

CURRICULUM COMMITTEE
GOALS AND PROJECTS
2015-2016

1) Update Curriculum Processes

- a) Continue to develop a Curriculum Committee professional development process that broadens the knowledge of local and state-wide curriculum issues for Curriculum Committee members.
- b) Review forms and populate Help screens in CurricUNET.
- c) Develop a process for assigning courses to disciplines, especially cross-disciplinary or multi-disciplinary courses.
- d) Establish a set of criteria for reviewing and approving Honors courses.

2) Update Major and Degree Requirements

- a) Continue development and submission of Skyline College transfer degrees (including AoE's and MC's) and C-ID course submissions per Transfer Model Curriculum and Intersegmental Model Curriculum guidelines.

3) Promote Curriculum Integrity

- a) Work with the Dean of Planning, Research and Institutional Effectiveness to identify the best and most consistent methodology for completing the appropriate level of scrutiny in the establishment of out of discipline prerequisites for courses in accordance with Title 5.
- b) Maintain good communication with the General Education Committee.
- c) Promote the Curriculum Committee website to faculty as a tool for curriculum development.

4) Accreditation

- a) Annual review and update of Curriculum Handbook.

5) Comprehensive Program Review

- a) Continue to assess how the Comprehensive Program Review instrument is working.
- b) Work with Student Services to establish a Comprehensive Program Review instrument for Student Services departments.

6) Baccalaureate Degrees

- a) Continue to monitor and provide curriculum oversight of the Baccalaureate pilot program in Respiratory Care.
