FOR IMMEDIATE RELEASE

San Bruno, California – March 8, 2012 – The 12th Annual President's Breakfast will be held on Thursday, March 15, 2012 from 7:00 a.m. – 8:30 a.m. at the South San Francisco Conference Center located at 255 South Airport Boulevard. This event provides the community with an opportunity to learn about the exceptional education offered at Skyline College and how the President's Innovation Fund awards faculty and staff with seed money for innovative programs and services.

This year, Skyline College president Dr. Regina Stanback Stroud, and the entire President's Council are thrilled to have Skyline College Auxiliary Services as a Premiere Innovation sponsor with a generous donation of \$10,000. This gift from Skyline College Auxiliary Services is made possible by the team of classified and student staff at the Skyline College bookstore led by Kevin Chak, and the team at Sky Café managed by Hugo Ramos and Rick McMahon of Pacific Dining. Their teams' focus on providing exceptional service to students, staff and faculty of Skyline College has made this gift possible.

The *Sustainable Campus Initiative* is just one of several projects awarded seed money through the President's Innovation Fund for 2011-12. This project is designed to build a culture of sustainability on campus by increasing awareness and activating student engagement through experiential learning, providing professional development and creating the college as a sustainable cultural center for the community.

MORE

Jamela Brown, a Skyline College student, is one of the featured speakers at this year's breakfast. Brown began studying at Skyline College in 2011 and is majoring in Environmental Science. Brown is an active member of the Phi Theta Kappa Honor Society and she is planning to transfer to Alabama A & M University to continue her studies. Brown's career aspirations include developing organic farms and implementing outdoor classrooms to enhance children's learning of agricultural technologies.

If you are interested in making a donation to the President's Innovation Fund and/or you would like to attend the breakfast, please call (650) 738-4325.

Skyline College is an accredited, comprehensive California community college serving more than 10,000 students offering over 80 Associate Degree and Certificate programs. Located on a 111-acre campus overlooking the Pacific Ocean, Skyline College has offered world-class educational opportunities to residents from North San Mateo County and beyond since 1969. Part of the San Mateo Community College District, Skyline College strives to inspire a global and diverse community of learners to achieve intellectual, cultural, social, economic and personal fulfillment.
