	2022-2023	2023-2024	2024-2025
<b>Fall</b>	<p>#1 Students will have a better understanding of HPV and the potential impact on their lifelong wellness.</p> <p>#2 Students will have a better understanding of health promotion strategies (sleep, nutrition, exercise)</p>	<p>#1 Students will have a better understanding of HPV and the potential impact on their lifelong wellness.</p> <p>#2 Students will have a better understanding of health promotion strategies (sleep, nutrition, exercise)</p>	<p>#1 Students will have a better understanding of HPV and the potential impact on their lifelong wellness.</p> <p>#2 Students will have a better understanding of health promotion strategies (sleep, nutrition, exercise)</p>
<b>Spring</b>	Same as above	Same as above	Same as above
Featured <a href="#">ISLO</a>	Effective Communication	Information Literacy	Citizenship
Which of that year's PSLO(s) will be used to assess the featured ISLO?	<p>#1- Focusing on MESSAGE DELIVERY: effectively construct and deliver messages to express ideas and establish shared meaning. Students will learn how to communicate with health care providers when asking about immunization records.</p>	<p>#2 Evaluate the relevance, quality, and credibility of a wide variety of information. Students will learn where to look for credible health references.</p>	<p>#2 Articulate similarities and contrasts among cultures, demonstrating knowledge of and sensitivity to various cultural values and issues. Students will learn about different health problems that impact various cultures and how health promotion strategies can help.</p>

*\*Critical Thinking and Lifelong Wellness will be assessed in 2025-2026 and 2026-2027 respectively*
