• ***General/All-Purpose Volunteering***

**One Brick – [www.onebrick.org](http://www.onebrick.org)**

One Brick brings volunteers together to support other non-profit organizations by adopting an innovative twist to the volunteer

experience: they create a friendly and social atmosphere around volunteering, and after each volunteer event, they invite volunteers to gather at a local restaurant or cafe where they can get to know one another in a relaxed social setting. Their *'commitment-free volunteering'* allows you to choose when you volunteer, rather than having to make commitments for a certain number of volunteer hours, or agree to be available every week at a specific time. Volunteering made easy!

For more information on One Brick and to join our leadership team in the **San Francisco Bay Area**, please email us at: [sfevents@onebrick.org](mailto:sfevents@onebrick.org)
