Attention Students:
Registration for the Summer and Fall terms begins on May 2, 2018. All fees or payment plans are due at the time of registration to prevent being dropped from your class(es). Past due balances will block you from registration.

IF YOU NEED ASSISTANCE TO PAY YOUR FEES, YOU ARE ENCOURAGED TO:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for Financial Aid (www.fafsa.gov) at least five (5) business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART
- Refer to WebSMART for additional information.

If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.

**Art (ART)**

(See also: Digital Media and Design and Film.)

Art activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Art activity courses are offered in levels by progression. Courses are listed by title, for example, Black and White Photography, Ceramics, etc., and then by level. Level I is beginning; Level II is intermediate; and Level III is intermediate/advanced.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

**DRAM (DRAM)**

Drama activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Drama activity courses are offered in levels by progression. Courses are listed by title; for example, Acting, Rehearsal and Performance, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Acting class would be listed as DRAM 201, Acting I while an advanced Acting class would be DRAM 201.4, Acting IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

KINESIOLOGY

As a result of changes to Title 5 regulations, Kinesiology and Dance activity courses are no longer repeatable. Kinesiology and Dance activity courses are now offered in levels by progression. Courses are listed by title; for example, Basketball, Tennis, Ballet, etc., and then by level. Level I is beginning, Level II is intermediate, Level III is intermediate/advanced, and Level IV is advanced. The course number also indicates the level. For example, a beginning Tennis course would be listed as INDV 251.1, Tennis I, while an advanced Tennis class would be listed as INDV 251.4, Tennis IV.

Course levels may be scheduled simultaneously. New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level.

Students are now limited to a maximum of four courses that are related in content which are considered a family. A family may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the changes) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

For information about these changes, what courses constitute a family, or if you are not able to enroll in a class, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, at (650)738-4271 or moreloj@smccd.edu. You can also refer to the Skyline College website at http://skylinecollege.edu/physedkinesiology for information.

Kinesiology & Dance

New Course Curriculum Regulations

Kinesiology and Dance courses are no longer repeatable due to recent changes in regulations. Courses are now offered in levels by progression, and are listed by title and then by level:

- Level I is beginning
- Level II is intermediate
- Level III is intermediate/advanced
- Level IV is advanced

New students are advised to enroll at Level I and be placed by their instructor upon assessment. Continuing students who have previously taken and successfully completed a course must progress to the next level. Course levels may be scheduled simultaneously.

Students are now limited to a maximum of four courses that are related in content and considered a family.

For information or assistance about enrolling and the new regulations, please contact Joe Morello, Division Dean of Kinesiology, Athletics and Dance, or visit:

www.skylinecollege.edu/physedkinesiology/

Interactive Cardiovascular Fitness

**Utilize technology to make yourself fit!**

Interactive Cardiovascular Fitness is an online fitness course utilizing technology to verify performance via self-reported cardiovascular activities, including online assignments, testing and discussion. Students will learn to improve fitness through the use of cardiovascular activities such as walking, jogging, running or hiking. Students at all levels of fitness can participate.

To participate in this course, the Nike + Run Club application on either a GPS enabled iPhone or Android based device is required. Please contact the instructor with any questions.

**Benefits:**
- Feel more alert and concentrate better when studying or at work
- Have more energy
- Enjoy a better quality of life
- Receive feedback via technology about performance
- Be able to engage in activity around your schedule

LEARNING SKILLS

Supplemental Instruction (SI)

What is SI?
Supplemental Instruction is a free academic assistance program designed to help students succeed in historically difficult courses. SI Leaders, students who have already passed the class, lead weekly voluntary study sessions for these classes.

How does SI work?
SI Leaders attend class meetings, work with the instructors, and hold study sessions 1-3 times per week. Most SI sessions take place either before or after class, but meeting times are flexible.

Why you should attend:
- Develop a better understanding of course material
- Develop more effective ways of studying
- Prepare for tests, quizzes, presentations, papers and more
- Interact with other students in your class and build community
- Finish the course and potentially earn a better grade

LEARNING SKILLS (LSKL)

Supervised Peer Tutoring
Free peer tutoring is available to students in a variety of subjects at the Learning Center. Students must be enrolled in LSKL 800 or 803 to receive tutoring.

Interested in Becoming a Tutor?
The first step to becoming a peer tutor in the Learning Center is to register for LSKL 110, the tutor training course. Students completing LSKL 110 will receive course credit and earn the first step toward a CRLA Level 1 tutor certificate. With your CRLA certificate you will be eligible to work in The Learning Center as a tutor, as the budget permits.

LSKL 110 EFFECTIVE TUTORING AND PRACTICUM
Recommended: Eligibility for ENGL 100 or ENGL 105, or equivalent; and completion of MATH 110, or MATH 111 and MATH 112, or equivalent; and completion of MATH 120, or MATH 122 and MATH 123, or equivalent. Transfer: CSU.

Algebra and Pre-Statistics Sequence
Placement Test indicates appropriate level in this sequence of courses. Students may use alternate measures for appropriate placement in the Math sequence (e.g., AP Math Calculus Test, Early Assessment Program (EAP), High School Transcripts). See a counselor for more information.

IMPORTANT
Which Transfer math courses you take depends on your transfer destination and your intended major.
To select the appropriate math class, see a counselor and use PROJECT ASSIST (www.assist.org) to retrieve course articulation information.

Note: BUS. 120 and BUS. 123 also meet quantitative reasoning requirement for transfer; PSYC 171 for CSU.

Note: A computerized checking system is in place to enforce any stated prerequisites. See page 18 for more information.

MUSIC (MUS.)

(Dance courses are offered through the Physical Education Division.)

Music activity courses are subject to repeatability limitations. Students are now limited to a maximum of four courses per family. A family of courses may contain more than four courses. If there are more than four courses in a particular family, a student may only enroll in a maximum of four total courses within that family. A course previously taken by a student (prior to the legislation) within the identified family will count as a repeat and limit future enrollments of courses within that family to a maximum of four.

Music activity courses are offered in levels by progression. Courses are listed by title; for example, Piano, Guitar, etc, and then by level. Level I is beginning; Level II is intermediate; Level III is intermediate/advanced; and Level IV is advanced. The course number also indicates the level. For example, a beginning Piano class would be listed as MUS. 301.1, Piano I while an advanced Piano class would be MUS. 301.4, Piano IV.

New students are advised to enroll in the beginning level and be placed by their instructor upon assessment. Continuing students who have previously taken a course within a family, must progress to the next level.

Attention Students:
Registration for the Summer and Fall terms begins on May 2, 2018.
All fees or payment plans are due at the time of registration to prevent being dropped from your class(es). Past due balances will block you from registration.

IF YOU NEED ASSISTANCE TO PAY YOUR FEES, YOU ARE ENCOURAGED TO:
- Enroll in an inexpensive payment plan via WebSMART
- Apply for Financial Aid (www.fafsa.gov) at least five (5) business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART
- Refer to WebSMART for additional information.
If you still need financial assistance after exhausting all options listed above, please contact the Dean of Enrollment Services.
World Languages - Spanish

Basic, Intermediate and Advanced Courses Offered in Spanish

Learn Spanish or improve your current Spanish literacy by enrolling in Spanish classes. Fluency as a Spanish speaker, reader and writer can lead to careers in business and entrepreneurship, education and social services, and interpreting. Bilingual employees have more job opportunities and often better pay.

- Improve your job
- Gain career opportunities
- Study abroad
- Pursue multiple degree opportunities

Curriculum Available:
- Earn an AA in Spanish
- The local Certificate
- Minor in Spanish

What should I know about Distance Education (DE) courses at Skyline College?

The San Mateo County Community College District is committed to providing students and the community access to transfer education and workforce training through career/technical programs. Skyline College provides such access through Distance Education. Through Distance Education courses, all students will have access to earning associate degrees, credit for courses that satisfy transfer course requirements, and career/technical education. These courses are designed to give students greater freedom of scheduling, but they can require more self-discipline and as much time and effort as on-campus classes. For new or first-time DE students, please keep in mind the following:

- Online courses are recommended for students who can work well independently and have solid study skills and self-discipline.
- Online courses have parity with courses taught in the classroom and are transferable to most four-year colleges and universities.
- Students enrolled in online courses have the same status as students enrolled in on-campus courses.
- Online courses require as much time and effort as on-campus courses, yet give students greater flexibility with their schedules.
- It is important to have reliable computer access and Internet in your home. If you do not, computers are available at Skyline College or through your local library.

All communication between student and instructor occurs through the student email system known as “My.SMCDD”. Information to set up and use the account can be found here: http://my.smccd.edu/

Skyline offers two different types of distance learning, Online or Hybrid courses.

Online Courses

Online courses are those in which the instructor and student are separated by distance for the entire course and can interact exclusively (100%) through the assistance of computer technology. The course is conducted through Skyline's Learning Management System called Canvas. The course may include text and sound and video links, in addition to other online resources. Students interact with the instructor and other students through posted class discussions, direct individual communication, and assignments (which may include group work). Testing may be done online, via proctoring arrangements, or by other means. Instructors require no mandatory on-campus meetings. If an instructor wishes to incorporate on-campus meetings into the course, the instructor/student will provide for alternative distance education means of student participation.

Hybrid Courses

Hybrid courses are those that substitute 51% to 99% of face-to-face instructional hours with online work, and have some regularly scheduled on-campus meetings without alternative distance education means of student participation.

We Respect Your Privacy

Skyline College helps protect its students’ privacy and authenticates its students’ identity by requiring secure login and password whenever a student registers for classes, review his/her enrollment information, or logs in to any other secure SMCCCD site. The District will not share student login and password information with anyone, and students are advised not to share their login and password information. A statement to this effect is posted prominently for students each time they login to WebSMART, the San Mateo County Community College District’s electronic registration system.

Online/Hybrid courses will be taught in Canvas. Detailed information on Canvas and which courses will be taught in Canvas during the summer is available on the Skyline College Distance Education homepage:

Go Online
24 hours a day, 7 days a week

If you have email and Internet access, you have everything you need to take advantage of the opportunity to learn online! Enrolling in online courses allows you to enjoy the benefits of a traditional classroom education in a non-traditional way. Online courses provide you with the freedom to plan your coursework around your personal schedule while maintaining interaction with faculty and fellow students. Enter the “virtual classroom” at any time of the day or night to participate in meaningful class discussions, access course information and lectures, work on challenging assignments, and take part in exciting group activities.

Students who have tried online classes tell us they prefer the independence of completing quality college courses via the Internet. Consider joining us on the Web!
