

# Please share one achievement of your program since the last CPR.

Made with whimsy

RIKA FABIAN NOV 16, 2021 12:36AM

## Student Services programs

**Development of program for our undeclared/exploring students**

**Distributed free snacks to students to address student hunger**

**Transitioned to paperless forms**

Provided Career Services Resources by Meta Major both in-person and shifting to online environment through workshops & tangible materials.

## Student Services programs

**Launching the Global Online Learning (GOL) Program**

We've developed a robust online counseling platform to serve our remote and hybrid students

**Going fully online for new student orientation**

**During pandemic, fully integrated counseling services online within three days**

**Transitioned to pre-arrival enrollment**

**Tripled food pantry impact by establishing walk-thru Community Market (300/week) and then tripled community market impact by launching drive-thru grocery distribution (1000/week)**

**Made workshop accessibility via online format.**

Some COUN 100 courses have transitioned to zero cost text book

**Strong collaboration with District counterparts and other signature Skyline College student service programs.**

## Instructional programs

**Reduced number of courses for program completion.**

**Changed degree from an AA to an AS degree.**

**DE instruction added to all courses.**

**Above are ADMJ**

## Instructional programs

# **Sociology/Social Justice Studies**

We initiated an AA-T for each program, and Sociology majors are increasing in #
