census Day to before the last day of the 14th week of instruction
     Short Courses: Prior to completion of the first 75% of instruction

3. The academic record of a student who remains in class beyond the last day to withdraw will reflect a grade. A student who does not attend class and follow the established Withdrawal procedures may be assigned a failing grade of “F” by the professor.

STATEMENT ON PRIVACY
Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, reviews his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.

STUDENT RIGHT TO KNOW AND CAMPUS SECURITY ACT
Colleges are required to publish and make available certain crime statistics and completion rates. For crime statistics, contact the Public Safety Office, Building 6, or call (650) 738-4199, or check online at [www.skylinecollege.edu/publicsafety/securitystatistics.php](http://www.skylinecollege.edu/publicsafety/securitystatistics.php). For completion or graduation rates, contact the Public Information Office, Building 4, Room 329, or call (650) 738-4346.
STUDENT RECORDS
Privacy Rights of Students

The Family Education Rights and Privacy Act (Section 438, Public Law 93-380), as amended, requires educational institutions to provide access to official educational records directly related to the student and an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. These rights extend to present and former students of the college. The college must obtain the written consent of the student before releasing personally identifiable information, except to those persons or agencies specified in the Act. For more detailed information, consult the College Catalog or contact the Admissions and Records Office.

POLICY ON SEXUAL ASSAULT EDUCATION AND PREVENTION (Title IX)

In accordance with California Education Code, Section 67385.7, and District Rules and Regulations 2.29, the San Mateo County Community College District is committed to providing programs and services that educate all students, faculty and staff on the prevention of sexual assault. Any sexual assault or physical abuse, including but not limited to rape, domestic violence, dating violence, sexual assaults or stalking as defined by California law, whether committed by an employee, student, or member of the public, that occurs on District property, is a violation of District policies and procedures and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity and provided comprehensive assistance. In partnership with various community agencies, individuals who are victims of sexual assault or have concerns related to sexual assault shall receive support and assistance. Students, faculty and staff who need information or assistance related to sexual assault prevention, sexual assault services, and procedures related to the reporting of sexual assault incidents on campus may contact the Student Health Center, the Public Safety Dispatch at (650) 738-4199 or the Office of the Vice President of Student Services at (650) 738-4333.

POLICY AND PROCEDURES FOR SEXUAL HARASSMENT COMPLAINTS

The policy of San Mateo County Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of employment contract.

Pursuant to Title V of the California Education Code, the designated Officer for handling and investigating employee and student complaints of sexual harassment is the Vice Chancellor of Human Resources and Employee Relations. Copies of the complaint procedures, including procedures for both informal and formal resolution, can be obtained by contacting the Office of the Vice President of Student Services at (650) 738-4333 or the Office of Human Resources at the District Office, (650) 358-6767.

POLICY ON A DRUG-FREE CAMPUS

Skyline College, in compliance with the Federal Drug-Free Schools and Communities Act Amendments of 1989, prohibits the use, possession, sale or distribution of alcohol, narcotics, dangerous or illegal drugs or other controlled substances on College property or at any function sponsored by the District or Colleges.

Students found to be in violation of the drug-free campus policy will be subject to disciplinary actions up to and including suspension and expulsion.

MEDICAL MARIJUANA

The above policy includes the use of medical marijuana.

The Health Center provides information pertaining to the health risks and effects associated with alcohol and narcotics or other dangerous or illegal drugs. Students may be referred to various outside agencies for enrollment in a drug recovery program.
Skyline College is committed to providing its students, employees, guests, and children in the Child Development Center with a safe and healthy environment. Smoking is only permitted in designated areas in or near parking lots around campus. Designated areas are clearly marked and ashtrays are located nearby.

“Smoking” means engaging in an act that generates smoke or vapor, such as possessing a lit pipe, a lit hookah pipe, electronic cigarettes or other imitation cigarette devices, a lit cigar, or a lit cigarette of any kind.

The active participation and cooperation of all students, faculty, staff, and guests in promoting a healthy and safe environment at Skyline College is greatly appreciated. All college constituencies and guests are expected to observe the smoking policy. Tobacco-free resources are available in the Health Center, located in Building 2, Room 2209, (650) 738-4270, and on the Skyline College website. For additional information regarding the smoking policy and designated areas, please contact the Chief of Public Safety at (650) 738-4455.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

The Officer designated by the District to receive and investigate staff and student complaints of unlawful discrimination is the Vice Chancellor, Human Resources and Employee Relations, at (650) 358-6767. Additional information is located online at www.skylinecollege.edu/general/information/complaintprocess.php.

For complete Board Policies, please visit www.smccd.edu.

1 If the federal statutes cited above would result in broader protection of the civil rights of individuals then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of Title 5, section 59300, as cited in the Model Policy.

POLICY AND PROCEDURES FOR UNLAWFUL DISCRIMINATION COMPLAINTS

The policy of San Mateo County Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the District is also to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. To read the District policies go to www.skylinecollege.edu/general/information/complaintprocess.php.

POLÍTICA Y PROCEDIMIENTOS PARA QUEJAS POR DISCRIMINACIÓN ILEGA

La política del Distrito del Colegio Comunitario del Condado de San Mateo (San Mateo County Community College District) es proporcionar un ambiente educativo y laboral en donde a ninguna persona se le deberá negar ilegalmente el acceso total y equitativo a, los beneficios de la misma, o estar ilegalmente sujeto a la discriminación en base a la identificación con un grupo étnico, origen nacional, religión, edad, sexo, raza, color, descendencia, orientación sexual, o discapacidad física o mental en cualquier programa o actividad gestionada por, financiada directamente por, o que recibe cualquier asistencia económica por parte del Rector Estatal o la Junta de Gobernadores de los Colegios Comunitarios de California.

Además, la política del Distrito es proporcionar un ambiente educativo y laboral libre de avances sexuales inapropiados, solicitudes para favores sexuales, y otra conducta o comunicado verbal o físico que构成uya acoso sexual.
Los empleados, estudiantes u otras personas que actúan a nombre del Distrito y se involucran en la discriminación ilegal, como lo define la política o la ley estatal o federal, pueden estar sujetos a una acción disciplinaria, llegando hasta e incluyendo incluso el despido, la expulsión, o la terminación de un contrato.

El Funcionario designado por el Distrito para recibir e investigar quejas del personal y de estudiantes sobre la discriminación ilegal es el Vice-Rector, Recursos Humanos y Relaciones del Empleado, llamando al (650) 358-6767. Puede encontrar información adicional en línea visitando www.skylinecollege.edu/general/information/complaintprocess.php.

Para ver la versión completa de las Políticas de la Junta, visite por favor www.smccd.edu.

1 Si los estatutos federales citados anteriormente resultarían en una protección más extensa de los derechos civiles de los individuos, entonces dicha protección o cobertura más extensa deberá incorporarse por referencia dentro del mismo, y deberá prevalecer sobre disposiciones en conflicto del Título 5, sección 59300, como se citó en la Política Modelo.
Parking and Transportation

CAMPUSS INFORMATION

PARKING REGULATIONS

All persons parking on the Skyline College campus are responsible for knowing and following the college’s parking regulations. Complete parking regulations are also available online at www.skylinecollege.edu/parking.

All persons driving an automobile, truck or van who utilize campus parking facilities during scheduled class hours and final examination periods are required to pay a parking permit fee and display a campus parking permit in their vehicle at all times while parked on the Skyline College campus. (Vehicles with valid Disabled Placards or Disabled License Plates and motorcycles parked in designated parking are excluded from needing a permit to park.) Students enrolled exclusively in off-campus classes are exempt. The parking fee is $53.00 for fall and spring semesters and $26.00 for the summer session, or a two-term permit may be purchased for $96.00 (fall and spring together). These fees are nonrefundable except by action of the college. Parking permits may be transferred from one vehicle to another.

One day parking permits are available for $2.00 per day from coin/bill operated parking permit dispensers located in student parking lots A, C, F, G, L, N and P. There are visitor lots that have pay-by-space, timed parking in Lots D and M.

Students may pay for their parking permits at the time of WebSMART registration, online or in person at the Cashier’s Office.

Students may park in designated student parking lots only. Staff lots are marked with yellow parking lines and are reserved for Staff and Faculty only. Please refer to the campus map for parking lot locations. While parking in Skyline College campus parking lots, all students, staff, faculty and the general public must obey all campus, local and state regulations.

A parking permit is required inside the vehicle in order to park in any lot on campus other than a visitor lot. All Staff parking areas on the Skyline College campus are restricted to San Mateo County Community College District employees (excluding student aids, assistants or student workers while enrolled in the current semester). Vendors and contractors at the college may also park in staff parking lots with proper authorization and permit.

Parking spaces are available on a first-come, first-served basis. Therefore, a parking permit is not a guarantee of a parking space. Skyline College and the San Mateo County Community College District do not accept liability for vandalism, theft or accidents. Use of campus parking facilities is at the user’s risk. However, any such incidents should be reported to the Campus Public Safety Office, Building 6, Room 106, (650) 738-4199.

PARKING GRACE PERIODS

There is a two-week grace period in student parking lots only at the beginning of the fall and spring semesters. There is a one-week grace period in student parking lots only at the beginning of the summer session. The grace period does not apply to staff lots, disabled person parking and other restricted parking areas.

VISITOR PARKING

Visitors to the Skyline College campus may park in Visitor Lot D or Visitor Lot M. These visitor lots are pay-by-space meter parking. After parking the vehicle, the visitor notes the number of the parking space, enters the number into the meter, and deposits coin or currency. The receipt from a visitor parking permit machine does not have to be displayed in the vehicle. Visitor parking permits are valid ONLY in the respective visitor parking lot in which they are purchased. Daily permits, Staff/Faculty permits, and Student permits are not valid in visitor parking lots.

Visitors may also park in student lots if they have purchased a daily parking permit. For the location of daily parking permit machines, please refer to the campus map.

DISABLED PARKING

No student, staff, daily, patron or visitor parking permit required when displaying either a valid CA Disabled Person placard or license plates. Blue disabled person parking spaces have been provided in Lots D, G, J, K, L, M, P, R, S and in front of the Pacific Heights building. (see Campus Map). A vehicle must have and display either a valid California State Disabled Person Placard or California Disabled License Plates (both issued by DMV) to park. Temporary parking permits are also available with doctor’s verification. For further information contact the Disability Resource Center, Building 5, Room 5132, (650) 738-4280; Disability Parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones.

CAR/VAN POOL

PARKING APPLICATION PROCESS

Students who wish to participate in the Car Pool parking program can pick up an application at the Skyline College Public Safety Office. To qualify for the program, each student on the application must have paid for a semester or dual semester student parking permit(s). Each student must be enrolled in at least one class at Skyline College and there must be a minimum total of THREE students on the application.
The Public Safety Department is currently limited to 12 Car/Van Pool parking permits per semester. Each permit is valid only for the semester for which it is issued. The Public Safety Department will begin taking applications on the first day of every new semester. Permits are issued on a first come, first served basis upon submission of a fully completed permit application to the Public Safety Department.

**CAR/VAN POOL PARKING REGULATIONS**

Any vehicle parking in any Car/Van Pool parking stall without a visible Car/Van Pool parking permit issued by the Public Safety Department may receive a citation. Car/Van Pool parking permits are valid ONLY in designated Car/Van Pool parking spaces.

In order for a vehicle to park in a Car/Van Pool designated space, the vehicle MUST display a valid Car/Van Pool parking permit and a valid, student parking permit or valid daily parking permit, as well as have a minimum of two (2) occupants in the vehicle when it is parked. Car/Van Pool parking permits are valid only for the driver(s) and vehicle(s) listed on the application.

It is a violation of law to copy, duplicate, manufacture or otherwise reproduce Car/Van Pool parking permits as well as a violation of the Student Code of Conduct. Violators may be arrested and prosecuted for forgery and theft pursuant to California Penal Code sections 470 and 484, as well as face immediate student disciplinary action.

Car/Van Pool parking permits may not be transferred or loaned to another person or another vehicle that is not on the application. If a person displays a valid Car/Van Pool parking permit issued to another person or vehicle, that vehicle is subject to a citation. The Car/Van Pool parking permit will be seized and a report will be forwarded to the Vice President of Student Services for a violation of the Student Code of Conduct. The seized Car/Van Pool parking permit will not be returned to the person(s) who applied for the permit.

**SKYLINE COLLEGE EXPRESS SHUTTLE**

Ride to the Skyline College campus direct from Daly City BART station for free with the Skyline Express shuttle. The free service aims to make it easier and more affordable for students and community members to get to campus. For more information, visit: [skylinecollege.edu/shuttle.php](http://skylinecollege.edu/shuttle.php).

**RIDE SAMTRANS TO SKYLINE COLLEGE**

SamTrans provides bus service along several routes to the Skyline College campus. SamTrans information specialists can help you plan your trip for the shortest possible route: Call toll free (800) 660-4BUS or visit [www.samtrans.com](http://www.samtrans.com). You may purchase SamTrans passes at Skyline College in the Cashier's Office, Building 2, Student Services Center. All SamTrans buses are wheelchair accessible. Frequent riders receive a discount on their rides by using tokens or a monthly pass.

SamTrans Routes 121 and 140 provide weekday service to Skyline College. Route 121 (limited service) starts at Lowell and Hanover streets, then serves the Daly City BART Station, Colma BART, Seton Medical Center, Serramonte, Fairmont and Westview on its way to the college. Route 123 originates at the Colma BART Station and serves stops between Metro Center, Serra Center, Serramonte and King Plaza on its way to campus. Route 140 delivers students traveling from Pacifica (Palmetto and West Manor) and San Bruno BART.

**Weekend Note:** The 121 line does not provide service to Skyline College on the weekends. The 140 is the only line that provides service to the college on weekends.

**NON-DISTRICT SPONSORED TRANSPORTATION**

Some classes may be conducted off campus. Unless you are specifically advised otherwise, you are responsible for arranging for your own transportation to and from the class site. Although the District may assist in coordinating the transportation and/or recommended travel times, route or caravanning, be advised that the District assumes no liability or responsibility for transportation and any person driving a personal vehicle is NOT an agent of the District.

**FIELD TRIP/EXCURSION GUIDELINES**

Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.
