

**Skyline College SEED Committee Meeting, February 26th, 2:10-4:00pm**

**Participants:** All SEED Committee members, plus additional student representatives and other invited attendees

**Image to Shape:** Rebuilding walls for our spring garden of perennials.

**Rational Aims:** To begin action-research plans and understand mechanisms of how findings are disseminated across campus.

**Experiential Aim:** For participants to feel the work of SEED being woven into the college as a whole.
