3. Rate the facility - 10 good, 2 satisfactory, 1 between good and satisfactory

Comments: A bit small. Canada's bigger. Very nice. Not big enough.

We need a Skyline Clubhouse!! Skyline pilots & does a lot for the DO. They said we were going to get housing, yet don't think that will happen. Clubhouse would be good.

Comments: No. An ice breaker game at the beginning & name tags. Similar activities, fun! No, it was well organized. None. Maybe use a larger venue. Just a little more space, maybe.

6. Did you have any difficulty with the registration process, or obtaining permission to attend this retreat?

Comments: Yes as always. 10 people said no. Wish all my coworkers could come, seasonal/sub/short term can handle/step in.

7. Suggestions for future retreats.

Comments:

Wine tasting? Continue with fun activities. Digital photography, basic/tips/how to take good photos. How to take & write up effective minutes for meetings. Relaxation/breathing techniques. Nice to know what we are entitled to: vac max, retirement, qualifications, golden handshakes, etc. 3 people said ropes course for team building. No, this is perfect!

Other comments: Thank you to all who helped make this retreat a success. Thank you for this retreat, a lot of effort from a good team!
