

## Running Improve Reports that Impact Action Plans, v.2

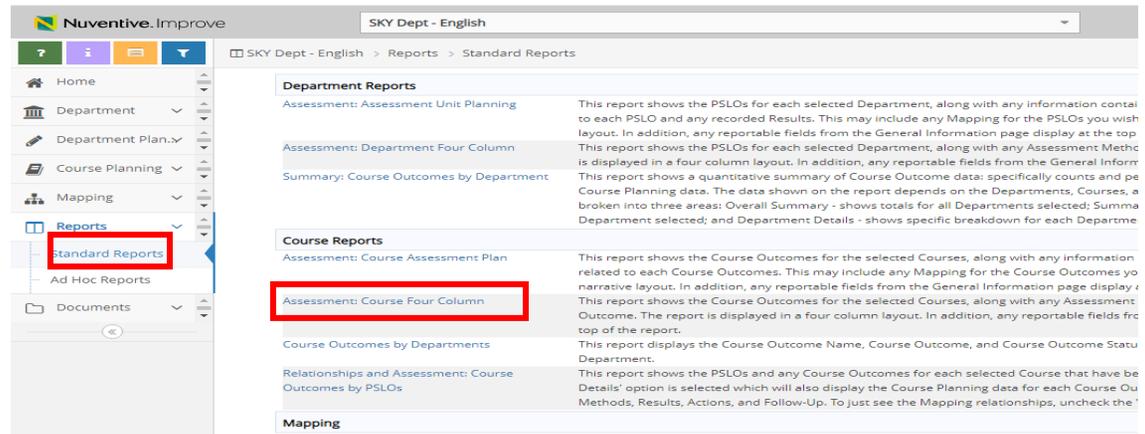

This user guide highlights two reports that lend themselves to departmental discussions and updates: [the course level assessment four column report](#) and the [quantitative report](#) that sums up how much assessment was completed.

### Running Course Level Assessment Four Column Reports in Improve

<p><b>Step 1:</b> Log in to Improve:</p> <p>(a) Use the district single sign-on at <a href="https://smccd.onelogin.com/portal/">https://smccd.onelogin.com/portal/</a>, using the first half of your district e-mail address (e.g., wongk) and your usual password, OR</p> <p>(b) Access it directly via the button on the <a href="#">SLOAC Improve</a> page, using the aforementioned user name and password.</p>	  <p>Choose Nuventive's Improve (formerly Tracdat)</p>
<p><b>Step 2:</b> Access Department by selecting the correct department from the dropdown menu at the top of the page.</p>	

### Step 3:

From the options on the left-hand side of the page, click on **Reports**, then **Standard Reports**, and then **Assessment: Course Four Column**.

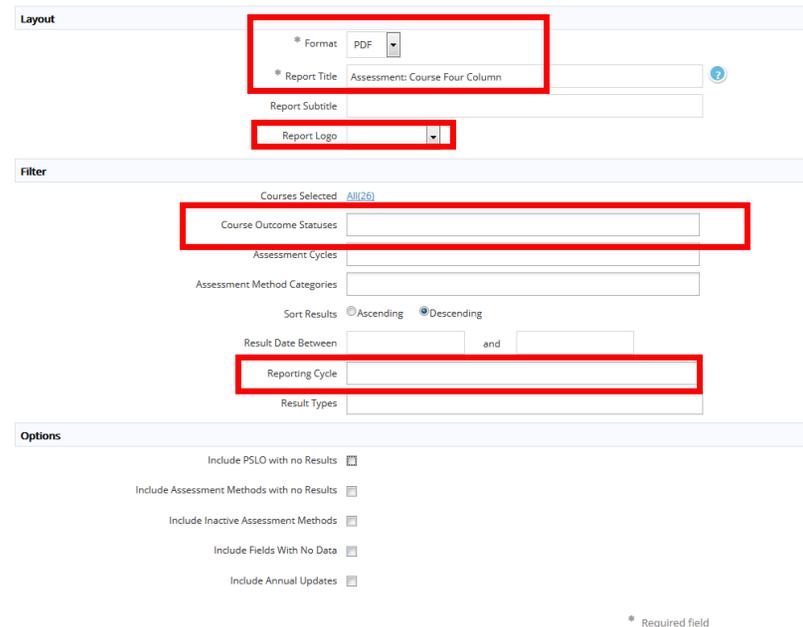

### Step 4:

To run a report for the Annual Program Plan:

For the **Layout**, choose the **Format**, give the report a **Title**, and choose Skyline College from the pull-down **Report Logo** options.

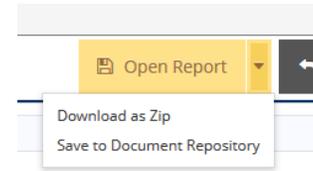

For the **Filter**, choose "Active" **Course Outcomes Statuses**, and this year and last year's **Reporting Cycle**.

Also unmark all of the **Options**.

**Step 5:**

Click **Open Report**, **Download as Zip**, or **Save in Document Repository** (if you'd like to directly save in Improve files, which you're encouraged to do each year) in the upper right hand corner.

**Step 6:**

If you open the report, in the upper right- hand corner, you have options you can exercise:

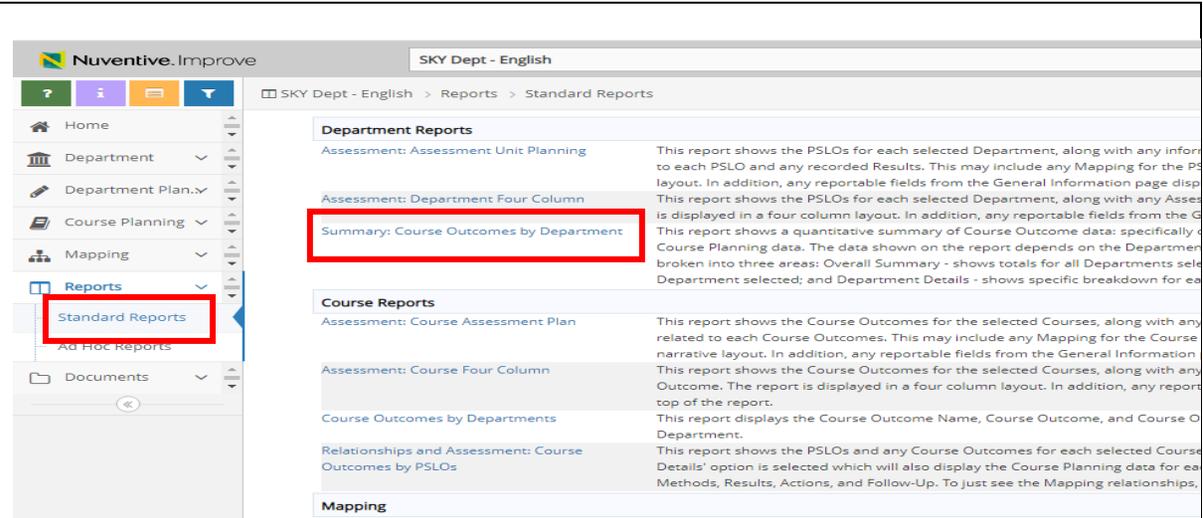

-  View the report in full-screen format.
-  Print the report.
-  Download the document to save.

# Running Quantitative Summary Reports in Improve

## Step 1:

From the options on the left-hand side of the page, click on **Reports**, then **Standard Reports**, and then **Summary: Course Outcomes by Department**.

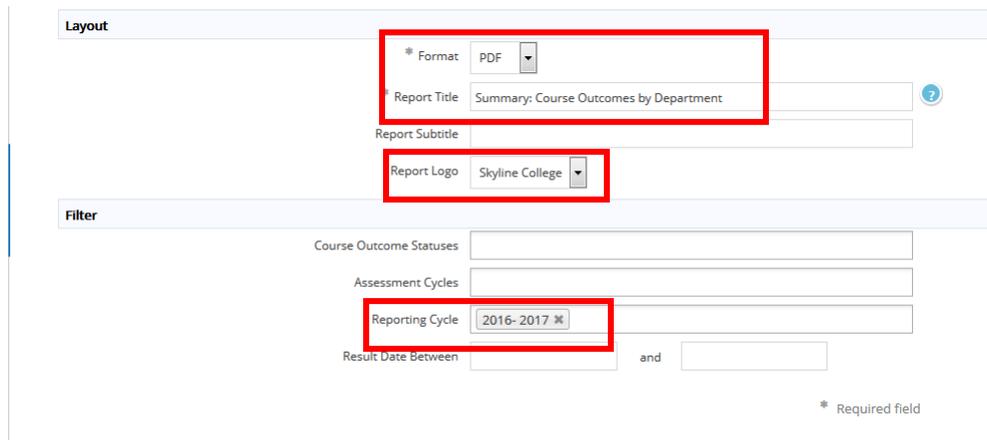

## Step 2:

To track how many courses have been assessed in the new three-year assessment cycle from 2016- 2019:

For the **Layout**, choose the **Format**, give the report a **Title**, and choose Skyline College from the pull-down **Report Logo** options.

For the **Filter**, choose “2016- 2017” (and eventually 2017- 2018, 2018- 2019) for the **Reporting Cycle**.

**Step 3 for Reading the Report, p. 1:**

The report indicates the total number of courses and how many lack SLOs (wrongfully labelled as PSLOs presently).
