

Canvas LMS Implementation Timeline

Fall 2016 to Fall 2017

The CTTL provides ongoing specialized training and workshops to support Skyline College faculty and staff with adoption and implementation of our new Learning Management System, Canvas by Instructure.

Skyline College faculty who plan to teach online or hybrid will need to successfully participate in a CTTL Canvas Training and complete the consultation process by the dates indicated below for each semester.

If you have any comments, questions or concerns about this process or completion dates, please be sure to contact the CTTL at skylinectl@smccd.edu prior to deadlines indicated below.

Faculty who have completed Canvas training and are now working on building courses in Canvas are invited to attend Canvas Open Lab sessions where CTTL team members will be available for individualized support.

Open Canvas Labs

Monday	Nov. 7
Monday	Nov. 21
Monday	Dec. 5
Friday	Jan. 27
Friday	Feb. 3
Friday	Feb. 10

2 - 4pm
