Notes

- When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture.
- If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination.
- If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class.
- Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

EVENING/WEEKEND CLASSES

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for short courses and as follows for full-term courses:

Note: Evening courses that meet two nights per week meet both nights during Finals. The first night is a regular class meeting and the Final Exam is held on the second night.

Monday classes ................................................................. Monday, December 16
Tuesday classes ............................................................... Tuesday, December 10
Wednesday classes ........................................................... Wednesday, December 11

Steps to Enrollment

You must complete the following Student Success Support Program (SSSP) steps before you register for classes if you selected one of the following educational goals on your application:

- Obtain an Associate Degree or Certificate
- Transfer to a university to complete a Bachelor’s degree
- Improve your English, reading or math skills
- Discover career interests or prepare for a new career
- Undecided about your major

**Step 1**  APPLY FOR ADMISSION
Admissions & Records, Building 2
(650) 738-4251
- Complete the Application for Admission online at www.skylinecollege.edu; select “Apply”.
- You will receive email confirmations containing next steps.

**Step 2**  SIGN UP FOR FINANCIAL AID
Financial Aid, Building 2
(650) 736-4236
- Students who are US Citizens or Eligible Non-Citizens can apply for all types of Financial Aid at www.fafsa.gov.
- Students who meet the AB540, AB2000 or SB68 exemption requirements can apply for the California Dream Act at www.caldreamact.org.

**Step 3**  ORIENTATION
Counseling Center, Building 2
(650) 738-4318
Orientation will provide you with information about registration procedures, college policies, student services, academic expectations, and information on how to accomplish your educational goals. Also see skylinecollege.edu/orientation.

**Step 4**  ASSESSMENT
Assessment Center, Building 2
(650) 738-4150
Assessments determine your skill level in reading, writing, and mathematics. Students are offered multiple assessment options to determine an appropriate English/ESOL and Math placement.

**Step 5**  COUNSELING
Counseling Center, Building 2
(650) 738-4318
After you have completed the college orientation, schedule an appointment to meet with a counselor. During your counseling appointment a counselor will discuss your assessment results and help you select appropriate courses for the upcoming semester. A Student Education Plan (SEP) will be created for you based on your educational and career goals.

**Step 6**  REGISTER FOR CLASSES/PAY FEES
Upon completion of this process, you will receive an appointment to register through WebSMART.
Access your WebSMART student account for the following services:
- register for classes and pay fees
- access your student email – my.smccd.edu – all official electronic communication will be sent to your my.smccd.edu account
- purchase parking permit

**Step 7**  SUBMIT TRANSCRIPT
Admissions & Records, Building 2
(650) 738-4251
Before the end of your first semester at Skyline College, submit official transcripts from all external institutions to the Admissions and Records Office AND request an official evaluation of college-level credit through the Transcript Evaluation Service.

Learning Communities

What is a Learning Community?
Learning Communities are two or more classes, generally in different subjects or fields, designed to be taken together by a group of students in the Learning Community. This structure connects students to each other, their instructors, the college, and to academic and personal achievement. Courses have a common theme and coordinate their assignments, supporting students' learning from a multi-disciplinary perspective.

In Learning Communities, faculty members work together as a team to assist student learning through a collaborative and supportive learning environment. Students participate in groups, off-campus trips and special events to share ideas and help each other learn inside out outside of the classroom. Through this structure, students enjoy a greater sense of involvement with their peers and professors.

For more information on Learning Communities, please visit http://www.skylinecollege.edu/learningcommunities.

ASTEP: AFRICAN-AMERICAN SUCCESS THROUGH EXCELLENCE AND PERSISTENCE

The African American Success through Excellence and Persistence (ASTEP) Learning Community, open to all students, is a transfer and support program designed to provide culturally relevant curriculum and programming focused on the African American experience. While enrolled in ASTEP, students will receive personalized support, mentoring and leadership development from instructors, counselors and support services staff that will help them to overcome academic, personal and financial barriers. ASTEP students will also experience curriculum that is designed to improve skills in written and oral communication, critical thinking, life skills, and cultural and identity development while engaging in dialogue, texts, and history highlighting the African-American voice. ASTEP seeks to promote student retention and success in the core college-level courses, and support students with completing their degree requirements, transfer to four-year universities, and other educational goals. Core courses in the program include History, Counseling, Math, and Communication. For more information, please contact Danielle Powell at (650) 738-7182 or powelld@smccd.edu. You can also find more information online at http://www.skylinecollege.edu/astep.

ENGINEERING & TECH SCHOLARS
The Engineering & Tech Scholars (ETS) Learning Community is an accelerated cohort program designed to engage and support students in Engineering, Computer Science, and Biotechnology pathways. Part of the Silicon Valley Engineering Tech Pathways Program, the ETS program helps students move through core Math, Physics and Chemistry major requirements together with support from faculty and a Student Support Specialist. Through supportive cohort-based and contextualized learning, academic workshops, tutoring support, STEM opportunities, paid summer internships at local tech companies, and hands-on projects in the brand new state-of-the-art Fabrication Laboratory, students progress from entry-level mathematics through intermediate advanced Science, Engineering, and Technology courses. The ETS program prepares students for an Associate’s Degree, as well as transfer to a four-year university. For more information, contact Jenny Le at (650) 738-7048 or lej@smccd.edu. You can also find more information online at https://www.skylinecollege.edu/engineering/engineeringtech.php.

FIRST YEAR EXPERIENCE (FYE)
The First Year Experience (FYE) Learning Community is designed to support students new to Skyline College by fostering community. Supportive faculty and counselors collaborate with students through a set of chosen classes to establish a strong foundation for success in college. By enrolling in all the FYE classes, the student chooses to engage in a community of learners with a common goal of progressing through accelerated Math and English classes while learning important skills for student success. For more information, please contact the FYE co-coordinators, Jarrod Feiner at feinerj@smccd.edu, or (650) 378-4231 or Younga Choi at choiy@smccd.edu or (650) 738-4223. You can also find more information online at www.skylinecollege.edu/firstyearexperience/.

### PUENTE

The Puente Program is a UC affiliated transfer and support program that gives students the instruction and assistance they need to achieve academic success and to transfer to a four-year college or university. Three components of the Puente Program work together to prepare Puente students for transfer:

- **Counseling**  
- **English Instruction**  
- **Mentoring**

The Puente Program makes coursework more lively and relevant for students through readings about the Chicano/Latino/Latinx experience. Puente students also receive academic, career, and personal counseling and advising and are connected to professional mentors as well as unique opportunities to engage in cultural events as well as explore Bay Area four-year university campuses.

The Puente Learning Community is open to all students. For more information on how to join the Puente Program, please call (650) 738-4146. You can also find more information online at [http://skylinecollege.edu/puente/](http://skylinecollege.edu/puente/).

**Note:** A computerized checking system is in place to enforce any stated prerequisites. See the Online Catalog for more information.

TEACHER TRACK
The Teacher Track Learning Community is a great choice for students interested in a career working with young children, elementary school-age, or special education. The Teacher Track Learning Community provides a guided pathway that offers students the opportunity to take ECE./EDUC classes connected with hands-on work experience at Skyline College’s Child Development Laboratory Center (CDLC) and a one unit course for guidance and reflection. Students will also be eligible for a small tuition reimbursement upon completion of each semester. The Teacher Track Learning Community offers professional growth opportunities, individualized advising and enrollment support, CA Permit application assistance for Assistant level after completion of the first semester and the Associate Teacher level after completion of the second semester. Students can choose to participate in this Learning Community for one or two semesters.

For an application more information about this program, contact Kristina Brower at brower@smccd.edu or call (650) 738-4304, and visit the program’s website at http://www.skylinecollege.edu/teachertrack.php.

The Promise Scholars Program at Skyline College is a comprehensive student support model that provides financial, academic, counseling and career supports to participating students. Promise Scholars benefit from an engaged student community and achieve their educational goals on an accelerated timeline by enrolling full-time and working closely with their counselors. Specifically, the program aims to dramatically increase the two-year and three-year graduation rates of participating students.

Promise Scholars Program course sections are designed to foster community and connection between Promise Scholars by providing opportunities to learn and grow together. Below is a listing of all Promise Scholars Program course sections available for the Fall 2019 semester.

For more information, please contact Ellen Murray, Director, Promise Scholars Program, at murraye@smccd.edu.

Attention Students:
Registration for the Fall term begins on May 1, 2019. All fees or payment plans are due at the time of registration to prevent being dropped from your class(es). Past due balances will block you from registration.

IF YOU NEED ASSISTANCE TO PAY YOUR FEES, YOU ARE ENCOURAGED TO:
- Enroll in an inexpensive payment plan via WebSMART
- Apply for Financial Aid (www.fafsa.gov) at least five (5) business days prior to registering for your classes
- Complete the California College Promise Grant (CCPG) via WebSMART
- Refer to WebSMART for additional information.

If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.

### Classes

#### How to Read Class Listings

- **Department, Course Number and Title**
- **Course Reference Number (CRN)**
- **Section**
  - Note: An "X" in the Section designator, such as AX or JX, indicates a class that is cross-listed. Cross-listed classes are those which are offered under more than one department, or which involve instruction at more than one skill level during the same class period.

#### Additional Section Information, where applicable

- **Course Prerequisites/Recommendations and Description**
- **UC and CSU/CSU GE transferability**
- **Days Class Meets**
- **Time Class Meets**
- **Location**
  - Building Number before dash, followed by Room Number (Room Number = Building, Floor, and Room)
- **Instructor**
- **Number of Units**

ART (ART)
(See also: DMAD and FILM.)
Art activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Art activity courses are offered in levels by progression. Courses are listed by title; for example, Black and White Photography, Ceramics, etc, and then by level. Level I is beginning; Level II is intermediate; and Level III is intermediate/advanced.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

DRAMA (DRAM)

Drama activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Drama activity courses are offered in levels by progression. Courses are listed by title; for example, Acting, Rehearsal and Performance, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Acting class would be listed as DRAM 201.1, Acting I while an advanced Acting class would be DRAM 201.4, Acting IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

(See also: PSYCHOLOGY.)

Funding from First 5 San Mateo County to the Education and Child Development Program is providing a textbook loan program, administered through individual classes once instruction begins.

If you work with young children and are enrolled in Education and Child Development classes leading to a California CD Teaching Permit, Skyline College tuition assistance is available to eligible students from the Child Care Training Consortium. Students interested in gaining classroom experience may apply for the Teacher Internship. Contact Education and Child Development Program Services Coordinator Kristina Brower at brower@smccd.edu or (650) 738-4304, or Kate Williams Browne, Education and Child Development Program Coordinator, at brownek@smccd.edu or (650) 738-7082 for more information or to apply.

ESOL Program
Core and Supplemental Courses

These core courses are the pathway leading to transfer-level English composition.

- **ESOL 830** English for Speakers of Other Languages Level III
- **ESOL 840** English for Speakers of Other Languages Level IV

These supplemental courses are highly recommended for students needing skills in listening, speaking, and grammar. Taking core and supplemental courses together can increase success.

- **ESOL 873** Intermediate ESL Grammar
- **ESOL 874** High-Intermediate ESL Grammar
- **ESOL 853** Intermediate ESL Listening and Speaking
- **ESOL 854** High-Intermediate ESL Listening and Speaking

TRANSFERABLE COURSES

- **ESOL 400** English Composition for Nonnative Speakers
- **ESOL 875** Advanced ESL Grammar and Editing

ESOL 875 is strongly recommended for students to meet high standard of grammar required in ESOL 400.

- **ENGL 100** or **ENGL 105**

KABABAYAN PROGRAM
(Refer to course listings under LEARNING COMMUNITIES, beginning on page 13.)

KINESIOLOGY

As a result of changes to Title 5 regulations, Kinesiology and Dance activity courses are no longer repeatable. Kinesiology and Dance activity courses are now offered in levels by progression. Courses are listed by title; for example, Basketball, Tennis, Ballet, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Tennis course would be listed as INDV 251.1, Tennis I, while an advanced Tennis class would be listed as INDV 251.4, Tennis IV.

Course levels may be scheduled simultaneously. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level.

Students are now limited to a maximum of four courses that are related in content which are considered a family. A family may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the changes) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

For information about these changes, what courses constitute a family, or if you are not able to enroll in a class, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, at (650)738-4271 or morelloj@smccd.edu. You can also refer to the Skyline College website at http://skylinecollege.edu/physedkinesiology for information.

Note: A computerized checking system is in place to enforce any stated prerequisites. See the Online Catalog for more information.

New Course Curriculum Regulations
Kinesiology and Dance courses are no longer repeatable due to recent changes in regulations. Courses are now offered in levels by progression, and are listed by title and then by level:
- Level I is beginning
- Level II is intermediate
- Level III is intermediate/advanced
- Level IV is advanced

New students are advised to enroll at Level I and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level. Course levels may be scheduled simultaneously.

Students are now limited to a maximum of four courses that are related in content and considered a family.

Interactive Cardiovascular Fitness

Interactive Cardiovascular Fitness is an online fitness course utilizing technology to verify performance via self-reported cardiovascular activities, including online assignments, testing and discussion. Students will learn to improve fitness through the use of cardiovascular activities such as walking, jogging, running or hiking. Students at all levels of fitness can participate.

To participate in this course, the Map My Fitness application on either a GPS enabled iPhone or Android based device is required. Please contact the instructor with any questions.

Benefits:
- Feel more alert and concentrate better when studying or at work
- Have more energy
- Enjoy a better quality of life
- Receive feedback via technology about performance
- Be able to engage in activity around your schedule

LEARNING COMMUNITIES

(LEARNING COMMUNITIES are listed beginning on page 13.)

LEARNING SKILLS (LSKL)

Supplemental Instruction
Supplemental Instruction (SI) is a voluntary academic assistance program that utilizes peer-led group study to help students succeed in traditionally difficult courses. SI sessions are led by Skyline College students who have previously completed the course successfully and have received SI training.

Supervised Peer Tutoring
Free peer tutoring is available to students in a variety of subjects at the Learning Center. Students must be enrolled in LSKL 803 to receive tutoring.

Interested in Becoming a Tutor?
The first step to becoming a peer tutor in the Learning Center is to register for LSKL 110, the tutor training course. Students completing LSKL 110 will receive course credit and earn the first step toward a CRLA Level 1 tutor certificate. With your CRLA certificate you will be eligible to work in The Learning Center as a tutor, as the budget permits.

LSKL 110 EFFECTIVE TUTORING AND PRACTICUM
Recommended: Eligibility for ENGL 100 or ENGL 105, or equivalent; and completion of MATH 120, or MATH 122 and MATH 123, or equivalent. Transfer: CSU.

Dates for LSKL 110 HY: 9/3-10/22

Adjusting to college can be challenging. As a new student, you may feel overwhelmed with the academic workload, all of new terms and processes, and a new social setting.

What is Peer Mentoring?
Peer Mentors are continuing students who leverage their own skills and experiences to help other Skyline College students have a successful educational experience. Our mentors will work 1:1 with you to help identify challenges, set goals, and build skills.

Why work with a Peer Mentor?

• Set goals and develop strategies to succeed in college
• Improve time management and study skills
• Expand educational, leadership, career, and learning skills
• Develop positive daily routines and habits
• Increase social engagement and sense of belonging

MUSIC (MUS.)

(Dance courses are offered through the Physical Education Division.)

Music activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Music activity courses are offered in levels by progression. Courses are listed by title; for example, Piano, Guitar, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Piano class would be listed as MUS. 301.1, Piano I while an advanced Piano class would be MUS. 301.4, Piano IV.

New students are advised to enroll in the beginning level and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced.

Courses Offered in 5 Languages

Studying language teaches students to broaden their horizons and interpret the world through alternative perspectives. Language deeply affects the way we think about ourselves and how we communicate and interact with others, helping to build connection and understanding as part of a basic liberal education.

Skyline College’s World Languages Program offers a unique opportunity for students to challenge themselves to expand their worlds and enrich their lives. Students can choose courses from the following languages:

- Arabic
- American Sign Language (ASL)
- Chinese
- Filipino
- Spanish (AA-T degree)

What should I know about Distance Education (DE) courses at Skyline College?
The San Mateo County Community College District is committed to providing students and the community access to transfer education and workforce training through career/technical programs. Skyline College provides such access through Distance Education. Through Distance Education courses, all students will have access to earning associate degrees, credit for courses that satisfy transfer course requirements, and career/technical education. These courses are designed to give students greater freedom of scheduling, but they can require more self-discipline and as much time and effort as on-campus classes. For new or first-time DE students, please keep in mind the following:

• Online courses are recommended for students who can work well independently and have solid study skills and self-discipline.
• Online courses have parity with courses taught in the classroom and are transferable to most four-year colleges and universities.
• Students enrolled in online courses have the same status as students enrolled in on-campus courses.
• Online courses require as much time and effort as on-campus courses, yet give students greater flexibility with their schedules.
• It is important to have reliable computer access and Internet in your home. If you do not, computers are available at Skyline College or through your local library.

All communication between student and instructor occurs through the student email system known as “My.SMCCD”. Information to set up and use the account can be found here: http://my.smccd.edu/

Skyline offers two different types of distance learning, Online or Hybrid courses.

Online Courses
Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of computer technology. The course is conducted through Skyline’s Learning Management System called Canvas. The course may include text and sound and video links, in addition to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication, and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or by other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

Hybrid Courses
Hybrid courses are those that substitute 51% to 99% of face-to-face instructional hours with online work, and have some regularly scheduled on-campus meetings without alternative distance education means of student participation.

We Respect Your Privacy
Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.
