Skyline College
Technology Advisory Committee

Excerpt from minutes of the November 1, 2011 Skyline Technology Advisory Committee. 1:30 – 3:00 PM, Bldg.4 Rm. 343.

Jim Petromilli brought to the attention of the committee that recent PC laptop computers being supplied by the District to faculty didn't include a built in camera and microphone. The committee discussed the importance of having a video camera and audio capabilities with supporting software integrated into faculty laptops to support instruction.

The committee unanimously voted to have Jim Petromilli discuss this matter with District ITS at the November 22, District Network Administrators Group meeting. The direction was to request that the District standard for PC laptops be immediately modified to include a camera, microphone, and supporting software,
