

Dear Classified Professionals Colleagues,

On behalf of myself and Nadia Tariq, we are filled with excitement as we embark on a new academic year here at Skyline College. It is our absolute pleasure, on behalf of the Classified Executive Board, to welcome you to the 2025–2026 academic year!

We want to take a moment to sincerely acknowledge and appreciate the incredible work you do—and continue to do—for our institution. Your unwavering dedication, support, and commitment are the driving forces that keep Skyline College thriving. Even amid the many changes that have taken place across our campus over the past academic year, you have remained actively engaged in campus activities, programs, committees, and initiatives. You consistently show up for our students—and just as importantly, for one another. Your efforts do not go unnoticed, and we want to personally thank you for your continued commitment.

Looking ahead, the Classified Executive Board will continue to advocate for you and work collaboratively on behalf of our community. Serving as your Classified Senate leadership team has been an incredible honor over the past year. We've learned so much, and we are filled with renewed passion to carry this work forward. We invite you to join us in this ongoing journey. Your ideas, feedback, and suggestions are not only welcome—they are essential. Together, we can better represent our colleagues and strengthen the incredible community that is the Classified Senate.

We are also looking forward to our continued collaboration with the goal of fostering an inclusive and equitable academic environment where every voice is heard and valued. Every perspective, concern, idea, and area of expertise you bring to Skyline College enriches our campus, and we encourage you to attend our Classified Senate meetings so we can work together toward our shared goals.

Your Classified Senate Executive Board is here for you. We look forward to connecting with you throughout the Fall and Spring semesters. For more information and updates, please visit the [Classified Senate website](#).
