Accreditation Oversight Committee (AOC)

The overarching mission of this committee is student success through successful accreditation. It is the responsibility of the institution, CEO and ALO (Accreditation Liaison Officer) to keep Skyline College in compliance with the ERs (Eligibility Requirements), Accreditation Standards, including federal requirements, Commission policies, and Skyline's MVV (mission-Vision-Values). This committee will support the college in keeping in compliance.

The role of the Accreditation Oversight Committee is:

1. To review ongoing changes and requirements for accreditation at the federal, state and regional levels to facilitate keeping in compliance with ERs, Commission policies and Skyline College's MVV (Mission-Vision-Values)
2. To coordinate Skyline College's ongoing activities related to its accreditation, including developing and maintaining a systematic approach to tracking evidence,
3. To periodically review alignment of college process with accreditation standards,
4. To maintain the college's accreditation web site, and
5. To provide open communication between the Accreditation Oversight Committee and the college community.

Advisory Committee for Employee Development (ACED)

ACED serves as the advisory committee for the Center for Transformative Teaching and Learning (CTTL), providing input and general guidance for CTTL programming and professional development activities at Skyline College. The committee supports the college in its strategic directions with regard to professional development, and streamlines information about funding opportunities for faculty and staff to participate in national conferences and dialogues. The committee also encourages and facilitates the creation of workshops and dialogues on campus, and supports the creation and management by the CTTL of all aspects of the workshop calendar for the entire year, including technology training, speakers, webinars, and leadership programs.

Health, Safety and Emergency Preparedness Committee

The Health, Safety and Emergency Preparedness Committee promotes a healthful, safe environment for the Skyline College campus community through education, training personnel in safe work practices, as well as developing strategies and adopting best practices regarding disaster preparedness, protection of life, property, and operational continuity for the Skyline College campus.

The committee is responsible for:

1. Conducting safety inspections,
2. Recommending corrective action to the College when appropriate,
3. Maintaining the campus Emergency Response and Evacuation Plans,
4. Updating emergency contact information,
5. Facilitating training for the campus on emergency procedures.

The Health, Safety, and Emergency Preparedness Committee is charged under CSEA contract (article 13.13.6) to meet at least quarterly. A district Safety Management Committee will meet at least twice each fiscal year.

The committee is to include two representatives appointed by CSEA.

Stewardship Equity, Equal Employment, and Diversity Committee (SEED)

The Stewardship for Equity, Equal Employment and Diversity (SEED) Advisory Committee assists Skyline College in fulfilling its commitment to celebrate the intellectual, educational, and social benefits of diversity. In doing so, the committee will:

1. Provide stewardship for the college's value related to campus climate.
2. Oversee the college's equality in employment opportunities and make recommendations to the district EEOAC regarding fair and effective hiring policies.
3. Support, provide or promote training in cultural proficiency.
4. Provide support and assistance to equity and diversity-related projects and activities, and facilitate engagement in campus issues related to equity and diversity.
5. Support and promote educational initiatives that result in intercultural awareness and respect for diversity in students, faculty and staff.

TASK FORCES

Art on Campus Committee

The Art on Campus Committee is charged with developing and reviewing proposals for acquisition of art works for both indoor and outdoor display at Skyline College that are appropriate to the mission of the college, broadly interpreted, and express the college's commitment to access and respect for all, regardless of "level of preparation, socio-economic status, cultural, religious, or ethnic background, or disability." The committee will make recommendations to the College President. The committee shall consist of at least one representative each from administration, faculty, staff, and students. Members shall include representatives from the art department, the budget office and facilities. Members shall serve in staggered three-year terms (except student representatives) and may be reappointed

College Success Initiative (CSI) Coordinating Committee

The role of this committee is to provide a venue to facilitate communication and currency among everyone involved in implementation of the Basic Skills Plan and between the instructional and student services components of the college. The group will seek to ensure that Skyline's Plan is integrated throughout the college. It will be responsible for overseeing the project as a whole and ensuring that the various efforts are well connected to each other, and well embedded in the college's structure. The committee will also identify any gaps that should be addressed. The committee will develop and maintain a calendar of activities to facilitate communication and coordination across the college.

2018-2019	2019-2020
<p><u>Membership</u> The committee will be a broadly constituted group representing all of the key components of the project, and co-chaired by the College Success Coordinator and a Vice President. If the Coordinator is a classroom instructor, the Co-Chair would be the Vice President of Student Services. If the Coordinator is a counselor or librarian, the Co-Chair would be the Vice President of Instruction. Institutional Review Board

The Skyline College Institutional Review Board (IRB) is charged with reviewing non-exempt research and making recommendations on the ethical and safety status of the proposed research. The IRB serves to ensure that research conducted on human subjects, including both biological and social science inquiries, be ethical and not infringe upon the rights or jeopardize the welfare of the subjects. An IRB is solely about the protection of human subjects in research. The results of the consideration will be forwarded to the President via the Dean of Planning, Research and Institutional Effectiveness.
