

Skyline College SEED Committee Meeting, March 26th, 2:10-4:00pm

Participants: All SEED Committee members, plus additional student representatives and other invited attendees

Image to Shape: Rebuilding walls for our spring garden of perennials.

Rational Aims: To begin action-research plans and understand mechanisms of how findings are disseminated across campus.

Experiential Aim: For participants to feel the work of SEED being woven into the college as a whole.
