Students will work with a Skyline College counselor to determine course placements using the following multiple measures:

Student Self-Assessment (for English and Math only)
Available to students who have attended and completed an English and Math course in high school in the United States school system. Students will self-report specific high school data to determine eligibility for course placement at Skyline College:
- High School English courses and grades completed
- High School Math courses and grades completed
- High school cumulative GPA

Alternative Placement Exams (for English and Math only)
Students who have completed an Alternative Placement Exams (APE), and who achieve the required minimum test score result, may use APE to place into college level English and/or math courses. Students may refer to the Assessment Center website for a complete list of exams and minimum test score results needed for each exam.

Placement through Prerequisite Equivalency
Students who have (a) completed college level courses in English and Math (grade of “C” or higher) at a regionally accredited four-year college or university in the United States; or (b) have taken a placement exam at a California Community College may use their courses and/or exam results to determine an English and Math course placement.

Placement Tests
This option is available to new first time college students, ESOL students, and concurrent high school who would like to take English, ESOL, and/or Math placement tests at Skyline College.
- The placement test is computerized and is administered through the Assessment Center.
- Testing appointments are scheduled for one placement subject per 2-hour testing session.
- Students can make an appointment online to guarantee a seat through WebSMART.
- Students are to check-in at least 10 minutes early for their appointment and should bring a valid photo identification.
- Placement test preparation and tutorials in English, ESOL, and Math can be found on the Assessment Center website.
- All tests are untimed, but estimations are as follows:
  – Math: UNTIMED, approximately one (1) hour
  – English: UNTIMED, approximately one hour and thirty minutes (1.5 hours)
  – ESOL: UNTIMED, approximately two (2) hours

Placement Test Retesting Policy
1. Math Placement results are valid for two years from the date the test was taken.
2. English/ESOL placement results, for the purpose of course placement and prerequisite skill level assessment, do not expire and remain valid indefinitely. If however, a significant amount of time has passed since the English or ESOL test was completed, a student may elect to repeat the placement test to secure an accurate assessment of current skill level.
3. If a student does not accept the recommended placement, he/she may retake the same placement test one additional time within a two-year period.
4. A student who has completed a course in the English, ESOL or math sequence may take the placement test to determine his/her current competency level in English, ESOL and math courses, if two years have elapsed since the course was completed.
5. For any other special circumstance, or with an instructor or counselor recommendation, a student may petition to retest through the Dean of Counseling.

As part of the SSSP, students agree to express a broad educational intent at the time of admission; declare a specific educational objective within a reasonable period of enrollment; complete the placement test or other assessments; confer with counselors for registration approval and discussion of educational and vocational choices; attend classes and complete assigned course work; seek out support services as needed; and complete courses and maintain progress toward an educational goal.

The State of California mandated SSSP services require that all new, non-exempt, matriculated students to Skyline College shall complete the “5 Steps to Enrollment” as provided by the College. The intent of these core services is to increase your opportunity for success in your academic pursuits. You are required to become a matriculated student unless you meet the exemption criteria.

You are a matriculated or non-exempt student if you have completed the core services of orientation, assessment process, and have met with a counselor to complete an abbreviated or comprehensive student education plan. All new, non-exempt students are required to complete all of the core services.

You are an exempt student if one or more of the following reasons apply and you can provide the necessary documentation:

1. You have completed an AA/AS or higher degree
2. You are enrolling at the college for a reason other than career development or advancement, transfer, attainment of a degree or certificate of achievement, or completion of a basic skills or English as Second Language course sequence
3. You have completed these services at another community college within a time period identified by the district
4. You are enrolling at the college solely to take a course that is legally mandated for employment or necessary in response to a significant change in industry or licensure standards
5. You are enrolling at the college as a special admit student pursuant to Education Code section 76001.
SSSP EXEMPTIONS

You may be considered exempt from the core service requirements if you identify with at least one of the conditions listed above on your online admission application. Any student exempt from orientation, assessment, counseling, advising, or student educational plan development may still participate in the core services (title 5, section 5532c).

District policies shall not exempt a student solely because a student has not selected an education and career goal or course of study (title 5, section 5532d).

To qualify for exemption, students may complete the Student Success & Support Program Exemption Petition. You will be asked to provide a completed petition and supporting documentation for consideration. To request a SSSP Exemption Petition, contact the Counseling Center in Building 2, (650) 738-4318.

Registration Information

REGISTRATION

• **Registration** through WebSMART will enable students to enroll in courses at all three San Mateo County Community College District campuses: Skyline College, College of San Mateo and Cañada College.

• **Fees** are due at the time of registration. You may pay fees online by credit card, or in person by credit card, cash, personal check or money order. You also have the option to apply for a payment plan and/or apply for Financial Aid.

• **Changes to registration status:** It is the responsibility of the student to drop classes within deadlines to avoid penalty grades and fee obligations.

• **Waitlists** are available for many classes. Please read the information in WebSMART to determine eligibility.

REGISTRATION APPOINTMENT NOTICE

Notification of your registration access date will be sent to you via your District email account (my.smcccd.edu). The notice contains your appointment date and information regarding your Personal Identification Number, or PIN. You may personalize your PIN at any time. You will be required to enter your PIN to register for classes through WebSMART. **It is important to keep your PIN,** as it will be required for future transactions in WebSMART, such as accessing final grades.

BEFORE REGISTRATION

• Clear any fee balances or holds on your record.

• Check for prerequisites, corequisites and recommendations for the courses in which you intend to enroll.

• Meet with a counselor/advisor for assistance in selecting your courses, if needed.

• Obtain permission from your counselor and the Admissions Office if you plan to enroll in more than 19 units.

HOW TO REGISTER

• Check for your appointment date in your college email account or on WebSMART.

• Register online through WebSMART at: https://websmart.smcccd.edu.

• Log in with your District ID Number (G#) and PIN.

• Go to: Student Services, Registration – Add/Drop Classes.

  **Note:** It is important to read all notices in WebSMART, as they contain the most current information regarding your account.

SHORT COURSE REGISTRATION

You may register for any short course prior to the first day of class, or until the class fills, whichever occurs first. Short course registration can be completed through WebSMART. To register on the first day of the course, you must obtain an Authorization Code from the instructor and use it immediately through WebSMART. Pay close attention to the registration instructions when using an Authorization Code.

  **Note:** Refund deadlines for short courses differ from term-length courses and are often the first day of class. For details, check your Class Schedule Summary in WebSMART, review the “Refund Policy” on page 21 and/or contact the Cashier’s Office or Admissions and Records.

LATE REGISTRATION

If you are unable to register before the first day of class, you may register during the Late Registration period, with the use of a four-digit Authorization Code. (See Late Registration dates on page 6.) An Authorization Code allows a student to add a class after it has started. To activate the code, follow the registration steps detailed in WebSMART. Please read the instructions very carefully, as there are extra steps involved when using an Authorization Code.

VARIABLE UNITS

Some courses are offered for variable units, which are earned according to the amount of subject matter the student completes during the length of the course. Students can select the number of units they intend to complete at the time of registration, through WebSMART. **There are no refunds for units not earned.** Students earning additional units will be charged accordingly.

GRADE “TYPE” OPTIONS

Some courses are limited to a single type of grading method and some may have grading options, such as “Letter Grade” or “Pass/No Pass.” Students are required to make their grade-type selection at the time of registration through WebSMART and may change their option during the first 20% of the class period. Exact deadline dates can be obtained from your instructor or through WebSMART.

  **Note:** A grade of “P” is equivalent to earning a passing grade, such as “A, B or C”; a grade of “NP” is equivalent to a substandard grade of “D or F”. Please be aware of degree, certificate and transfer requirements when selecting the Pass/No Pass option.
OPEN ENROLLMENT

Every course offered at Skyline College (unless specifically exempted by legal status) is open for enrollment by any person who has been admitted to the college and meets the prerequisites of the course or program, provided space is available. Enrollment in any course or program will be subject to all applicable deadlines.

DEFINITIONS OF STUDENT CLASSIFICATIONS

CONTINUING STUDENT

For registration purposes, a Continuing Student is defined as a student who did not have a break between this term and their previous term in qualifying registration activity. Qualifying activity includes having been Registered, Dropped, Withdrawn, Graded, or having received an Incomplete. If a student was “Waitlisted Only” in the previous term, they do not qualify as “Continuing.”

Continuing Students may be eligible for Priority Registration. Registration appointments are assigned to Continuing Students based on cumulative units earned.

Continuing Students must have a current SEP (Student Education Plan) on file in order to be eligible for Priority Registration. Students are strongly encouraged to meet with a counselor for assistance in selecting appropriate courses to meet their individual goals.

NEW STUDENT

You are considered a New Student if you have never registered at Skyline College, the College of San Mateo or Cañada College.

• If you were a High School Concurrent Enrollment student, and have graduated, or will graduate high school before the Summer 2018 term, you are considered a “New” college student. You must reapply for Admission.

RETURNING STUDENT

If you were in attendance at Skyline College, College of San Mateo or Cañada College prior to Summer 2018 and have not been in attendance since, you are considered a former student and must reapply for admission. If you previously applied for admission online, update your prior application online and resubmit.

TRANSFER STUDENT

If you attended a college or university other than Skyline College, College of San Mateo or Cañada College, you are a transfer student at Skyline College and must apply for admission. You may be eligible for exemptions from some of the Student Success and Support Program requirements listed on page 7. Make an appointment with a counselor to review your unofficial transcripts.

HIGH SCHOOL STUDENT

High School students may be eligible to enroll in college through the College Connections/Concurrent Enrollment Program. This program allows you to get an “early start” on your college experience while still enrolled in high school. Please visit www.skylinecollege.edu/concurrent for registration information and contact your high school counselor. Enrollment is subject to the availability of courses. Please see page 12 for more information.

IMPORTANT: CLASS ATTENDANCE

If you do not attend the first class meeting, the professor MAY replace you with students waiting to add the class. Although the professor has the option to withdraw you from the class, YOU are responsible for officially withdrawing within deadlines to avoid penalty grades and fee obligations.

**PREREQUISITES/COREQUISITES**

The San Mateo County Community College District (SMCCCD) is using a computerized prerequisite checking system. A student who has NOT met the stated prerequisite for the course will not be allowed to enroll. In addition, all stated **Corequisite** courses must be taken concurrently. Students are strongly encouraged to accept the recommendations stated for courses but will not be prevented from enrolling in the classes where the advisory is stated as “recommended” in the class schedule.

Students should meet with a counselor if they have questions about whether they have met the stated prerequisite.

**What are Prerequisites, Corequisites and Recommendations?**

**Prerequisite:** A course or body of knowledge that must be successfully completed (grade of C or Credit or better) before a student can enroll in a specific course.

**Corequisite:** A course that must be taken concurrently (at the same time) with another course.

**Recommendation:** A course that faculty recommend be completed in advance to enhance or improve a student’s ability to succeed in a specific course.

**Why Prerequisites and Corequisites?**

Title 5 (state regulations that govern community colleges) requires that, if a course has a prerequisite, it must be necessary for the student to succeed in the target course. Furthermore, the college must ensure that the prerequisite is equitably and fairly enforced and that it has been approved in a separate action by the curriculum committee at each college.

**What if I am currently enrolled in the prerequisite course(s) within the SMCCCD?**

If you are currently enrolled in the prerequisite course(s), the computer will not prevent your enrollment in the desired course. However, should you receive a final grade other than “A,” “B,” “C” or “P” in the prerequisite course(s), you will be notified by Admissions and Records through your student email (my.smcccd.edu) that you have been administratively dropped from the course. You are advised to meet with a counselor for further assistance with enrollment.

**What if I completed the prerequisite at another college outside the San Mateo County Community College District?**

If you believe you have met the stated prerequisite at another college/university outside the San Mateo County Community College District, you must file a **Prerequisite Equivalency/Reciprocity of Course Placement** form with the Counseling Department. The form is available at the One Stop Center in Building 2, and online at [https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php](https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php). Submit the completed form with a copy of your unofficial transcript or grade report from the other college to the Counseling Appointment Desk in Building 2, or by fax (650) 738-4195 or email skyccounseling@smcccd.edu. If your prerequisite request is approved, the enrollment block will be lifted, allowing you to enroll in the course. If your request is denied, you will be contacted by the Counseling Center as to the reason(s) why.

**How can I challenge a prerequisite?**

You can challenge a prerequisite on one or more of four grounds, listed below:

- If you believe you have the knowledge or ability to succeed in the course without completing the prerequisite.
- If you believe that the prerequisite has been established in violation of Title 5 regulations or the SMCCCD District Model Policy.
- If you believe that the prerequisite is discriminatory or is being applied in a discriminatory manner.
- If you believe that the prerequisite course has not been made reasonably available.

**How do I file a prerequisite challenge?**

If you wish to file a prerequisite challenge, follow these steps:

- The **Prerequisite Challenge Form** is available at the Student Services Information Center in Building 2 or online at [https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php](https://www.skylinecollege.edu/prerequisites/prerequisiteprocess.php). A counselor can help you determine whether you would benefit from the challenge process.
- Next you should contact the appropriate division dean to obtain specific information about filing and documenting your challenge request.
- If you elect to challenge, submit the completed challenge form with documentation to the appropriate Division Office for review.
- You will be notified in 5 business days if your challenge is subsequently approved, and you will be allowed to enroll in the course. If your challenge is not approved, you will be administratively withdrawn from the course.

- Refunds are not issued automatically. You must contact the Cashier’s Office to request a refund.
- Credit balances remain on student accounts for a maximum of five (5) years.

• A $10 non-refundable processing fee (plus an additional $50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. A refund processing fee may be charged only once per semester or summer session.

• Students who receive financial aid and withdraw from classes are advised to call the Financial Aid Office at (650) 738-4236 regarding possible repayment of federal funds if received prior to withdrawal.
