STUDENT FEEDBACK SURVEY: English 100
INFORMATION LITERACY INSTRUCTION

You recently attended two information literacy workshops in the library in which you learned online research skills (i.e. how to find and evaluate books, journal articles, and websites). The purpose of this survey is to assess how you may have benefited from the workshops, and to alert us to any improvements or adjustments that need to be made.

INSTRUCTIONS: Using the scale below, mark your response to the following statements. Please respond honestly to each question. Your responses will remain strictly confidential and will be used only to improve the library instruction program.

	Strongly Disagree	Disagree	Neither Agree Nor Disagree	Agree	Strongly Agree
1. The two information literacy workshops taught me useful research skills that I plan to continue using.	( )	( )	( )	( )	( )
2. I feel more confident in my ability to choose wisely among Internet search tools and find relevant books, articles, and websites on academic topics.	( )	( )	( )	( )	( )
3. The ideas and skills taught during the workshops were explained clearly.	( )	( )	( )	( )	( )
4 I feel more confident in my ability to carry out an advanced online search by linking together search terms using AND's and OR's.	( )	( )	( )	( )	( )
5. The workshops increased my awareness of the importance and value of using books and journal articles when doing academic research.	( )	( )	( )	( )	( )
6. I feel more confident in my ability to distinguish between popular sources and scholarly sources.	( )	( )	( )	( )	( )
7. I feel more confident in my ability to decipher article citations that appear in subscription databases such as *EbscoHost*.	( )	( )	( )	( )	( )
8. I feel more confident in my ability to evaluate books, journals, journal articles, and websites for quality and credibility.	( )	( )	( )	( )	( )

OTHER COMMENTS:
Is there any aspect of library or online research that <u>should</u> have been covered but was <u>not</u>? Is there something that was covered that should be <u>left out</u>? In your view, how can the information literacy component of the class be improved?
