Distance Learning

If you have email and Internet access, you have everything you need to take advantage of the opportunity to learn online! Enrolling in online courses allows you to enjoy the benefits of a traditional classroom education in a non-traditional way. Online courses provide you with the freedom to plan your coursework around your personal schedule while maintaining interaction with faculty and fellow students. Enter the "virtual classroom" at any time of the day or night to participate in meaningful class discussions, access course information and lectures, work on challenging assignments, and take part in exciting group activities.

Skyline offers two different types of distance learning. Online courses are those in which no on-campus meetings are required. Hybrid courses are those which require one or more on-campus meetings.

We Respect Your Privacy

Skyline College helps protect its students' privacy and authenticates its students' identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District's electronic registration system.

Online Courses

Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of communication technology. The course is conducted through a class website, which may include multimedia material and links to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

ACTG 121   FINANCIAL ACCOUNTING
Recommended: ACTG 100 (3 units) with a grade of C or better, or equivalent; MATH 120 with a grade of C or better, or equivalent; CAOT 225 or equivalent; and eligibility for ENGL 836.
