• Apply for Financial Aid (www.fafsa.gov) at least five (5) business days prior to registering for your classes
• Complete the California College Promise Grant (CCPG) via WebSMART
• Refer to WebSMART for additional information.

If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.
Summer Semester Registration Calendar

REGISTRATION DATES/TIMES
Register Online at: https://websmart.smccd.edu
YOU MUST HAVE AN ASSIGNED APPOINTMENT TO REGISTER

CONTINUING STUDENTS PRIORITY REGISTRATION
Priority Registration is offered to students who meet specific criteria set by the State Chancellor and SMCCCD, based on academic goals. Eligible students must meet enrollment requirements, have a current Student Educational Plan (SEP) on record, be in Good Standing and have earned less than 100 degree-applicable units. Students may view their registration appointment date in WebSMART on April 26, 2019.

WebSMART – Log in to register May 1–7, 2019
After 7:00 am on your appointment date and any time thereafter

NEW AND FORMER STUDENTS
New students must submit an Application for Admission for the Fall Semester. Former students may also need to submit an Application for Admission if their application has expired. After being admitted/re-admitted, New and Former Students may register:

WebSMART – Log in to register May 8 – June 9, 2019
After 7:00 am on your appointment date and any time thereafter

LATE REGISTRATION INSTRUCTIONS
June 10 – 13, 2019
To add a class during late registration:
• Obtain an Authorization Code from the instructor
• Register on WebSMART by entering Course Reference Number (1st screen – Submit) and Authorization Code (2nd screen – Validate), then “Submit Changes” (3rd Step)

Extended Office Hours
June 10 – 13, 2019
Monday – Thursday, 8:00 am – 7:00 pm
The following offices are open with extended hours during the first week of classes:
Admissions & Records • Cashiers • Counseling • Financial Aid
Steps to Enrollment

You must complete the following Student Success Support Program (SSSP) steps before you register for classes if you selected one of the following educational goals on your application:

- Obtain an Associate Degree or Certificate
- Transfer to a university to complete a Bachelor’s degree
- Improve your English, reading or math skills
- Discover career interests or prepare for a new career
- Undecided about your major

Step 1  APPLY FOR ADMISSION
Admissions & Records, Building 2
(650) 738-4251
- Complete the Application for Admission online at www.skylinecollege.edu; select “Apply”.
- You will receive email confirmations containing next steps.

Step 2  SIGN UP FOR FINANCIAL AID
Financial Aid, Building 2
(650) 736-4236
- Students who are US Citizens or Eligible Non-Citizens can apply for all types of Financial Aid at www.fafsa.gov.
- Students who meet the AB540 exemption requirements under AB131 can apply for the California Dream Act at www.caldreamact.org.

Step 3  ORIENTATION
Counseling Center, Building 2
(650) 738-4318
Orientation will provide you with information about registration procedures, college policies, student services, academic expectations, and information on how to accomplish your educational goals. Also see skylinecollege.edu/orientation.

Step 4  ASSESSMENT
Assessment Center, Building 2
(650) 738-4150
Assessments determine your skill level in reading, writing, and mathematics. Students are offered multiple assessment options to determine an appropriate English/ESOL and Math placement.

Step 5  COUNSELING
Counseling Center, Building 2
(650) 738-4318
During your counseling appointment a counselor will discuss your placement results and help you select appropriate courses for the upcoming semester and help develop your Student Education Plan (SEP).

Step 6  REGISTER FOR CLASSES/PAY FEES
Upon completion of this process, you will receive an appointment to register through WebSMART.
Access your WebSMART student account for the following services:
- register for classes and pay fees
- access your student email – my.smccd.edu – all official electronic communication will be sent to your my.smccd.edu account
- purchase parking permit

Step 7  SUBMIT TRANSCRIPT
Admissions & Records, Building 2
(650) 738-4251
Before the end of your first semester at Skyline College, submit official transcripts from all external institutions to the Admissions and Records Office AND request an official evaluation of college-level credit through the Transcript Evaluation Service.

ART (ART)
(See also: FILM.)
Art activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.
Art activity courses are offered in levels by progression. Courses are listed by title; for example, Black and White Photography, Ceramics, etc., and then by level. Level I is beginning; Level II is intermediate; and Level III is intermediate/advanced.
New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

Note: A computerized checking system is in place to enforce any stated prerequisites. See the Online Catalog for more information.

Skyline College is proud to offer a certificate and an Associate’s degree in Biotechnology, a fast-growing and exciting career path that harnesses biology to discover cures for diseases, battle climate change, solve global food shortages, and more! The program is designed to transfer to local Bachelor’s programs in Biotech manufacturing. Individuals in the field should be curious, imaginative, & persistent problem solvers.

Join our upcoming classes:

BTEC 400 Foundations of Biotechnology emphasizes the origin and development of biotechnology and the bioscience industries. Includes cell growth, medical, and food products produced by or impacted by biotechnology, and career opportunities in biotechnology.

BTEC 150 Biotechnology Instrumentation: Quality Control and Genetic Engineering familiarizes students with small scale laboratory instrumentation practices.

BTEC 210 Business and Regulatory Practices in Biotechnology examines how basic business practices and good manufacturing procedures assure the quality and safety of a product as it is manufactured in the biotechnology production pipeline.

DRAMA (DRAM)

Drama activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Drama activity courses are offered in levels by progression. Courses are listed by title; for example, Acting, Rehearsal and Performance, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Acting class would be listed as DRAM 201.1, Acting I while an advanced Acting class would be DRAM 201.4, Acting IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

HEALTH SCIENCE

Why should you pursue Public Health Science?

The Associates Degree of Transfer in Public Health Science prepares students for advanced study in public health and community health education.

After receiving their AS-T, students can choose to pursue advanced study in public health or health education, or work in the field of community health education in a variety of settings.

You could work at:
• public schools,
• community clinics,
• hospitals and medical centers,
• government public health agencies,
• and more!

**KINESIOLOGY**  
As a result of changes to Title 5 regulations, Kinesiology and Dance activity courses are no longer repeatable. Kinesiology and Dance activity courses are now offered in levels by progression. Courses are listed by title; for example, Basketball, Tennis, Ballet, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Tennis course would be listed as INDV 251.1, Tennis I, while an advanced Tennis class would be listed as INDV 251.4, Tennis IV.

Course levels may be scheduled simultaneously. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level.

Students are now limited to a maximum of four courses that are related in content which are considered a family. A family may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the changes) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

For information about these changes, what courses constitute a family, or if you are not able to enroll in a class, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, at (650)738-4271 or morelloj@smccd.edu. You can also refer to the Skyline College website at http://skylinecollege.edu/physedkinesiology for information.

KINESIOLOGY – ADAPTED > KINESIOLOGY – DANCE

Kinesiology and Dance courses are no longer repeatable due to recent changes in regulations. Courses are now offered in levels by progression, and are listed by title and then by level:

• Level I is beginning
• Level II is intermediate
• Level III is intermediate/advanced
• Level IV is advanced

New students are advised to enroll at Level I and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level. Course levels may be scheduled simultaneously.

Students are now limited to a maximum of four courses that are related in content and considered a family.

Interactive Cardiovascular Fitness is an online fitness course utilizing technology to verify performance via self-reported cardiovascular activities, including online assignments, testing and discussion. Students will learn to improve fitness through the use of cardiovascular activities such as walking, jogging, running or hiking. Students at all levels of fitness can participate.

To participate in this course, the Map My Fitness application on either a GPS enabled iPhone or Android based device is required. Please contact the instructor with any questions.

**Benefits:**
- Feel more alert and concentrate better when studying or at work
- Have more energy
- Enjoy a better quality of life
- Receive feedback via technology about performance
- Be able to engage in activity around your schedule

LEARNING SKILLS (LSKL)

Supplemental Instruction
Supplemental Instruction (SI) is a voluntary academic assistance program that utilizes peer-led group study to help students succeed in traditionally difficult courses. SI sessions are led by Skyline College students who have previously completed the course successfully and have received SI training.

Supplemental Learning Assistance
Supplemental Learning Assistance is a required academic assistance program for certain courses and learning communities. LSKL courses are linked with specific ENGL and MATH courses.

Supervised Peer Tutoring
Free peer tutoring is available to students in a variety of subjects at the Learning Center. Students must be enrolled in LSKL 803 to receive tutoring.

Interested in Becoming a Tutor?
The first step to becoming a peer tutor in the Learning Center is to register for LSKL 110, the tutor training course. Students completing LSKL 110 will receive course credit and earn the first step toward a CRLA Level 1 tutor certificate. With your CRLA certificate you will be eligible to work in The Learning Center as a tutor, as the budget permits.

LSKL 110 EFFECTIVE TUTORING AND PRACTICUM

Math Placement

Students may use a variety of measures for appropriate placement into the pathways depicted below. These include EAP, IB, ELM, SAT, ACT, and AP exam scores; High School Transcripts; and Guided Self Placement. Please see the Assessment Center for more information: call (650) 738-4150, email skyassessment@smccd.edu, or go to Building 2, 1st floor, office 2118.

Statistics and Liberal Arts Mathematics (SLAM) Pathway

- **MATH 890** (2 units)
- **MATH 190** (6 units)

Math 890 may be recommended as a co-requisite with Math 190 to support student success.

Transferable Courses

- **MATH 150** (3 units)
- **MATH 200** (4 units)
- **MATH 800** (2 units)
- **MATH 201** (3 units)

Math 800 may be recommended as a co-requisite with Math 200 to support student success.

Business, Science, Technology, Engineering, and Mathematics (B-STEM) Pathway

- **MATH 820** (3 units)
- **MATH 120** (5 units)

Math 820 may be recommended as a co-requisite with Math 120 to support student success.

Transferable Courses

- **MATH 825** (2 units)
- **MATH 225** (6 units)
  
  Equivalent to MATH 130 and MATH 222

- **MATH 130** (4 units)
- **MATH 222** (5 units)
  
  Math 830 may be recommended as a co-requisite with Math 130 to support student success

- **MATH 251** (5 units)
- **MATH 252** (5 units)
- **MATH 253** (5 units)
- **MATH 270** (3 units)
- **MATH 275** (3 units)

- **MATH 120** (5 units)

Math 825 may be recommended as a co-requisite with Math 225 to support student success.

Note: BUS. 120 and BUS. 123 also meet quantitative reasoning requirement for transfer; PSYC 171 for CSU.

IMPORTANT

Which Transfer math courses you take depends on your transfer destination and your intended major. To select the appropriate math class, see a counselor and use PROJECT ASSIST (www.assist.org) to retrieve course articulation information.
MATH 222 PRECALCULUS

MUSIC (MUS.)
(Dance courses are offered through the Physical Education Division.)

Music activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Music activity courses are offered in levels by progression. Courses are listed by title; for example, Piano, Guitar, etc., and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Piano class would be listed as MUS. 301.1, Piano I while an advanced Piano class would be MUS. 301.4, Piano IV. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

Courses Offered in 5 Languages

Studying language teaches students to broaden their horizons and interpret the world through alternative perspectives. Language deeply affects the way we think about ourselves and how we communicate and interact with others, helping to build connection and understanding as part of a basic liberal education.

Skyline College's World Languages Program offers a unique opportunity for students to challenge themselves to expand their worlds and enrich their lives. Students can choose courses from the following languages:

Arabic
American Sign Language (ASL)
Chinese
Filipino
Spanish

Attention Students:
Registration for the Summer term begins on May 1, 2019. All fees or payment plans are due at the time of registration to prevent being dropped from your class(es). Past due balances will block you from registration.

IF YOU NEED ASSISTANCE TO PAY YOUR FEES, YOU ARE ENCOURAGED TO:
• Enroll in an inexpensive payment plan via WebSMART
• Apply for Financial Aid (www.fafsa.gov) at least five (5) business days prior to registering for your classes
• Complete the California College Promise Grant (CCPG) via WebSMART
• Refer to WebSMART for additional information.
If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.

What should I know about Distance Education (DE) courses at Skyline College?

The San Mateo County Community College District is committed to providing students and the community access to transfer education and workforce training through career/technical programs. Skyline College provides such access through Distance Education. Through Distance Education courses, all students will have access to earning associate degrees, credit for courses that satisfy transfer course requirements, and career/technical education. These courses are designed to give students greater freedom of scheduling, but they can require more self-discipline and as much time and effort as on-campus classes. For new or first-time DE students, please keep in mind the following:

- Online courses are recommended for students who can work well independently and have solid study skills and self-discipline.
- Online courses have parity with courses taught in the classroom and are transferable to most four-year colleges and universities.
- Students enrolled in online courses have the same status as students enrolled in on-campus courses.
- Online courses require as much time and effort as on-campus courses, yet give students greater flexibility with their schedules.
- It is important to have reliable computer access and Internet in your home. If you do not, computers are available at Skyline College or through your local library.

All communication between student and instructor occurs through the student email system known as "My.SMCCD". Information to set up and use the account can be found here: http://my.smccd.edu/

Skyline offers two different types of distance learning, Online or Hybrid courses.

Online Courses

Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of computer technology. The course is conducted through Skyline’s Learning Management System called Canvas. The course may include text and sound and video links, in addition to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication, and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or by other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

Hybrid Courses

Hybrid courses are those that substitute 51% to 99% of face-to-face instructional hours with online work, and have some regularly scheduled on-campus meetings without alternative distance education means of student participation.

We Respect Your Privacy

Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.

---------------------------

Online/Hybrid courses will be taught in Canvas. Detailed information on Canvas and which courses will be taught in Canvas during the summer is available on the Skyline College Distance Education homepage:

### Go Online

**24 hours a day, 7 days a week**

If you have email and Internet access, you have everything you need to take advantage of the opportunity to learn online! Enrolling in online courses allows you to enjoy the benefits of a traditional classroom education in a non-traditional way. Online courses provide you with the freedom to plan your coursework around your personal schedule while maintaining interaction with faculty and fellow students. Enter the “virtual classroom” at any time of the day or night to participate in meaningful class discussions, access course information and lectures, work on challenging assignments, and take part in exciting group activities.

Students who have tried online classes tell us they prefer the independence of completing quality college courses via the Internet. Consider joining us on the Web!
